ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 25, 2005, Con Edison of New York entered into a Bond Purchase Agreement with New York State Energy Research and Development Authority (“NYSERDA”) and certain underwriters (Citigroup Global Markets Inc., J.P. Morgan Securities Inc. and Morgan Stanley & Co. Incorporated) with respect to \$126,300,000 aggregate principal amount of NYSERDA’s Facilities Revenue Bonds, Series 2005A (Consolidated Edison Company of New York, Inc. Project) (the “Refunding Bonds”). The Refunding Bonds were issued on May 26, 2005 under and secured by a Trust Indenture dated as of May 1, 2005 (the “Indenture”) between NYSERDA and The Bank of New York, as trustee (the “Trustee”). The description in this report of the Indenture and the Refunding Bonds is subject to, and qualified in its entirety by, reference to the Indenture, a copy of which (including the form of the Refunding Bonds) is included as an exhibit to this report.

The Refunding Bonds mature on May 1, 2039 and are subject to optional redemption upon the request of Con Edison of New York at a redemption price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest. The Refunding Bonds are subject to mandatory redemption on or after May 26, 2025 if the State of New York, upon furnishing sufficient funds therefore, requires NYSERDA to do so.

The proceeds from the sale of the Refunding Bonds are being used, together with other funds provided by Con Edison of New York to pay the redemption price of the \$128,285,000 aggregate principal amount of NYSERDA’s 6.10% Facilities Refunding Revenue Bonds, Series 1995 A (Consolidated Edison Company of New York, Inc. Project) (the “Prior Bonds”), which have been called for redemption on July 1, 2005. Upon the redemption of the Prior Bonds, Con Edison of New York’s obligation under the promissory note it issued in connection with the Prior Bonds will be terminated.

Pursuant to a Participation Agreement, dated as of May 1, 2005 (the “Participation Agreement”), between NYSERDA and Con Edison of New York, the company issued a promissory note (the “Company Note”) under which the company is obligated to pay to the Trustee amounts sufficient for, together with other amounts held by the Trustee and available under the Indenture for application to, the payment of principal of and premium, if any, and interest on the Refunding Bonds as the same become due and payable. The description in this report of the Participation Agreement and the Company Note is subject to, and qualified in its entirety by, reference to the Participation Agreement, a copy of which (including the form of the Company Note) is included as an exhibit to this report.

The Refunding Bonds initially bear interest at rates that will be determined weekly by designated remarketing agents. The initial weekly rate for the Refunding Bonds was 3.00% per annum. While the Refunding Bonds bear interest at a weekly rate, they may be tendered for purchase by the registered owners thereof. The Refunding Bonds are subject to mandatory tender for purchase in certain cases, including a change in interest rate mode or the replacement of, or failure to timely extend the term of, the irrevocable letter of credit (the “Support Facility”) that has been delivered to the Trustee and will be drawn upon to pay the purchase price of tendered Refunding Bonds in the event that moneys sufficient for such purpose are not available from the proceeds of the remarketing of such bonds. The Support Facility will also be drawn upon to pay the principal or redemption price of, or interest on, the Refunding Bonds when due. The Support Facility expires on May 26, 2010, unless extended in accordance with its terms. Con Edison of New York entered into an agreement pursuant to which it agreed to reimburse the issuer of the Support Facility for amounts it pays under the Support Facility (the “Reimbursement Agreement”).

In connection with the Refunding Bonds, Con Edison of New York agreed to certain covenants with respect to the tax-exempt status of the financing, including covenants with respect to the use of the facilities financed with the proceeds of the Prior Bonds. The company also agreed to provisions for the maintenance of liquidity and credit facilities. The failure to comply with these covenants and other provisions would, except as otherwise provided, constitute an event of default. In the Reimbursement Agreement, the company agreed to certain covenants (including that its ratio of debt to total capital will not at any time exceed 0.65 to 1), the breach of which would constitute an event of default and the company also agreed to include as an event of default, a default in payment of other debt obligations exceeding in the aggregate \$100 million. If an event of default were to occur under the Indenture, the Participation Agreement or the Reimbursement Agreement, the principal and accrued interest on the Refunding Bonds might and, in certain circumstances would, become due and payable immediately.

WITNESSETH:

WHEREAS, pursuant to a special act of the Legislature of the State of New York (Title 9 of Article 8 of the Public Authorities Law of New York, as from time to time amended and supplemented, herein called the "Act"), the Authority has been established, as a body corporate and politic, constituting a public benefit corporation; and

WHEREAS, the Authority is also authorized under the Act to borrow money and issue its negotiable bonds and notes to provide sufficient monies for achieving its corporate purposes, including the refunding of its outstanding obligations; and

ARTICLE III

THE PROJECT; ISSUANCE OF BONDS

Section 3.01. The Project. Construction of the Project is complete. The Project is the property of the Company. In order to effectuate the purposes of this Participation Agreement, the Company, in its own name, will do or cause to be done all things requisite or proper for the fulfillment of the obligations of the Company under this Participation Agreement.

Section 3.02. Sale of Bonds and Deposit of Proceeds. In order to provide funds for the refunding of the Prior Bonds, the Authority, on the date specified in the Bond Purchase Agreement or as soon thereafter as practicable, and concurrently with the issuance and delivery to the Trustee of the Note as provided in Section 4.01 hereof, will issue, sell and deliver the Bonds, all pursuant to and as provided in the Bond Purchase Agreement and subject to the conditions set forth in Section 2.06 of the Indenture, and will deposit the proceeds of such sale including the accrued interest, if any, paid by the initial purchasers of the Bonds in the Project Fund.

Section 3.03. Disbursements from Project Fund. 1. The Authority has in the Indenture authorized and directed the Trustee to make payments from the Project Fund in accordance with Section 8.01 of the Indenture, to pay the redemption price of the Prior Bonds and costs related thereto upon receipt from time to time of letters signed by an Authorized Company Representative in accordance with Section 8.01 of the Indenture. Concurrently with the delivery by the Company of each such letter to the Trustee, the Company will deliver to the Authority a copy thereof and any attachments thereto. The Company will indemnify and save harmless the Authority and the Trustee from any liability incurred in connection with any letter so delivered and any payments made in reliance thereon.

2. All monies remaining in the Project Fund after the redemption of the Prior Bonds and payment of all costs related thereto shall, at the written direction of an Authorized Company Representative, be paid to the Company.

Section 3.04. Adequacy of Project Fund. The Company acknowledges that the monies in the Project Fund are not sufficient to pay the redemption price of the Prior Bonds and costs related thereto in full. The Company shall pay that portion of the redemption price of the Prior Bonds and costs related thereto in excess of the monies available therefor in the Project Fund with its own funds.

Section 3.05. Ownership and Possession of the Project. Issuance of the Bonds will not vest in the owners thereof, the Trustee, the Authority or any other person, ownership, or the right to possession, of the Project. The Company is entitled to sole and exclusive ownership and possession of the Project.

Section 3.06. Operation, Maintenance and Repair. The Company agrees to proceed in good faith to maintain the availability of the Project for use as an authorized project under the Act. Notwithstanding the foregoing, the Authority and the Company recognize that the

Project will constitute integrated portions of electricity distribution facilities of the Company and that it is not feasible to administer the Project separately from such facilities. The Company shall operate the Project (with such changes, improvements or additions as the Company may deem desirable) as part of such facilities for the joint useful lives of the Project and such facilities and shall maintain and repair the Project and such facilities in conformity with the Company's normal maintenance and repair programs for the Project and such facilities; provided that the Company shall have no obligation to operate, maintain or repair any element or item of the Project or such facilities, the operation, maintenance or repair of which becomes uneconomic to the Company because of damage or destruction or obsolescence (including physical, functional and economic obsolescence), or change in government standards and regulations, or the termination by the Company of the operation of the Project or such facilities to which the element or item of the Project or such facilities is an adjunct.

Section 3.07. Investment of Monies in Funds Under the Indenture. Any monies held as a part of any fund created under the Indenture shall, at the direction of an Authorized Company Representative, be invested or reinvested by the Trustee as provided in Article IX of the Indenture.

ARTICLE IV

NOTE AND PAYMENTS

Section 4.01. Execution and Delivery of Note to Trustee. Concurrently with the authentication by the Trustee and delivery by the Authority of the Bonds and in order to evidence the obligation of the Company to the Authority to repay the Bonds, the Authority hereby directs the Company, and the Company hereby agrees, to execute and deliver to the Trustee its Note, duly and validly executed and delivered, relating to the Bonds. The Note shall be in substantially the form attached hereto as Exhibit C with only such changes to such form as may be approved by the Authority. Thereafter, the Company shall be obligated to make the Note Payments, constituting payments of principal of, and premium, if any, and interest on the Note, and the Additional Payments required by this Participation Agreement. Such obligations shall terminate on the date when the Note has been paid in full. The Note may be prepaid in accordance with Section 4.04 hereof. Upon payment or provision for payment in full of all amounts payable or to become payable under the Note, the Trustee shall cancel the Note and deliver the same to the Company. Provision for payment in full of all amounts payable or to become payable under the Note shall be deemed to have occurred upon receipt by the Trustee of written notice from the Authority acknowledging that the Company has satisfied its obligations to the Authority under the Note. The Authority agrees to deliver such written notice to the Trustee and the Bond Insurer promptly when such provision for payment in full has been made.

Section 4.02. Payments Payable; Note Payments; Additional Payments. (a) The Company covenants and agrees to pay the Payments as and when the same are due and payable in accordance with the Note and this Section 4.02. The Company shall provide the Trustee with a written allocation of amounts paid under this Section 4.02 among the various purposes set forth in this Section 4.02.

(b) The Note Payments shall be in an aggregate amount sufficient for, together with other amounts held by the Trustee and available under the Indenture for application to, the payment in full of the Bonds consisting of (i) the total interest becoming due and payable on the Bonds to the date of payment thereof, and (ii) the total principal amount plus premium, if any, of the Bonds.

(c) The Company shall make Note Payments as set forth in Section 4.02(b) at or prior to the time the corresponding payment is due on the Bonds. Each installment of Note Payments paid by the Company shall be increased as may be necessary to make up any previous deficiency of any of the required payments and to make up any deficiency in the Bond Fund.

(d) In addition, the Company shall pay to the Registrar and Paying Agent for deposit in the Bond Purchase Fund and credit to the Company Account therein an amount sufficient to provide for the payment of the Purchase Price (as defined in the Bond Purchase Trust Agreement) of any Bond tendered for purchase pursuant to the Bond Purchase Trust Agreement to the extent that sufficient moneys are not available for the payment of such Purchase Price from the other sources described therein.

(e) The Company covenants that it shall deposit, or cause to be deposited with the Trustee, sufficient funds to assure that no default shall occur in the payment of the principal of or premium, if any, or the interest on, or the Purchase Price of, the Bonds as and when due, and that no unreasonable delay shall occur in the payment of the costs and expenses payable from Additional Payments.

