ITEM 5. OTHER EVENTS

On October 10, 2000, the United States District Court for the Northern District of New York, in the action entitled Consolidated Edison Company of New York, Inc. v. Pataki, et al., determined that the Indian Point 2 Law was unconstitutional and granted the motion of Consolidated Edison Company of New York, Inc. ("Con Edison of New York") for a permanent injunction to prevent implementation of the Indian Point 2 Law. The "Indian Point 2 Law," which was signed into law in August 2000, directed the New York State Public Service Commission (the "PSC") to prohibit Con Edison of New York from recovering from customers replacement power costs relating to the ongoing outage at the Indian Point 2 nuclear generating unit.

Con Edison of New York has billed to customers the Indian Point 2 replacement power costs incurred prior to August 2000, but not the replacement power costs it has incurred since then (which amounted to approximately \$32 million in August 2000 and \$26 million in September 2000).

Con Edison of New York has agreed to resume settlement discussions with the staff of the PSC and other interested parties with respect to the PSC's ongoing proceeding to investigate the Indian Point 2 outage and its causes and the prudence of the company's actions regarding the operation and maintenance of Indian Point 2.

For additional information about Indian Point 2, see Note C to the Consolidated Edison, Inc. and Con Edison of New York financial statements included in Part I, Item 1 of their combined Quarterly Report on Form 10-Q for the quarterly period ended June 30, (File Nos. 1-14514 and 1-1217).
