

## Con Edison To Webcast Clean Energy Future Presentation On October 3

September 18, 2023

NEW YORK , Sept. 18, 2023 /PRNewswire/ -- Consolidated Edison's corporate leadership will make a Clean Energy Future presentation from 9 a.m. to 10 a.m. on Tuesday, October 3.

The team, led by Chairman and CEO Tim Cawley, will discuss Con Edison's path forward to a clean energy future that provides opportunities for everyone and discuss investments needed to reach the Company and State's clean energy goals.

Con Edison will provide additional details, including a link, before the event.

Consolidated Edison, Inc. is one of the nation's largest investor-owned energy-delivery companies, with approximately \$16 billion in annual revenues and \$64 billion in assets. The company provides a wide range of energy-related products and services to its customers through the following subsidiaries: Consolidated Edison Company of New York, Inc. (CECONY), a regulated utility providing electric service in New York City and New York's Westchester County, gas service in Manhattan, the Bronx, parts of Queens and parts of Westchester, and steam service in Manhattan; Orange and Rockland Utilities, Inc. (O&R), a regulated utility serving customers in a 1,300-square-mile area in southeastern New York State and northern New Jersey; and Con Edison Transmission, Inc., which falls primarily under the oversight of the Federal Energy Regulatory Commission and manages, through joint ventures, both electric and gas assets while seeking to develop electric transmission projects that will bring clean, renewable electricity to customers, focusing on New York, New England, the Mid-Atlantic states and the Midwest.