(f) The Company further covenants and agrees to pay, when due and payable, as Additional Payments, certain additional amounts and costs and expenses. Each installment of Additional Payments, if any, shall be equal to the sum of the amounts set forth in clauses (i) to (iv), inclusive, below, and shall be paid directly to the persons entitled to such payments. "Additional Payments" is hereby defined to be the aggregate of the installments of the following:

(i) the reasonable fees and expenses payable to the Trustee, any Indexing Agent, the Registrar and Paying Agent, any issuer of a Support Facility and any Remarketing Agent under any Remarketing Agreement (and in the case of Auction Rate Bonds, the Auction Agent under the Auction Agency Agreement, and any Broker-Dealers under the respective Broker-Dealer Agreements), and of any counsel or agents of any of the foregoing;

(ii) all costs incurred in connection with the transfer, exchange, purchase or redemption of Bonds not otherwise paid by the holders thereof, including all charges of the Authority (and in the case of Auction Rate Bonds, the Auction Agent, any Broker-Dealer and any Remarketing Agent), the Registrar and Paying Agent and the Trustee with respect thereto, to the extent monies are not otherwise available therefor;

(iii) the reasonable fees and other costs incurred for services of such attorneys and accountants as are employed to make examinations, provide services, render opinions and prepare reports required under this Participation Agreement, the Tax Regulatory Agreement, the Bond Purchase Trust Agreement, and the Indenture; and

(iv) initial administration fees of the Authority in the amount of \$315,750 on the date of authentication and delivery of the Bonds to the initial purchasers thereof, an annual fee equal to \$130 per million dollar principal amount of the Bonds on May 1, 2006 and on May 1 of each year thereafter, based upon the amount of Bonds Outstanding as of such May 1 and for purposes of the calculation of such fee, rounding up to the nearest whole million dollars, and all reasonable expenses, disbursements, advances, taxes, assessments or impositions, not otherwise paid under this Participation Agreement or the Indenture, incurred by or imposed upon the Authority in connection with its administration and enforcement of, and compliance with, this Participation Agreement, any Auction Agency Agreement, the Bond Purchase Trust Agreement, any Remarketing Agreement and the Indenture, which amounts the Company is obligated to pay, including, but not limited to, reasonable attorneys' fees. In addition, the

Company shall deliver to the Authority a check payable to the State of New York with respect to a bond issuance charge applicable to the Bonds pursuant to Section 2976 of the Public Authorities Law of the State of New York in the amount specified by such section on the date of authentication and delivery of the Bonds.

(g) In the event that the Company shall fail to make any Payment as required by Sections 4.02(a) - (e) hereof, the Payment so in default shall continue as an obligation of the Company until the amount in default shall have been fully paid, and the Company agrees to pay the same with interest thereon, which interest shall also constitute an obligation of the Company at the maximum rate of interest payable on the Bonds pursuant to the Indenture, to the extent permitted by law, from the date of default until paid; provided, that the Company agrees in the event the Company shall fail to make any Payment during an Auction Rate Period, the Payment so in default shall continue as an obligation of the Company until the amount in default shall have been fully paid, and the Company agrees to pay the same with interest thereon, which interest shall also constitute an obligation of the Company at the Overdue Rate, to the extent permitted by law, from the date of default until paid. Nothing in this Section 4.02 shall require the Company to pay costs and expenses mentioned in clause (f)(iii) above so long as the validity or the reasonableness thereof shall be contested in good faith unless the Trustee shall receive an opinion of independent counsel that such contest jeopardizes the respective interests of the Authority and the Trustee in this Participation Agreement, any Auction Agency Agreement, the Bond Purchase Trust Agreement, the Indenture or any Remarketing Agreement, in which event the Company shall pay such costs and expenses (without prejudice to any rights of the Company to recover such costs and expenses if not valid or reasonable) to the end that the respective interests of the Authority and the Trustee, in the opinion of independent counsel, are not jeopardized.

Section 4.03. Notice to Pay; Medium of Payment; Acceleration. Failure to receive any prior notice of the due date of any Payment will not relieve the Company of its obligation to pay such Payment when it is due and payable. The Company covenants and agrees that it will pay or cause to be paid when due and payable hereunder the Payments, and every installment thereof, without notice or demand therefor and without abatement, reduction or set-off of any kind or nature whatsoever, in lawful money of the United States of America.

If pursuant to the provisions of Section 12.03 of the Indenture, the Bonds are accelerated or shall otherwise be declared due and payable immediately, then the Company shall forthwith pay or cause to be paid to the Trustee an amount sufficient with all other funds available therefor, to pay the Bonds in full and, secondly an amount which shall be sufficient, with all other funds available therefor, to pay all other obligations of the Authority or the Company incurred or to be incurred under the Indenture, this Participation Agreement, the Auction Agency Agreement, the Bond Purchase Trust Agreement or any Remarketing Agreement.

Section 4.04. Prepayment of Note Payments. The Note may be prepaid, in whole or in part, at the option of the Company in connection with an optional redemption of the Bonds pursuant to Article V of the Indenture and shall be prepaid, in whole or in part, in connection with any mandatory redemption of the Bonds pursuant to Article V of the Indenture other than a mandatory redemption pursuant to Section 5.07 of the Indenture. Prepayment of the Note pursuant to the preceding sentence shall be with or without premium, as required to provide sufficient funds to redeem the Bonds being redeemed pursuant to Article V of the Indenture. The Note also may be prepaid in whole or in part at any time, without premium, at the option of the Company subsequent to the redemption of the Bonds with moneys furnished by the State of New York pursuant to Section 5.07 of the Indenture.

The Company shall give notice to the Trustee and the Authority of any intention to prepay the Note in whole or in part and of the principal amount to be prepaid not more than sixty (60) nor less than thirty-five (35) days prior to the date on which such prepayment is to be made on the Note. Section 4.06. Absolute Obligation to Make Payments. The obligation of the Company to pay the Note Payments and the Additional Payments, as required by this Participation Agreement and the Note, and to satisfy any other financial liabilities incurred hereunder and thereunder shall be an absolute, direct, general obligation, and shall be unconditional and shall not be abated, rebated, set off, reduced, abrogated, waived, diminished or otherwise modified in any manner or to any extent whatsoever (other than for prior payment), regardless of any rights of set-off, recoupment or counterclaim that the Company might otherwise have against the Authority or the Trustee or any other party or parties and regardless of any contingency, act of God, event or cause whatsoever and notwithstanding any circumstance or occurrence that may arise or take place including, but without limiting the generality of the foregoing, the following:

(h) failure of consideration, failure of title to any part of the Project or commercial frustration; and

(i) any change in the tax or other laws of the United States or of any state or other governmental authority;

provided, however, that the foregoing shall not be deemed to be a waiver of any right of recourse the Company may have against the Authority, the holder of any Bond or others, including but not limited to, the rights, causes of action or claims which may arise out of the breach of their respective obligations or the inaccuracy of their respective warranties, provided, however, that the Company may pursue any such right, claim or cause of action only by a separate proceeding or action and not by counterclaim or set-off hereunder and the bringing of such separate proceeding or action shall not affect the Company's absolute, irrevocable and unconditional obligation to make payments pursuant to this Section 4.06.

Section 4.07. Assignment of Authority's Rights. As security for the payment of the Bonds, the Authority will assign to the Trustee the Participation Agreement and the Note and all of the Authority's rights, remedies and interest under this Participation Agreement and the Note, including the right to receive payments under this Participation Agreement and the Note (except the Authority's rights with respect to (a) administrative compensation, attorney's fees and indemnification, (b) the receipt of notices, opinions, reports, copies of instruments and other items of a similar nature required to be delivered to the Authority under this Participation Agreement, (c) granting approvals and consents and making determinations when required under this Participation Agreement, (d) making requests for information and inspections in accordance with this Participation Agreement, (e) Article III and Sections 4.02(f), 4.14 and 5.09 of this

The Company herewith assents to such assignment and will make payments under this Participation Agreement and the Note (except (i) payments made pursuant to Sections 4.02(f) and 5.09 hereof which shall be made directly to the party entitled thereto and (ii) payments of the Purchase Price, which shall be made directly to the Registrar and Paying Agent) directly to the Trustee without defense or set-off by reason of any dispute between any of the Company, the Trustee or Registrar and Paying Agent. Section 4.08. Actions with Respect to or by or on behalf of the Authority under the Indenture. The Authority hereby grants the right to the Company to request the Authority to take certain actions under the Indenture and/or to perform or undertake certain actions as specified under the Indenture. The Company agrees to request the Authority to take action or undertake or perform any action solely in compliance with or after complying with the requirements and provisions of the Indenture.

Section 4.09. Agreements of Company relating to Support Facilities. The Company agrees not to request that the interest rate mode applicable to the Bonds be adjusted to another Adjustable Rate or a Fixed Rate unless on the effective date of the applicable Change in the Interest Rate Mode the Bonds shall be rated at least "A" by S&P or "A2" by Moody's or "A" by Fitch or an equivalent rating by any nationally recognized rating agency. Subject to the requirements of the next paragraph, such rating of the Bonds may, but is not required to, be achieved by obtaining a Support Facility which meets the requirements of Article VI of the Indenture.

The Company further agrees that it will maintain a Liquidity Facility issued by a financial institution rated not less than "A" by at least one nationally recognized rating agency in effect with respect to the Bonds at all times, except with respect to Bonds bearing interest at an Auction Rate, a Fixed Rate or a Term Rate for a Calculation Period in excess of thirteen months.

Section 4.10. Compensation of Trustee and Paying Agents. The Company agrees:

(1) to pay to the Trustee from time to time such compensation for all services rendered by it in any capacity under the Indenture as shall from time to time be agreed in writing (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred by the Trustee under the Indenture (including the reasonable compensation and the expenses and

(3) to pay to the Registrar and Paying Agent, if other than the Trustee, reasonable compensation for all services rendered by it as Registrar and Paying Agent under the Indenture and reimburse it for its reasonable expenses incurred under the Indenture, except any such expense as may be attributable to its negligence or bad faith.

Section 4.11. Project not Security for Bonds. It is expressly recognized by the parties that none of the Project or any of its electricity distribution facilities will constitute any part of the security for the Bonds. The principal security for the Bonds shall be the Note and the absolute, irrevocable and unconditional obligation of the Company to make the Note Payments.

Section 4.12. Payment of Taxes and Assessments; No Liens or Charges. The Company will (a) pay, when the same shall become due and payable, all taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, imposed, levied or assessed by the Federal, state or any municipal government upon the Authority or the Trustee in respect of any payments (other than payments made pursuant to Section 4.10) made or to be made pursuant to this Participation Agreement or the Notes and (b) pay or cause to be discharged, within sixty (60) days after the same shall accrue, any lien or charge upon any such payment (except as aforesaid) made or to be made under this Participation Agreement; provided that the Company shall not be required to pay any such tax, assessment or charge so long as (i) the Company at its expense contests by appropriate legal proceedings conducted in good faith and with due diligence the amount, validity or application of any such tax, assessment or charge, (ii) such proceedings shall have the effect of suspending the collection thereof from the Authority and the Trustee, and (iii) the Company shall indemnify and hold the Authority and the Trustee harmless from any losses, costs, charges, expenses (including reasonable attorneys' fees and disbursements), judgments and liabilities arising in respect of such tax, assessment or charge and the nonpayment thereof.

Section 5.02. Authority's Right to Inspect Project. The Authority shall have the right at all reasonable times to examine and inspect the Project.

Section 5.03. Company Consent to Amendment of Indenture. Section 5.04. Tax Covenant. Notwithstanding any other provision hereof, the Company covenants and agrees that it will not take or authorize any action or permit any action within its reasonable control to be taken, or fail to take any action within its reasonable control, with respect to the Project, or the proceeds of any series of the Bonds, including any amounts treated as proceeds of the Bonds for any purpose of Section 103 of the Code, which will result in the loss of the exclusion of interest on any series of Bonds from gross income for Federal income tax purposes under Section 103 of the Code (except for any Bond during any period while any such Bond is held by a person referred to in Section 147(a) of the Code). This provision shall control in case of conflict or ambiguity with any other provision of this Participation Agreement. In furtherance of such covenant and agreement as it relates to the Bonds, the Authority and the Company have entered into the Tax Regulatory Agreement and the Company hereby covenants and agrees to comply with the provisions thereof.

Section 5.05. Company Agrees to Perform Obligations Imposed by Indenture. The Company agrees to perform such obligations as may be required of it by the provisions of the Indenture.

Section 5.07. Certificates as to Defaults. The Company shall file with the Trustee and the Support Facility, on or before May 1 of each year, commencing on May 1, 2006, a certificate signed by an Authorized Company Representative stating that, to the best of his or her knowledge, information and belief, the Company has kept, observed, performed and fulfilled each and every one of its covenants and obligations contained in this Participation Agreement, the Tax Regulatory Agreement and in the Note and, to the best of his knowledge, information

Section 5.08. Recording and Filing. The Company hereby covenants that it will cause all financing statements related to the Indenture and all supplements thereto and this Participation Agreement and all supplements thereto, as well as such other security agreements, financing statements and all supplements thereto and other instruments as may be required from time to time to be kept, to be recorded and filed in such manner and in such places as may from time to time be required by law in order to preserve and protect fully the security of Holders of the Bonds and the rights of the Trustee hereunder, and to take or cause to be taken any and all other action necessary to perfect the security interest created by the Indenture and shall, within ten (10) days after such filing, cause there to be furnished to the Trustee and the Support Facility Issuer an opinion of counsel as to the adequacy and details of such filing and specifying any re-filing to be effected in the future.

Section 5.09. Limited Obligation of Authority; Indemnification of Authority, Registrar and Paying Agent, Auction Agent and Trustee. The Bonds shall not be general obligations of the Authority, and shall not constitute an indebtedness of or a charge against the general credit of the Authority or give rise to any pecuniary liability of the Authority. The liability of the Authority under the Bonds shall be enforceable only to the extent provided in the Indenture, and the Bonds shall be payable solely from the Note Payments and any other funds held by the Trustee under the Indenture and available for such payment. The Bonds shall not be a debt of the State of New York, and the State of New York shall not be liable thereon.

No member, officer, agent or employee of the Authority shall be personally liable for the payment of the Bonds or any money or damages hereunder or related hereto. Notwithstanding the fact that it is the intention of the parties hereto that the Authority and all officers and employees thereof shall not incur pecuniary liability by reason of the terms of this Participation Agreement, or the undertakings required of the Authority hereunder or any officer or employee thereof, by reason of the issuance of the Bonds, the execution and delivery of any document, including, but not limited to, the Indenture, the Tax Regulatory Agreement, this Participation Agreement, the Note, any Auction Agency Agreement, any Remarketing Agreement, the Bond Purchase Trust Agreement, any Broker-Dealer Agreement or any final official statement, or by reason of the performance or non-performance of any act required of it by this Participation Agreement or any such other agreement, or the performance or non-performance of any act requested of it by the Company, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing; nevertheless, if the Authority (including any person at any time serving as an officer or employee of the Authority) should incur any such pecuniary liability, then in such event the Company shall indemnify and hold harmless the Authority (including any person at any time serving as an officer or employee of the Authority) against all claims by or on behalf of any person, firm or corporation or other legal entity, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon.

If any such claim is asserted, the Authority, any individual indemnified herein, the Trustee, the Registrar and Paying Agent, any Remarketing Agent or any Auction Agent, as the case may be, shall give prompt notice to the Company and permit the Company to participate in the defense thereof at its own expense. The Company will reimburse the indemnified parties for any legal or other expenses reasonably incurred by the indemnified parties in investigating or defending against any such claim, provided that the Company shall not be required to reimburse any of the indemnified parties for fees and expenses of counsel other than one counsel selected by the Trustee in its sole discretion for all indemnified parties in which proceedings are brought or threatened to be brought unless and to the extent there are actual or potential conflicts of interest between or among indemnified parties or defenses available to some indemnified parties that are not available to other indemnified parties in which case, the Company will reimburse the indemnified parties for any legal or other expenses reasonably incurred by the indemnified parties in investigating or defending against any such claim by each counsel of each of the indemnified parties affected. The obligation of the parties hereto under this Section shall survive the termination of this Participation Agreement and the Indenture.

There is currently no such maximum rate.

Section 5.13. Maintenance of Office or Agency. So long as the Note remains outstanding and unpaid, the Company will at all times keep, in New York, New York, or another location in the State of New York, an office or agency where notices and demands with respect to the Note may be served, and will, from time to time, give written notice to the Trustee of the location of such office or agency; and, in case the Company shall fail so to do, notices may be served and demands may be made at the principal office of the Trustee.

Section 5.14. Maintenance of Properties. So long as the Note remains outstanding and unpaid, the Company will at all times make or cause to be made such expenditures for repairs, maintenance and renewals, or otherwise, as shall be necessary to maintain its properties in good repair, working order and condition as an operating system or systems to the extent necessary to meet the Company's obligations under the Public Service Law of the State of New York and the Participation Agreement.

Section 5.16. Proper Books of Record and Account. So long as the Note remains outstanding and unpaid, the Company will at all times keep or cause to be kept proper books of record and account, in which full, true and correct entry will be made of all dealings, business and affairs of the Company, including proper and complete entries to capital or property accounts covering property worn out, obsolete, abandoned or sold, all in accordance with the requirements of any system of accounting or keeping accounts or the rules, regulations or orders prescribed by a regulatory commission with jurisdiction over the rates of the Company giving rise to at least fifty-one percent (51%) of the Company's gross revenues, or if there are no such requirements or rules, regulations or orders, then in compliance with generally accepted accounting principles.

Section 5.17. Compliance with Laws. So long as the Note remains outstanding and unpaid, the Company agrees to use its best efforts to comply in all material respects with all applicable laws, rules and regulations and orders of any governmental authority, non-compliance with which would have a material adverse effect on its business, financial condition or results of operations (to the extent the Company deems it can reasonably comply while maintaining its public utility operations) or would materially adversely affect the Company's ability to perform its obligations hereunder or under the Participation Agreement, except laws, rules, regulations or orders being contested in good faith or laws, rules, regulations or orders which the Company has applied for variances from, or exceptions to.

Section 5.18. Consolidation, Merger or Sale of Assets. So long as the Note remains outstanding and unpaid, the Company will not consolidate with or permit itself to be merged into any other corporation or corporations, or sell, lease, transfer or otherwise dispose of all or substantially all of its properties and assets, except in the manner and upon the terms and conditions set forth in this Section 5.18.

Nothing contained herein or in the Note shall prevent (and the Note shall be construed as permitting and authorizing, without acceleration of the maturity of the Note) any lawful consolidation or merger of the Company with or into any other corporation or corporations lawfully authorized to acquire and operate the properties of the Company, or a series of consolidations or mergers, or successive consolidations or mergers, in which the Company or its successor or successors shall be a party, or any sale of all or substantially all the properties of the Company as an entirety to a corporation lawfully authorized to acquire and operate the same; provided that, upon any consolidation, merger or sale, the corporation formed by such consolidation, or into which such merger may be made if other than the Company, or making such purchase shall execute and deliver to the Trustee an instrument, in form reasonably satisfactory to the Trustee, whereby such corporation shall effectually assume the due and punctual payment of the principal of and premium, if any, and interest on the Note according to its tenor and the due and punctual performance and observance of all covenants and agreements to be performed by the Company pursuant to the Note and the Participation Agreement on the part of the Company to be performed and observed; and, thereupon, such corporation shall succeed to and be substituted for the Company hereunder, with the same effect as if such successor corporation had been named herein as obligor.

The Company further agrees to furnish to the Trustee, the Authority and to any owner of Bonds if requested in writing by such owner all financial statements which it sends to its shareholders. The delivery of such financial statements to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein, including the Company's compliance with any of its covenants hereunder.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01. Events of Default Defined. The following shall be an “Event of Default” under this Participation Agreement and the term “Event of Default” shall mean, whenever it is used in this Participation Agreement, any one or more of the following events:

(a) Failure by the Company to pay or cause to be paid, when due and payable, any installment of Note Payments and, in the case of failure to pay any installment of interest on the Note, continuance of such failure for one (1) Business Day.

(b) Failure by the Company to observe and perform any covenant, condition or agreement in this Participation Agreement or the Note on its part to be observed or performed, other than as referred to in subsection (a) of this Section 7.01 (and other than failure to pay the amounts due under Sections 4.02(f), 4.13 and 5.09 of this Participation Agreement), for a period of ninety (90) days after written notice, specifying such failure and requesting that it be remedied, has been given to the Company unless the Trustee (with any required consent of Bondholders under the provisions of the Indenture) shall agree in writing to an extension of such time prior to its expiration, provided that if any such failure shall be such that it cannot be cured or corrected within such ninety-day period, it shall not constitute an Event of Default hereunder if curative or corrective action is instituted within such period and diligently pursued until the failure of performance is cured or corrected.

(c) The dissolution or liquidation of the Company or the filing by the Company of a voluntary petition in bankruptcy, or failure by the Company promptly to discharge or cause to be discharged any execution, garnishment or attachment of such consequence as will impair its ability to carry on its operations generally or the commission by the Company of any act of bankruptcy, or adjudication of the Company as a bankrupt, or assignment by the Company for the benefit of its creditors, or the entry by the Company into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Company in any proceeding for its reorganization instituted under the provisions of the federal bankruptcy laws or the Company becomes insolvent or is unable to pay its debts as they become due. The term “dissolution or liquidation of the Company”, as used in this subsection, shall not be construed to include the cessation of the corporate existence of the Company resulting either from a merger or consolidation of the Company into or with another corporation or a dissolution or liquidation of the Company following a transfer of all or substantially all of its assets as an entirety, under the conditions permitting such action with respect to the Company contained in Section 5.18 hereof.

(d) The occurrence of an Event of Default as defined in Section 12.01 of the Indenture.

Subsection (b) of this Section 7.01 is subject to the following limitations: Except for the obligations of the Company contained in Article IV hereof, if by reason of force majeure the Company is unable in whole or in part to carry out the agreements on its part herein contained, the Company shall not be deemed in default during the continuance of such inability. The term “force majeure” as used herein shall include the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States or of the State of New York or any of their departments, agencies, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquake; fire; typhoons; storms; floods; washouts; droughts; arrests; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Company. The Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Company from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Company, and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Company unfavorable to the Company.

(a) The Trustee as provided in the Indenture may, at its option, or shall, to the extent required by the Indenture, declare all payments payable under clauses (a) - (e) of Section 4.02 hereof and the Note for the remainder of the term of this Participation Agreement to be immediately due and payable, whereupon the same shall become immediately due and payable.

(b) The Authority, with respect to those rights not assigned to the Trustee, or the Trustee may take whatever action at law or in equity that may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Company under this Participation Agreement or the Note whether for specific performance of any covenant or agreement contained herein or therein or in aid of the execution of any power herein granted.

Any amounts collected pursuant to action taken under this Section 7.02 shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture.

If any such declaration of acceleration of the Bonds shall have been annulled pursuant to the terms of the Indenture and if, at any time after such declaration, but before all the Bonds shall have matured by their terms, all arrears of interest upon the Note, and interest on

overdue installments of interest (to the extent enforceable under applicable law) at the rate or rates per annum specified for the Note and the principal of and premium, if any, on the Note which shall have become due and payable otherwise than by acceleration, and all other sums payable hereunder, except the principal of, and interest on, the Note which pursuant to such declaration shall have become due and payable, shall have been paid by or on behalf of the Company or provision satisfactory to the Trustee shall have been made for such payment, then such acceleration of the Note shall ipso facto be deemed to be rescinded and any such Event of Default and its consequences shall ipso facto be deemed to be annulled, but no such annulment shall extend to or affect any subsequent Event of Default or impair or exhaust any right or remedy consequent thereon.

Section 7.03. **No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Authority or to the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Participation Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Authority hereunder shall also extend to the Trustee and, the Trustee and the Holders of the Bonds issued under the Indenture shall be deemed third party beneficiaries of all covenants and agreements herein contained.

In case the Trustee (as assignee of the Authority under the Indenture) or the Authority shall have proceeded to enforce its rights under this Participation Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Authority, then and in every such case, the Company, the Authority and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Authority and the Trustee shall continue as though no such proceeding had been taken.

The Company covenants that, in case an Event of Default shall occur with respect to any Note Payments payable under Sections 4.02(a) - (e) hereof and the Note, then, upon demand of the Trustee (as assignee of the Authority under the Indenture) the Company will pay to the Trustee the whole amount that then shall have become due and payable under said Sections, with interest (to the extent permitted by law) on said amount at the rate of interest then borne by the Bonds pursuant to the Indenture, but not exceeding the maximum rate permitted by law, until paid, and in addition thereto, such further amounts as shall be sufficient to cover the costs and expenses of collection, including reasonable compensation to the Trustee, its agents, attorneys, and counsel, and any other expenses or liabilities incurred by the Trustee other than those incurred through bad faith or negligence.

In case the Company shall fail forthwith to pay such amounts upon such demand, the Authority, with respect to those rights not assigned to the Trustee, or the Trustee (as assignee of the Authority under the Indenture) shall be entitled and empowered to institute any action or proceeding at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company and collect, in the manner provided by law out of the property of the Company, the monies adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company under the Federal bankruptcy laws or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or in the case of any other similar judicial proceedings relative to the Company or to the creditors or property of the Company, the Trustee shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and provide a claim or claims for the whole amount owing and unpaid pursuant to this Participation Agreement and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Holders and the Trustee allowed in such judicial proceedings relative to the Company, its creditors, or its property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of its charges and expenses; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Trustee, and to pay to the Trustee any amount due it for compensation and expenses, including reasonable counsel fees and expenses incurred by it up to the date of such distribution.

Nothing herein contained shall be construed to prevent the Authority from enforcing directly any of its rights under Sections 4.02(f), 4.13 and 5.09 hereof; provided that, in case the Company shall have failed to pay amounts required to be paid under Sections 4.02(f), 4.13 and 5.09 hereof which event shall have continued for a period of thirty (30) days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Authority or the Trustee, the Authority or the Trustee may take whatever action at law or in equity as may appear necessary or desirable to enforce performance or observance of any obligations or agreements of the Company under Sections 4.02(f), 4.13 and 5.09 hereof.

Section 7.04. No Additional Waiver Implied by One Waiver. In the event any agreement contained herein or in the Note should be breached by any party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

WITNESSETH THAT:

WHEREAS, pursuant to a special act of the Legislature of the State of New York (Title 9 of Article 8 of the Public Authorities Law of New York, as from time to time amended and supplemented, herein called the "Act"), the Authority has been established, as a body corporate and politic, constituting a public benefit corporation; and

WHEREAS, the Authority is also authorized under the Act to borrow money and issue its negotiable bonds and notes to provide sufficient moneys for achieving its corporate purposes, including the refunding of its outstanding obligations; and

WHEREAS, the Authority is also authorized under the Act to enter into any contracts and to execute all instruments necessary or convenient for the exercise of its corporate powers and the fulfillment of its corporate purposes; and

WHEREAS, the Consolidated Edison Company of New York, Inc. “AAA/Aaa”	175%
“AA/Aa”	175%
“A/A”	175%

For purposes of this definition, S&P’s rating categories of “AAA,” “AA-,” “A-” and “BBB-,” and Moody’s rating categories of “Aaa,” “Aa3,” “A3” and “Baa3,” refer to and

“Term Rate Index” shall mean with respect to the Determination Date of each Calculation Period during a Term Rate Period, the average of the yield evaluations at par, determined by the Indexing Agent, of securities (whether or not actually issued), having a term approximately equal to the Term Rate Period or which are subject to optional or mandatory tender by the owner thereof at the end of a term approximately equal to the Term Rate Period, the interest on which is not included in gross income for federal income tax purposes, of no fewer than ten Component Issuers selected by the Indexing Agent, computed by the Indexing Agent on and as of such day. If the Bonds are rated by a Rating Agency in one of its two highest long-term debt rating categories, each Component Issuer must have outstanding securities rated by a Rating Agency in one of its two highest long-term debt rating categories. The Indexing Agent may change the Component Issuers from time to time in its discretion, subject to the foregoing requirements. In addition, at the request of the Company and upon delivery to the Trustee of an Opinion of Bond Counsel that such action will not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes, the Authority, with the consent of the Company, may designate a new method of setting the Term Rate Index in the event any of the above-described methods are determined by the Authority to be unavailable, impracticable or unrealistic in the market place.

“Term Rate Period” shall mean any period during which Bonds bear interest at a Term Rate which period shall commence with the effective date of the Change in the Interest Rate Mode to a Term Rate and shall extend through the day immediately preceding the earlier of (a) the effective date of another Change in the Interest Rate Mode or (b) the Stated Maturity.

(b) Receipt by the Trustee of written notice from the financial institution providing any Support Facility following a draw on or borrowing or payment under such Support Facility for payment of interest on the Bonds that the amount so drawn, borrowed or paid has not been reinstated in the amount of such drawing.

“Treasury Rate” on any date, shall mean (i) the yield, calculated in accordance with prevailing industry convention, of the rate on the most recently auctioned direct obligations of the U.S. Government having a maturity at the time of issuance of 364 days or less with a remaining maturity closest to the length of such Auction Period, as quoted in The Wall Street Journal on such date for the Business Day next preceding such date; or (ii) in the event that any such rate is not published in The Wall Street Journal, then the bond equivalent yield, calculated

in accordance with prevailing industry convention, as calculated by reference to the arithmetic average of the bid price quotations of the most recently auctioned direct obligation of the U.S. Government having a maturity at the time of issuance of 364 days or less with a remaining maturity closest to the length of such Auction Period, based on bid price quotations on such date obtained by the Auction Agent from a U.S. Government Securities Dealer. If any U.S. Government Securities Dealer does not quote a rate required to determine the Treasury Rate, the Treasury Rate shall be determined on the basis of the quotation or quotations furnished by the remaining U.S. Government Securities Dealer or Dealers and any Substitute U.S. Government Securities Dealer or Dealers selected by the Authority at the request of the Company to provide such rate or rates not being supplied by any U.S. Government Securities Dealer or U.S. Government Securities Dealers, as the case may be, or, if the Authority does not select any such Substitute U.S. Government Securities Dealer or Substitute U.S. Government Securities Dealers, by the remaining U.S. Government Securities Dealer or U.S. Government Securities Dealers.

If the Bonds are rated by a Rating Agency in a rating category that is lower than its highest note or commercial paper rating category or its two highest long-term debt rating categories (and the Bonds are not rated in one of such categories by the other Rating Agency), each Component Issuer must (a) have outstanding securities rated by a Rating Agency in its note or commercial paper rating category which is the same or correlative, in the Indexing Agent's judgment, to the note or commercial paper rating category or the long-term debt rating category of the Bonds or (b) have outstanding securities rated by a Rating Agency in the same long-term debt rating category as the Bonds are rated by that Rating Agency and not have any outstanding notes or commercial paper rated by such Rating Agency. The Indexing Agent may change the Component Issuers from time to time in its discretion, subject to the foregoing requirements. In addition, at the request of the Company and upon delivery to the Trustee of an Opinion of Bond Counsel that such action will not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes, the Authority, with the consent of the Company, may designate a new method of setting the Weekly Rate Index in the event any of the above-described methods are determined by the Authority to be unavailable, impracticable or unrealistic in the market place.

“Weekly Rate Period” shall mean any period during which the Bonds bear interest at a Weekly Rate; the first such period shall commence on the date of initial issuance of the Bonds and shall extend through the day immediately preceding the earlier of (a) the effective date of a Change in the Interest Rate Mode or (b) the Stated Maturity.

AUTHORIZATION OF BONDS

Section 2.01. Limitation on Issuance of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with the provisions of this Article.

Section 2.02. Authorization of Bonds. 1. There is hereby created and established under this Indenture one issue of revenue bonds of the Authority, limited to \$126,300,000 in aggregate principal amount, of "Facilities Revenue Bonds, Series 2005A (Consolidated Edison Company of New York, Inc. Project)". In order to distinguish between Bonds which are subject to different interest rate determination methods and other features and to distinguish the portion of the Bonds to be offered or remarketed by any particular Remarketing Agent, the Bonds may be designated and redesignated from time to time by the Authority in such a way as to identify one or more subseries of the Bonds. Such subseries may be designated as subseries A-1, subseries A-2, or subseries A-3, as the case may be, or may be further redesignated as subseries A-1-1, subseries A-2-1, or subseries A-3-1, as the case may be, and so forth. Each Bond shall bear upon the face thereof such designation or redesignation, if any. In the event any series of Bonds is designated as one or more subseries, all references to a series of the Bonds in this Indenture shall refer to each such subseries unless the context otherwise requires. The Bonds, upon original issuance, shall be issued in three separate subseries designated as "2005A-1" in the principal amount of \$42,100,000 (the "Series 2005A-1 Bonds"), "2005A-2" in the principal amount of \$42,100,000 (the "Series 2005A-2 Bonds") and "2005A-3" in the principal amount of \$42,100,000 (the "Series 2005A-3 Bonds").

2. The Bonds shall be secured by the Trust Estate. The lien, pledge, charge and assignment of the Trust Estate created hereby shall be valid and binding from the time of the effectiveness of this Indenture, as set forth in Section 17.11, and the Note Payments made under the Note and the Participation Agreement shall be immediately subject thereto upon receipt by the Trustee.

3. The Bonds are limited obligations of the Authority payable solely from payments to be made by the Company pursuant to the Note and the Participation Agreement and the other moneys, rights and properties pledged hereunder including the proceeds of the Support Facility, if any, hereafter obtained with respect thereto and secured by a pledge from the Authority to the Trustee of the Participation Agreement and the Note. The Bonds shall not be a debt of the State of New York, and the State of New York shall not be liable thereon.

4. The covenants and agreements herein set forth to be performed by the Authority shall be for the benefit, security and protection of any Holder of the Bonds.

5. Neither the Trustee nor any Holder of the Bonds shall be required to see that the moneys derived from such Bonds are applied to the purpose or purposes for which such Bonds are issued.

6. The Bonds shall be issued under this Indenture for the purpose of paying a portion of the redemption price of the Prior Bonds.

7. The Bonds bearing a Commercial Paper Rate, a Daily Rate, a Weekly Rate or a Monthly Rate shall be fully registered Bonds in the denomination of \$100,000 or any integral multiple thereof. The Bonds bearing an Auction Rate shall be fully registered Bonds in the denomination of \$25,000 or any integral multiple thereof. The Bonds bearing a Semi-annual Rate, a Term Rate or a Fixed Rate shall be fully registered Bonds in the denomination of \$5,000 or any integral multiple thereof.

8. The Bonds shall be numbered consecutively from “2005A- [insert “1, 2 or 3”, as appropriate]-1” upwards as issued, or as otherwise provided by the Registrar and Paying Agent. If the Bonds are redesignated to identify one or more additional subseries, the Bonds shall be numbered in accordance with their subseries designation. The Bonds shall mature on the Stated Maturity.

9. The Bonds shall be initially issued in fully registered form, without coupons, and dated their date of first authentication and delivery.

10. Upon any partial Change in the Interest Rate Mode for a subseries of Bonds from an Auction Rate for an Auction Rate Period, there shall be Outstanding an aggregate principal amount of not less than \$10,000,000 of Auction Rate Bonds for such subseries and in the applicable denominations set forth in Section 2.02.7.

Section 2.03. Global Form; Securities Depository. 1. Except as otherwise provided in this Section 2.03, the Bonds in the form of one separate global bond for each subseries shall be registered in the name of the Securities Depository or its nominee and ownership thereof shall be maintained in book entry form by the Securities Depository for the account of the Agent Members thereof.

Except as provided in subsections (3) and (4) of this Section 2.03, the Bonds of any subseries may be transferred, in whole but not in part, only to the Securities Depository or a nominee of the Securities Depository, or to a successor Securities Depository selected or approved by the Authority, with the consent of the Company, the Trustee, the Auction Agent (if any) and the applicable Remarketing Agent for such subseries, or to a nominee of such successor Securities Depository. Each global certificate for the Bonds shall bear a legend substantially to the following effect: “Except as otherwise provided in Section 2.03 of the Indenture, this global bond may be transferred, in whole but not in part, only to the Securities Depository as defined in the Indenture or a nominee of the Securities Depository or to a successor Securities Depository or to a nominee of a successor Securities Depository.”

2. The Authority, the Company, the Trustee, the Registrar and Paying Agent, the Auction Agent (if any) and the applicable Remarketing Agent shall have no responsibility or obligation with respect to:

(a) the accuracy of the records of the Securities Depository or any Agent Member with respect to any beneficial ownership interest in the Bonds;

(b) the delivery to any Agent Member, beneficial owner of the Bonds or other person, other than the Securities Depository or its nominee as registered owner, of any notice with respect to the Bonds;

(c) the payment to any Agent Member, beneficial owner of the Bonds or other person, other than the Securities Depository or its nominee as registered owner, of any amount with respect to the principal or premium, if any, or interest on the Bonds;

(d) its acceptance of any consent given by the Securities Depository or other action taken by the Securities Depository as registered owner; or

(e) the selection by the Securities Depository or any Agent Members of any beneficial owners to receive payment in the event of a partial redemption of Bonds, except for the Trustee's obligations under Section 5.12.

So long as the certificates for the Bonds of any subseries issued under the Indenture are not issued pursuant to subsection (4) of this Section 2.03, the Authority, the Company, the Trustee, the Auction Agent (if any), the applicable Remarketing Agent and the Registrar and Paying Agent may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such series or subseries of Bonds for all purposes whatsoever, including without limitation:

(a) the payment of principal and premium, if any, and interest on such series or subseries of the Bonds;

(b) giving notices of redemption and other matters with respect to such series or subseries of the Bonds; and

(c) registering transfers with respect to such series or subseries of the Bonds.

Payment by the Trustee of principal or redemption price, if any, of and premium, if any, and interest on such Bonds to or upon the order of the Securities Depository or its nominee during any period when it is the registered owner of such Bonds shall be valid and effective to satisfy and discharge fully the Authority's obligation with respect to the amounts so paid.

3. (a) The Authority may discontinue the use of a Securities Depository for the Bonds at the time of a Change in the Interest Rate Mode.

(b) Registered ownership of the Bonds may be transferred on the registration books of the Authority maintained by the Registrar and Paying Agent and the Bonds may be delivered in physical form to the following: (i) any successor Securities Depository or its nominee; or (ii) any person, upon (A) the resignation of the Securities Depository or (B) the termination by the Authority of the use of the Securities Depository from its functions as

depository as set forth in this section, or (C) upon any Change in the Interest Rate Mode to any Adjustable Rate other than an Auction Rate.

(c) Upon any Change in the Interest Rate Mode to an Auction Rate, the Registrar and Paying Agent shall register the Auction Rate Bonds in the name of the Securities Depository or its nominee and on the effective date of such change provide the Company with a list of the Existing Holders of the Auction Rate Bonds.

4. If at any time the Securities Depository notifies the Authority and the Company that it is unwilling or unable to continue as Securities Depository with respect to the Bonds or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Securities Depository is not appointed by the Authority with the consent of the Company, the Trustee, the Auction Agent (if any) and the applicable Remarketing Agent, within ninety (90) days after the Authority and the Company receive notice or become aware of such condition, as the case may be, this Section shall no longer be applicable and the Authority shall execute and the Trustee shall authenticate and deliver certificates representing the Bonds of such series or subseries as provided below. In addition, the Authority may determine at any time, at the request of the applicable Remarketing Agent, that the Bonds shall no longer be represented by global bonds and that the provisions of subsections (1) and (2) above shall no longer apply to such series or subseries of Bonds. In any such event the Authority shall execute and the Trustee shall authenticate and deliver certificates representing the Bonds of such series or subseries as provided below. Certificates for the Bonds of any series or subseries issued in exchange for a global bond pursuant to this subsection shall be registered in such names in authorized denominations as the Securities Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the Authority and the Trustee. The Trustee shall deliver such certificates representing the Bonds of such series or subseries to the persons in whose names such Bonds are so registered on the Business Day immediately preceding the first day of an Auction Period (with respect to Auction Rate Bonds during any Auction Rate Period), or the effective date of a Change in the Interest Rate Mode (with respect to any other Change in the Interest Rate Mode), as the case may be.

5. The Authority and the Trustee are hereby authorized to enter into any arrangements determined necessary or desirable with any Securities Depository in order to effectuate this Section and both of them shall act in accordance with this Indenture and any such agreement. Without limiting the generality of the foregoing, any such arrangements may alter the manner of effecting delivery of Bonds and the transfer of funds for the payment of Bonds to the Securities Depository.

Section 2.04. Limitations on Transfer. So long as the ownership of the Auction Rate Bonds is maintained in book-entry form by the Securities Depository, a beneficial owner or an Existing Holder may sell, transfer or otherwise dispose of Auction Rate Bonds only pursuant to a Bid or Sell Order placed in an Auction or to a Broker-Dealer, provided, however, that (a) sale, transfer or other disposition of Auction Rate Bonds from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such Auction Rate Bonds to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale,

transfer or other disposition for purposes of this Section 2.04 if such Broker-Dealer remains the Existing Holder of the Auction Rate Bonds so sold, transferred or disposed of immediately after such sale, transfer or disposition and (b) in the case of all transfers other than pursuant to Auctions such Broker-Dealer to whom such transfer is made shall advise the Auction Agent of such transfer.

Section 2.05. Application of Bond Proceeds. The proceeds of sale of the Bonds shall be deposited with the Trustee for deposit in the Project Fund to be paid out in accordance with Section 8.01.

Section 2.06. Delivery of the Bonds. The Bonds shall be executed by the Authority substantially in the form prescribed by Section 16.01 and in the manner herein set forth and shall be deposited with the Trustee for authentication, but before the Bonds shall initially be delivered by the Trustee, there shall be filed with the Trustee the following:

- (a) an order executed by an Authorized Officer directing the authentication and delivery of the Bonds to or upon the order of the Securities Depository or its nominee, upon payment to the Trustee of the purchase price therein set forth;
- (b) a fully executed counterpart of this Indenture;
- (c) a fully executed counterpart of the Participation Agreement;
- (d) a fully executed counterpart of the Remarketing Agreement;
- (e) the fully executed Initial Support Facility;
- (f) a fully executed counterpart of the Bond Purchase Trust Agreement;
- (g) the fully executed Note;
- (h) a fully executed counterpart of the Tax Regulatory Agreement;
- (i) an opinion of counsel to the Company, addressed to the Underwriters (as defined in the Bond Purchase Agreement), with reliance letter addressed to the Authority, the Trustee and the Initial Support Facility Issuer, substantially to the effect, and dated as, required by Section 7(d)(8)(ii) of the Bond Purchase Agreement;
- (j) an opinion of counsel to the Initial Support Facility Issuer, addressed to the Initial Support Facility Issuer and the Company, which opinion authorizes the Underwriters (as defined in the Bond Purchase Agreement), the Authority, the Company, and the Trustee, the Registrar and Paying Agent and the Rating Agencies to rely thereon as though such opinion was addressed to them, substantially to the effect required by Section 7(d)(8)(iv) of the Bond Purchase Agreement, respectively; and

(k) an opinion of Bond Counsel to the Authority and the Trustee (i) as to the validity of the Bonds and (ii) that all conditions precedent to the issuance of the Bonds have been met.

When the documents mentioned in clauses (a) to (k), inclusive, of this Section shall have been filed with the Trustee, and when the Bonds shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver the Bonds to the Securities Depository, but only upon payment to the Trustee of the purchase price of the Bonds specified in said order.

ARTICLE III

INTEREST ON BONDS

Section 3.01. Interest on Bonds-General. 1. Interest accruing on Bonds bearing interest at a Commercial Paper Rate, a Daily Rate, a Weekly Rate, a Monthly Rate or a Semi-annual Rate, shall be computed on the basis of a 365- or 366-day year, as applicable, for the number of days actually elapsed. Interest accruing on Bonds bearing interest at a Term Rate or a Fixed Rate shall be computed on the basis of a 360-day year, consisting of twelve (12) thirty (30) day months. Interest accruing on Bonds bearing interest at an Auction Rate during an Auction Period of 180 days or less shall be computed on the basis of a 360-day year for the number of days actually elapsed. Interest accruing on Bonds bearing interest at an Auction Rate during an Auction Period of over 180 days shall be computed on the basis of a 360-day year, consisting of twelve (12) thirty (30) day months. Bonds shall bear interest from the date of issuance thereof payable in arrears on each Interest Payment Date. The Bonds issued upon registration of transfers or exchanges of Bonds shall bear interest from the Interest Payment Date next preceding their date of authentication, unless the date of authentication is an Interest Payment Date in which case such Bonds shall bear interest from such date, or unless the date of authentication is after the Record Date next preceding the next succeeding Interest Payment Date, in which case such Bonds shall bear interest from such next succeeding Interest Payment Date.

2. The Bonds shall initially bear interest at a Weekly Rate during a Weekly Rate Period. Each subseries of Bonds shall bear interest at 3.00% for the period from and including the Closing Date to and including the following Tuesday. From and after any Change in the Interest Rate Mode pursuant to Section 4.01 or 4.02, the Bonds with respect to which such change is effective shall bear interest determined in accordance with the provisions of this Indenture pertaining to the new Adjustable Rate or the Fixed Rate, as the case may be. Bonds shall bear interest for each Calculation Period, Auction Period or Fixed Rate Period, as the case may be, at the rate of interest per annum for such Calculation Period, Auction Period or Fixed Rate Period established in accordance with this Indenture. Interest shall be payable on each Interest Payment Date by check mailed to the registered owner at his or her address as it appears on the registration books kept by the Registrar and Paying Agent pursuant to the Indenture at the close of business on the applicable Record Date; provided, that (i) while the Securities Depository is the registered owner of the Bonds, all payments of principal of, premium, if any, and interest on the Bonds shall be paid to the Securities Depository or its nominee by wire transfer, (ii) prior to and including a Fixed Rate Conversion Date, interest on the Bonds shall be payable to any registered owner of at least one million dollars (\$1,000,000) in aggregate principal amount of Bonds by wire transfer, upon written notice received by the Registrar and Paying Agent at least five (5) days prior to the applicable Record Date, from such registered owner containing the wire transfer address (which shall be in the continental United States) to which such registered owner wishes to have such wire directed and (iii) during a Commercial Paper Rate Period, interest shall be payable on the Bonds only upon presentation and surrender thereof to the Registrar and Paying Agent upon purchase thereof pursuant to Section 5.03 and if such presentation and surrender is made by 2:00 p.m. (New York City time) such payment shall be by wire transfer. If and to the extent that there shall be a default in the payment of the interest

due on any Interest Payment Date, such interest shall cease to be payable to the person in whose name each Bond of such series was registered on such applicable Record Date and shall be payable, when and if paid to the person in whose name each Bond of such series is registered at the close of business on the record date fixed therefor by the Trustee, which shall be the fifth Business Day next preceding the date of the proposed payment. Except as provided above, payment of the principal of and premium, if any, on all Bonds shall be made upon the presentation and surrender of such Bonds at the principal office of the Registrar and Paying Agent as the same shall become due and payable. The principal of and premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America.

3. Not less than one Business Day prior to each Computation Date and two (2) Business Days prior to a Fixed Rate Conversion Date, the Indexing Agent shall establish and provide to the applicable Remarketing Agent the related rate index as set forth in the definition of such rate index in Section 1.01; provided that, for each Calculation Period during a Daily Rate Period, the Indexing Agent shall establish and provide the related rate index to the applicable Remarketing Agent on each Determination Date; and provided further that, for each Calculation Period during a Monthly Rate Period, the Indexing Agent shall establish and provide the related rate index to the applicable Remarketing Agent not later than each Computation Date. Notwithstanding the foregoing, in the event that the applicable Remarketing Agent, in its sole judgment, shall determine on a Determination Date that any Daily Rate Index, Weekly Rate Index or any Commercial Paper Rate Index so established is sufficiently non-representative of current market conditions that the Bonds may not be remarketed at par if such rate is set at a rate not greater than 110% of the applicable rate index, the applicable Remarketing Agent may establish a new rate index on a Determination Date in accordance with the procedures and standards described in the definition of such rate index and for purposes of such rate index so established, all references to Indexing Agent in this Indenture shall be deemed to refer to the applicable Remarketing Agent. On any date when any Weekly Rate Index or any Commercial Paper Rate Index is established by a Remarketing Agent pursuant to this paragraph, such rate index shall have the respective meaning set forth in Section 1.01 (except as otherwise provided in the preceding sentence); provided that for any Commercial Paper Rate Index, the applicable Remarketing Agent shall select securities (whether or not actually issued) having a term approximately equal to the applicable Commercial Paper Rate Period or which are subject to optional or mandatory tender by the owner thereof at the end of a term approximately equal to (or as close thereto as is practicably available) the applicable Commercial Paper Rate Period.

4. By 12:00 noon (New York City time) on each Determination Date or by 3:00 p.m. (New York City time) on each Auction Date, as the case may be, the applicable Remarketing Agent or the Auction Agent, as the case may be, shall make available to the Authority, the Trustee, the Registrar and Paying Agent, any issuer of a Support Facility, the Company, any Broker-Dealer or any registered owner of a Bond the interest rate or rates determined on such Determination Date or Auction Date.

5. If for any reason on any Determination Date (A) any rate of interest for a Calculation Period is not determined by the applicable Remarketing Agent, (B) no Remarketing Agent is serving as such hereunder or (C) the rate so determined is held to be invalid or unenforceable by a final judgment of a court of competent jurisdiction, (i) during any Daily Rate

Period, the interest rate for the next succeeding Calculation Period shall be the last interest rate in effect, or, if a Daily Rate is not determined by the applicable Remarketing Agent hereunder for five or more consecutive Business Days on the next and each succeeding Determination Date, the Daily Rate shall be a rate per annum equal to 80% of the latest 30-day dealer taxable commercial paper rate published by the Federal Reserve Bank of New York on or immediately before such Determination Date, (ii) during any Weekly Rate Period, the interest rate for the next succeeding Calculation Period shall be the last interest rate in effect, or, if a Weekly Rate is not determined by the applicable Remarketing Agent for two or more consecutive Calculation Periods, the Weekly Rate shall be equal to 85% of the latest 30-day dealer taxable commercial paper rate published by the Federal Reserve Bank of New York on or before the day next preceding such Determination Date, (iii) during any Monthly Rate, Semi-annual Rate or Term Rate Period, the interest rate per annum for the next succeeding Calculation Period shall be equal to 85% of the rate listed in the table most recently circulated by the United States Treasury Department known as "Table [applicable dates shown on the most recent Table], Maximum Interest Rate Payable on United States Treasury Certificates of Indebtedness, Notes and Bonds-State and Local Government Series Subscribed for During Period [applicable dates shown on the most recent Table]" or any substantially equivalent table circulated by the United States Treasury Department for the maturity most closely approximating the Calculation Period, and (iv) during any Commercial Paper Rate Period, the next succeeding Calculation Period shall be a Calculation Period which shall consist of the period from and including the prior Interest Payment Date to but excluding the first Business Day of the following calendar month and the Commercial Paper Rate shall be equal to 85% of the interest rate applicable to 90-day United States Treasury Bills determined on the basis of the average per annum discount rate at which such 90-day Treasury Bills shall have been sold at the most recent Treasury auction within the thirty (30) days next preceding such Calculation Period, or if there shall have been no such auction within the thirty (30) days next preceding such Calculation Period, the Commercial Paper Rate shall be equal to the rate of interest borne by such Bond during the next preceding Calculation Period for such Bond. The rate of interest or Calculation Period and related Commercial Paper Rate shall be established pursuant to this subsection 5 until the applicable Remarketing Agent again determines the rates of interest or Calculation Periods and related Commercial Paper Rates in accordance with this Indenture. The Trustee shall, upon the direction of the Company, select any person otherwise meeting the qualifications of Section 11.14 to obtain, calculate and prepare any of the information required by this subsection 5.

6. The determination of any rate of interest for a subseries of Bonds by a Remarketing Agent in accordance with this Indenture or by the Auction Agent in accordance with the Auction Procedures applicable to Auction Rate Bonds, or the establishment of Calculation Periods or Auction Periods by a Remarketing Agent as provided in this Indenture shall be conclusive and binding upon the Authority, the Company, the Trustee, the Registrar and Paying Agent, such Remarketing Agent, the Auction Agent, any issuer of a Support Facility, the Broker-Dealers for such subseries of Bonds and the registered or beneficial owners of such subseries of Bonds. Failure of such Remarketing Agent, the Trustee, the Registrar and Paying Agent, the Auction Agent or the Securities Depository or any Securities Depository participant to give any of the notices described in this Indenture, or any defect therein, shall not affect the interest rate to be borne by any of the Bonds nor the applicable Calculation Period or Auction

Period nor in any way change the rights of the registered owners of the Bonds to tender their Bonds for purchase or to have them redeemed in accordance with this Indenture.

7. No transfer or exchange of Bonds shall be required to be made by the Registrar and Paying Agent after a Record Date until the next succeeding Interest Payment Date.

8. Except as otherwise provided in this subsection 8, the Trustee shall calculate and notify the Registrar and Paying Agent of the amount of interest due and payable on each Interest Payment Date or date on which a Bond is subject to purchase by 10:00 a.m. (New York City time) on the Business Day next preceding such Interest Payment Date or date set for purchase, as the case may be, unless such date is a date on which the interest rate is determined, in which case the amount of interest due and payable shall be calculated by 12:15 p.m. (New York City time) on such date. In preparing such calculation the Trustee may conclusively rely on calculations or other services provided by the Auction Agent, the applicable Remarketing Agent, the Company or any person or persons selected by the Trustee in its discretion. During a Commercial Paper Rate Period, the applicable Remarketing Agent shall notify the Trustee, the Registrar and Paying Agent and the Company of the amount of interest due and payable on each Interest Payment Date by 10:00 a.m. (New York City time) on the Business Day next preceding such Interest Payment Date.

9. Anything herein to the contrary notwithstanding, in no event shall the interest rate borne by any Bond exceed the Maximum Allowed Rate.

10. Notwithstanding anything in this Indenture to the contrary, if Bonds have been in a Term Rate Period and there has been a failure to pay the Purchase Price of such Bonds on the Business Day immediately following a Calculation Period, such Bonds shall continue, to the extent permitted by applicable law, to bear interest at the then-existing Term Rate until such Purchase Price has been paid

Section 3.02. Commercial Paper Rate. 1. During any Commercial Paper Rate Period, at or prior to 12:00 noon (New York City time) on each Determination Date, each Remarketing Agent shall establish Calculation Periods and related Commercial Paper Rates. In determining Calculation Periods, each Remarketing Agent shall take the following factors into account: (i) existing short-term taxable and tax-exempt market rates and indices of such short-term rates, (ii) the existing market supply and demand for short-term tax-exempt securities, (iii) existing yield curves for short-term and long-term tax-exempt securities or obligations having a credit rating that is comparable to the Bonds, (iv) general economic conditions, (v) economic and financial factors present in the securities industry that may affect or that may be relevant to the Bonds and (vi) any information available to such Remarketing Agent pertaining to the Company regarding any events or anticipated events which could have a direct impact on the marketability of or interest rates on the Bonds. Each Remarketing Agent shall select the Calculation Periods and the applicable Commercial Paper Rates that, together with all other Calculation Periods and related Commercial Paper Rates, in the sole judgment of the applicable Remarketing Agent, will result in the lowest overall borrowing cost on the Bonds or are otherwise in the best financial interests of the Company, as determined in consultation with the Company. Any Calculation

Period established hereunder may not extend beyond the second Business Day next preceding the expiration date of the Support Facility or the day prior to the Stated Maturity.

2. The Authority, at the request of the Company, may place such limitations upon the establishment of Calculation Periods pursuant to subsection 1 hereof as may be set forth in a written direction from the Authority, which direction must be received by the Trustee and the applicable Remarketing Agent prior to 10:00 a.m. (New York City time) on the day prior to any Determination Date to be effective on such date, but only if the Trustee receives an Opinion of Bond Counsel to the effect that such action is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 3.03. Auction Rate Period - Auction Rate: Auction Period - General. 1. During any Auction Rate Period, the Auction Rate Bonds shall bear interest at the Auction Rate determined as set forth in this Section 3.03 and Sections 3.04 through 3.10. The initial Auction Period for each subseries of the Bonds immediately after any Change in the Interest Rate Mode to an Auction Rate, shall be a period from and including the effective date of such Change in the Interest Rate Mode to and including the initial Auction Date which shall be determined by the Authority, with notice to the Trustee, on or prior to the effective date of the Change in the Interest Rate Mode. The Auction Rate for any initial Auction Period immediately after any Change in the Interest Rate Mode to an Auction Rate, shall be the rate of interest per annum determined by the applicable Remarketing Agent, with notice to the Trustee, the Authority, the Registrar and Paying Agent and the Company, on a date not later than the effective date of such Change in the Interest Rate Mode as the minimum rate of interest which, in the opinion of such Remarketing Agent, would be necessary as of such date to market Auction Rate Bonds in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate shall not exceed the Maximum Allowed Rate. For any other Auction Period, the Auction Rate shall be the rate of interest per annum that results from implementation of the Auction Procedures. If on any Auction Date, the Auction Agent shall fail to determine, or for any reason fail to timely provide, a rate of interest pursuant to the Auction Procedures, the Auction Rate for the next succeeding Auction Period shall be extended at the same rate and such Auction Period and each succeeding Auction Period shall be a seven-day Auction Period until an Auction Period for which the Auction Agent shall determine and timely provide the rate of interest pursuant to the Auction Procedures; provided, that, after three such periods during which such failure occurs, the Auction Rate shall become the Maximum Auction Rate until an Auction Period for which the Auction Agent shall determine and timely provide the rate of interest pursuant to the Auction Procedures. Determination of an Auction Rate pursuant to the Auction Procedures shall be suspended upon a Change in the Interest Rate Mode or the occurrence of a Payment Default. The Auction Rate for any Auction Period or remaining portion thereof following the occurrence of a Payment Default shall be equal to the Overdue Rate as determined on and as of the immediately preceding Auction Date. Upon the occurrence of a Payment Default that has not been waived or cured on or prior to any Auction Date, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Auction Rate for the next succeeding Auction Period shall equal the Overdue Rate on and as of such Auction Date. In the event of the suspension of the Auction Procedures due to a Payment Default, the Auction Procedures shall resume two (2)

Business Days after the date on which the Auction Agent receives notice from the Trustee that the Payment Default has been cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter. The Overdue Rate shall be determined by the Trustee on each succeeding Auction Date.

2. Auction Periods may be established pursuant to Section 3.04 at any time unless a Payment Default has occurred and has not been cured or waived. Each Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 3.04 and each Auction Period which immediately succeeds a non-Standard Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 3.04.

Section 3.04. Auction Rate Period - Auction Rate Bonds: Change of Auction Period by Authority. 1. During an Auction Rate Period the Authority, at the request of the Company, may change the length of a single Auction Period or the Standard Auction Period by means of a written notice delivered at least ten (10) days prior to the Auction Date for such Auction Period to the Trustee, the applicable Market Agent, the Auction Agent and the Company in substantially the form furnished to the Trustee and the Auction Agent at the time of a Change in the Interest Rate Mode to an Auction Rate. Any Auction Period or Standard Auction Period established by the Authority pursuant to this Section 3.04 may not exceed 365 days in duration. If such Auction Period will be of less than twenty-eight (28) days, such notice shall be effective only if it is accompanied by a written statement of the Registrar and Paying Agent, the Trustee, the applicable Market Agent and the Auction Agent to the effect that they are capable of performing their duties hereunder and under the related Market Agreement and the Auction Agency Agreement with respect to such Auction Period. If such notice specifies a change in the length of the Standard Auction Period, such notice shall be effective only if it is accompanied by the written consent of such Market Agent to such change. The length of an Auction Period or the Standard Auction Period may not be changed pursuant to this Section 3.04 unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period or Standard Auction Period or if a Payment Default has occurred and has not been cured.

2. The change in length of an Auction Period or the Standard Auction Period by the Authority at the request of the Company shall take effect only if (A) the Trustee, any Credit Facility Issuer and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the Authority, on behalf of the Company, by telecopy or similar means in substantially the form furnished to the Trustee and the Auction Agent at the time of a Change in the Interest Rate Mode to an Auction Rate authorizing establishment of and specifying the length of the new Auction Period or the Standard Auction Period, which shall be specified in such certificate, and confirming that Bond Counsel expects to be able to give an Opinion of Bond Counsel on the first day of the Auction Period for which such change is being requested, (B) the Trustee shall not have delivered to the Auction Agent by 12:00 noon (New York City time) on the Auction Date for such Auction Period notice that a Payment Default has occurred, (C) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period, and (D) the Trustee, any Credit Facility Issuer and the Auction Agent receive by 9:30 a.m. (New York City time) on the first day

of such Auction Period, an Opinion of Bond Counsel to the effect that the change in the Auction Period or the Standard Auction Period is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on such Bonds from gross income for federal income tax purposes. If the condition referred to in (A) above is not met, the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures and the next succeeding Auction Period shall be a Standard Auction Period. If any of the conditions referred to in (B), (C) or (D) above is not met, the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined as of such Auction Date and the next succeeding Auction Period shall be a seven day Auction Period.

3. On the Auction Date immediately preceding the effective date of any change in the length of an Auction Period or the Standard Auction Period, any Auction Rate Bonds which are not the subject of a specific Order shall be deemed to be subject to a Sell Order.

4. In the event of a Change in the Interest Rate Mode to an Auction Rate, the Authority, at the request of the Company, shall determine the length of the initial Auction Period and may change the length of a single or the Standard Auction Period by means of a written notice delivered on or prior to the effective date of such Change in the Interest Rate Mode to an Auction Rate to the Trustee, the applicable Market Agent, the Auction Agent and the Credit Facility Issuer. Notwithstanding anything to the contrary in paragraphs 1 and 2 of this Section 3.04, the determination of the initial Auction Period shall take effect on the effective date of such Change in the Interest Rate Mode to an Auction Rate. Notwithstanding anything to the contrary in paragraphs 1 and 2 of this Section 3.04, the change in the length of a single Auction Period or the Standard Auction Period shall take effect only if the Trustee, the Credit Facility Issuer and the Auction Agent receive on the effective date of such Change in the Interest Rate Mode to an Auction Rate, an Opinion of Bond Counsel to the effect that the change in the Auction Period or the Standard Auction Period is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on such Bonds from gross income for federal income tax purposes.

Section 3.05. Auction Rate Period - Auction Rate Bonds: Change of Auction Date by Market Agent. During an Auction Rate Period the Market Agent for a subseries of Bonds, with the written consent of the Company, may change, in order to conform with then-current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date, the Auction Date for all future Auction Periods relating to the applicable subseries of Bonds to a different day, so long as the first such Auction Date will be a Business Day in the calendar week in which the next succeeding Auction Date is then scheduled to occur. If a change in an Auction Date is undertaken in conjunction with a change in an Auction Period and the conditions for the establishment of such change in Auction Period are not met, the Auction Date may be, and the next succeeding Auction Period may be adjusted to end on, a Business Day in the calendar week in which such Auction Date was scheduled to occur and such Auction Period was scheduled to end to accommodate the change in the Auction Date. Such Market Agent shall communicate its determination to change an Auction Date by means of a written notice delivered at least ten (10) days prior to the Auction Date immediately preceding such Auction Date, or with respect to a Change in the Interest Rate Mode to an Auction Rate on or

prior to the effective date of such Change in the Interest Rate Mode, to the Authority, the Trustee, the Auction Agent and the Company which shall state (i) the determination of such Market Agent to change the Auction Date, (ii) the new Auction Date and (iii) the date on which such Auction Date shall be changed. If as a result of any proposed change in the Auction Date any Auction Period would be less than twenty-eight (28) days in duration, such notice shall be effective only if it is accompanied by a written statement of the Auction Agent, the Registrar and Paying Agent and the Trustee to the effect that they are capable of performing their duties hereunder and under the Auction Agency Agreement with respect to any such Auction Period.

Section 3.06. Auction Rate Period - Auction Rate Bonds: Orders by Existing Holders and Potential Holders. (a) Prior to the Submission Deadline on each Auction Date during the Auction Rate Period, the following orders may be submitted:

(i) each Existing Holder may submit to the Broker-Dealer by telephone or otherwise information as to:

(A) the principal amount of Auction Rate Bonds, if any, held by such Existing Holder which such Existing Holder desires to continue to hold without regard to the Auction Rate for the next succeeding Auction Period;

(B) the principal amount of Auction Rate Bonds, if any, held by such Existing Holder which such Existing Holder offers to sell if the Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Existing Holder and/or

(C) the principal amount of Auction Rate Bonds, if any, held by such Existing Holder which such Existing Holder offers to sell without regard to the Auction Rate for the next succeeding Auction Period;

(ii) one or more Broker-Dealers may contact Potential Holders by telephone or otherwise to determine the principal amount of Auction Rate Bonds which each such Potential Holder offers to purchase if the Auction Rate for the next succeeding Auction Period shall not be less than the interest rate per annum specified by such Potential Holder.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (i)(A), (i)(B) or (i)(C) or clause (ii) above is hereinafter referred to as an "Order" and collectively as "Orders" and each Existing Holder and each Potential Holder placing an Order is hereinafter referred to as a "Bidder", and collectively as "Bidders"; an Order containing the information referred to in clause (i)(A) above is hereinafter referred to as a "Hold Order" and collectively as "Hold Orders"; an Order containing the information referred to in clause (i)(B) or clause (ii) above is hereinafter referred to as a "Bid" and collectively as "Bids"; and an Order containing the information referred to in clause (i)(C) above is hereinafter referred to as a "Sell Order" and collectively as "Sell Orders". The submission by a Broker-Dealer of an Order to the Auction Agent shall likewise be referred to herein as an "Order" and collectively as "Orders".

Orders may be submitted in principal amounts of \$25,000 or any integral multiple thereof.

(b) (i) Subject to the provisions of Section 3.07, a Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(A) the principal amount of Auction Rate Bonds specified in such Bid if the Auction Rate determined on such Auction Date shall be less than the interest rate per annum specified therein; or

(B) such principal amount or a lesser principal amount of Auction Rate Bonds to be determined as set forth in subsection (a)(iv) of Section 3.09 if the Auction Rate determined on such Auction Date shall be equal to the interest rate per annum specified therein; or

(C) such principal amount or a lesser principal amount of Auction Rate Bonds to be determined as set forth in subsection (b)(iii) of Section 3.09 if such specified rate shall be higher than the Maximum Auction Rate and Sufficient Clearing Bids do not exist.

(ii) Subject to the provisions of Section 3.07, a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(A) the principal amount of Auction Rate Bonds specified in such Sell Order; or

(B) such principal amount or a lesser principal amount of Auction Rate Bonds as set forth in subsection (b)(iii) of Section 3.09 if Sufficient Clearing Bids do not exist.

(iii) Subject to the provisions of Section 3.07, a Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(A) the principal amount of Auction Rate Bonds specified in such Bid if the Auction Rate determined on such Auction Date shall be higher than the rate specified therein; or

(B) such principal amount or a lesser principal amount of Auction Rate Bonds as set forth in subsection (a)(v) of Section 3.09 if the Auction Rate determined on such Auction Date shall be equal to such specified rate.

Section 3.07. Auction Rate Period - Auction Rate Bonds: Submission of Orders by Broker-Dealers to Auction Agent. (a) During an Auction Rate Period each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer, and shall specify with respect to each such Order:

(i) the name of the Bidder placing such Order;

(ii) the aggregate principal amount of Auction Rate Bonds that are subject to such Order;

(iii) to the extent that such Bidder is an Existing Holder:

(A) the principal amount of Auction Rate Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(B) the principal amount of Auction Rate Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid;
and

(C) the principal amount of Auction Rate Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(iv) to the extent such Bidder is a Potential Holder, the principal amount of Auction Rate Bonds subject to any Bid placed by such Potential Holder and the rate specified in such Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(c) If an Order or Orders covering all Auction Rate Bonds held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Auction Rate Bonds held by such Existing Holder and not subject to Orders submitted to the Auction Agent; provided, however, that if there is a change in the length of the Auction Period or Standard Auction Period in accordance with Section 3.04 hereof or an amendment or supplement to the Indenture or the Participation Agreement in accordance with Section 14.02 or 14.07 hereof, as the case may be, and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of Auction Rate Bonds that are subject to such change in the length of the Auction Period or Standard Auction Period or amendment or supplement, as the case may be, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Holder covering the principal amount of Auction Rate Bonds subject to such change or amendment or supplement and not subject to Orders submitted to the Auction Agent.

(d) Neither the Authority, the Company, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder.

(e) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Auction Rate Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(i) all Hold Orders shall be considered valid, but only up to and including the principal amount of Auction Rate Bonds held by such Existing Holder, and, if the aggregate principal amount of Auction Rate Bonds subject to such Hold Orders exceeds the aggregate principal amount of Auction Rate Bonds held by such Existing Holder, the aggregate principal amount of Auction Rate Bonds subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of Auction Rate Bonds held by such Existing Holder;

(ii) (A) any Bid shall be considered valid up to and including the excess of the principal amount of Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to any Hold Orders referred to in paragraph (i) above;

(B) subject to clause (A) above, if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Auction Rate Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and, the principal amount of Auction Rate Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Auction Rate Bonds equal to such excess;

(C) subject to clauses (A) and (B) above, if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(D) in any such event, the aggregate principal amount of Auction Rate Bonds, if any, subject to any portion of Bids not valid under this paragraph (ii) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(iii) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to valid Hold Orders referred to in paragraph (i) of this subsection (e) and valid Bids referred to in paragraph (ii) of this subsection (e).

(f) If more than one Bid for Auction Rate Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid for Auction Rate Bonds with the rate and principal amount therein specified.

(g) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Auction Rate Bonds not equal to \$25,000 or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential

Holder covering an aggregate principal amount of Auction Rate Bonds not equal to \$25,000 or an integral multiple thereof shall be rejected.

Section 3.08. Auction Rate Period—Auction Rate Bonds: Determination of Sufficient Clearing Bids, Winning Bid Rate and Auction Rate. (a) During an Auction Rate Period not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a “Submitted Hold Order,” a “Submitted Bid” or a “Submitted Sell Order,” as the case may be, or as a “Submitted Order”) and shall determine:

(i) the excess of the total principal amount of Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the “Available Auction Rate Bonds”); and

(ii) from the Submitted Orders whether the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Auction Rate exceeds or is equal to the sum of:

(A) the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Auction Rate; and

(B) the aggregate principal amount of Auction Rate Bonds subject to Submitted Sell Orders

(in the event of such excess or such equality (other than because the sum of the principal amounts of Auction Rate Bonds in clauses (A) and (B) above is zero because all of the Auction Rate Bonds are subject to Submitted Hold Orders), such Submitted Bids by Potential Holders are hereinafter referred to collectively as “Sufficient Clearing Bids”); and

(iii) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids (the “Winning Bid Rate”) which if:

(A) (I) each Submitted Bid from Existing Holders specifying such lowest rate and (II) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus requiring such Existing Holders to continue to hold the principal amount of Auction Rate Bonds that are the subject of such Submitted Bids; and

(B) (I) each Submitted Bid from Potential Holders specifying such lowest rate and (II) all other Submitted Bids from Potential Holders specifying lower rates were accepted, would result in such Existing Holders described in clause (A) above continuing to hold an aggregate principal amount of Auction

Rate Bonds which, when added to the aggregate principal amount of Auction Rate Bonds to be purchased by such Potential Holders described in clause (B) above, would equal not less than the Available Auction Rate Bonds.

(b) Promptly after the Auction Agent has made the determinations pursuant to subsection (a) of this Section 3.08, the Auction Agent, by telecopy confirmed in writing, shall advise the Company, the Trustee and the Broker-Dealers of the Maximum Auction Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Auction Period as follows:

- (i) if Sufficient Clearing Bids exist, the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Winning Bid Rate so determined;
- (ii) if Sufficient Clearing Bids do not exist (other than because all of the Auction Rate Bonds are the subject of Submitted Hold Orders), the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Maximum Auction Rate; and
- (iii) if all of the Auction Rate Bonds are subject to Submitted Hold Orders, the Auction Rate for the next succeeding Auction Period therefor shall be equal to the All Hold Rate.

Section 3.09. Auction Rate Period - Auction Rate Bonds: Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Auction Rate Bonds. During an Auction Rate Period Existing Holders shall continue to hold the principal amounts of Auction Rate Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to subsection (a) of this Section 3.09, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected, and the Auction Agent shall take such other actions as are set forth below:

(a) If Sufficient Clearing Bids exist, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (e) and (f) of this Section 3.09, Submitted Bids shall be accepted or rejected as follows in the following order of priority:

- (i) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;
- (ii) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus requiring each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;
- (iii) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential

Holder to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(iv) each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus requiring such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid, unless the aggregate principal amount of Auction Rate Bonds subject to all such Submitted Bids shall be greater than the principal amount of Auction Rate Bonds (the "remaining principal amount") equal to the excess of Available Auction Rate Bonds over the aggregate principal amount of the Auction Rate Bonds subject to Submitted Bids described in paragraphs (ii) and (iii) of this subsection (a), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Auction Rate Bonds subject to such Submitted Bid, but only in an amount equal to the principal amount of Auction Rate Bonds obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Auction Rate Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(v) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Auction Rate Bonds obtained by multiplying the excess of the Available Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in paragraphs (ii), (iii) and (iv) of this subsection (a) by a fraction the numerator of which shall be the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amount of Auction Rate Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(b) If Sufficient Clearing Bids do not exist (other than because all of the Auction Rate Bonds are subject to Submitted Hold Orders), subject to the provisions of subsection (e) of this Section 3.09, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(i) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be rejected, thus requiring each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(ii) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be accepted, thus requiring

each such Potential Holder to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids; and

(iii) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus requiring each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Auction Rate Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Auction Rate Bonds obtained by multiplying the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in paragraph (ii) of this subsection (b) by a fraction, the numerator of which shall be the aggregate principal amount of Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Auction Rate Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(c) If all Auction Rate Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(d) If (i) the Auction Agent shall fail to determine, or for any reason fail to timely provide, an interest rate pursuant to the Auction Procedures or (ii) the conditions set forth in subsection 2 of Section 3.04 to effect a change in the Auction Period are not met, all Submitted Bids and Submitted Sell Orders shall be rejected and the existence of Sufficient Clearing Bids shall be of no effect.

(e) If, as a result of the procedures described in subsection (a) or (b) of this Section 3.09, any Existing Holder would be required to sell, or any Potential Holder would be required to purchase, a principal amount of Auction Rate Bonds that is not equal to \$25,000 or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of such Auction Rate Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount purchased or sold by each Existing Holder or Potential Holder shall be equal to \$25,000 or an integral multiple thereof.

(f) If, as a result of the procedures described in subsection (a) of this Section 3.09, any Potential Holder would be entitled or required to purchase less than \$25,000 in aggregate principal amount of Auction Rate Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Auction Rate Bonds for purchase among Potential Holders so that only Auction Rate Bonds in principal amounts of \$25,000 or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any Auction Rate Bonds.

(g) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amounts of Auction Rate Bonds to be purchased and the aggregate principal amounts of Auction Rate Bonds to be sold by Potential Holders and Existing Holders

on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Auction Rate Bonds to be sold differs from such aggregate principal amount of Auction Rate Bonds to be purchased, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers or Auction Rate Bonds such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of Auction Rate Bonds such Broker-Dealer shall receive, as the case may be, Auction Rate Bonds.

(h) None of the Authority, the Company or any Affiliate thereof may submit an Order in any Auction except as set forth in the next sentence. Any Broker-Dealer that is an Affiliate of the Company may submit Orders in an Auction but only if such Orders are not for its own account, except that if such affiliated Broker-Dealer holds Auction Rate Bonds for its own account, it must submit a Sell Order on the next Auction Date with respect to such Auction Rate Bonds.

Section 3.10. Auction Rate Period - Auction Rate Bonds: Adjustment in Percentage. 1. During an Auction Rate Period, the Market Agent for a subseries of Bonds may adjust the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate for such subseries of Bonds if any such adjustment is necessary, in the judgment of such Market Agent, to reflect any Change of Preference Law such that the All Hold Rate and Maximum Auction Rate shall have substantially equal market values before and after such Change of Preference Law. In making any such adjustment, such Market Agent shall take the following factors, as in existence both before and after such Change of Preference Law, into account: (i) short-term taxable and tax-exempt market rates and indices of such short-term rates, (ii) the market supply and demand for short-term tax-exempt securities, (iii) yield curves for short-term and long-term tax-exempt securities or obligations having a credit rating that is comparable to the Bonds, (iv) general economic conditions and (v) economic and financial factors present in the securities industry that may affect or that may be relevant to the Bonds.

2. A Market Agent shall communicate its determination to adjust the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate pursuant to Subsection 1 hereof by means of a written notice delivered at least ten days prior to the Auction Date on which such Market Agent desires to effect the change to the Authority, the Trustee, the Auction Agent and the Company. Such notice is required to state the determination of such Market Agent to change such percentage and the date such adjustment is proposed to take effect (which date shall be an Auction Date). Such notice shall be effective only if it is accompanied by the form of opinion that Bond Counsel expects to be able to give on such Auction Date to the effect that such adjustment is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Auction Rate Bonds from gross income for federal income tax purposes. The Auction Agent is required to mail notice thereof to the Existing Holders within two Business Days of receipt thereof.

3. An adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall take effect

on an Auction Date only if (A) the Trustee, any Credit Facility Issuer and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding such Auction Date, a certificate from the applicable Market Agent by telecopy or similar means, (i) authorizing the adjustment of the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate which shall be specified in such authorization, and (ii) confirming that Bond Counsel expects to be able to give an opinion on such Auction Date to the effect that the adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Auction Rate Bonds from gross income for federal income tax purposes, and (B) the Trustee, any Credit Facility Issuer and the Auction Agent receive by 9:30 a.m. (New York City time) on such Auction Date, an Opinion of Bond Counsel to the effect that the adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Auction Rate Bonds from gross income for federal income tax purposes. If the condition referred to in (A) above is not met, the existing percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall remain in effect and the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures. If the condition referred to in (B) above is not met, the existing percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall remain in effect and the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined on such Auction Date and the Auction Period shall be a seven-day Auction Period.

The written notice of the Authority must further state that the Indenture provides that the conversion is conditioned on the Bonds being rated no less than “A” by S&P, “A2” by Moody’s or “A” by Fitch as of the effective date of the Change in the Interest Rate Mode. A Change in the Interest Rate Mode may only be effected on a day on which the affected Bonds may be redeemed at the option of the Authority.

(D) with respect to any Change in the Interest Rate Mode to an Adjustable Rate (other than to an Auction Rate or a Term Rate for a Calculation Period in excess of thirteen

If any of the conditions referred to in (B), (C), (D) or (E) above is not met with respect to any Change in the Interest Rate Mode from an Auction Rate, the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined on such Auction Date and the Auction Period shall be a seven-day Auction Period. If any of the conditions referred to in (B), (C), (D) or (E) above is not met with respect to any Change in the Interest Rate Mode from a Term Rate, the Bonds shall continue to bear interest at the current Term Rate, and be subject to the provisions of this Indenture applicable thereto while the Bonds bear interest at such current Term Rate. If any of the foregoing conditions for a Change in the Interest Rate Mode from a Term Rate is not met, the Trustee shall mail, or cause the Registrar and Paying Agent to mail to the Authority, the Company and the Holders notice thereof in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit D** hereto within three (3) Business Days after the failure to meet any of such conditions.

Section 4.02. Optional Conversion to a Fixed Rate. 1. The Authority reserves the right, at the request of the Company, to fix the rate of interest per annum which Bonds will bear, in whole or in part, for the balance of the term thereof or until the effective date of a Change in the Interest Rate Mode; provided however, that the Authority shall not exercise such right and the Company shall not request the Authority to exercise such right except on a day on which the affected Bonds may be redeemed at the option of the Authority. In the event the Authority, at the request of the Company, as herein provided, exercises its Option to Convert, the Bonds so converted shall cease to bear interest at the Adjustable Rate then borne by the Bonds and shall bear interest at a Fixed Rate until maturity, subject to the terms and conditions hereof (the date on which a Fixed Rate shall take effect being herein called a "Fixed Rate Conversion Date"). The Option to Convert may be exercised at any time through a written notice given by

the Authority, at the direction of the Company, not less than thirty (30) nor more than forty-five (45) days prior to the proposed Fixed Rate Conversion Date to the Trustee, the Registrar and Paying Agent, the applicable Remarketing Agent, any Support Facility Issuer (and the Auction Agent and the Securities Depository in the case of any change to a Fixed Rate from an Auction Rate), in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit A** hereto. A notice of conversion to a Fixed Rate shall be effective only if it is accompanied by the form of opinion that Bond Counsel expects to give on the Fixed Rate Conversion Date to the effect that the establishment of a Fixed Rate is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on such Bonds from gross income for federal income tax purposes.

2. The Trustee shall mail, or cause the Registrar and Paying Agent to mail, the notice received pursuant to Subsection 1 of this Section 4.02 to the Holders at least 15 days prior to the proposed effective date of the Change in the Interest Rate Mode.

3. A Fixed Rate shall take effect only if

(i) by 9:30 a.m. (New York City time) an Opinion of Bond Counsel to the effect that the conversion to a Fixed Rate is authorized by this Indenture, is permitted

under the Act and will not have an adverse effect on the exclusion of interest on such Bonds from gross income for federal income tax purposes;

(ii) by 4:00 p.m. (New York City time) a certificate in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit C** hereto, from an Authorized Company Representative that all of the Bonds tendered or deemed tendered have been purchased at a price equal to the principal amount thereof plus premium, if any, plus any accrued and unpaid interest with funds provided from the remarketing of such Bonds in accordance with the Remarketing Agreement, from the proceeds of a Support Facility, or from funds deposited with the Trustee or the Registrar and Paying Agent; and

(iii) by 2:00 p.m. (New York City time) evidence satisfactory to it that the Bonds to be converted shall be rated at least "A" by S&P or "A2" by Moody's or "A" by Fitch or an equivalent rating by any nationally recognized rating agency on the Fixed Rate Conversion Date.

If any of the conditions referred to in (A)(i) or (A)(ii) above is not met with respect to any Change in the Interest Rate Mode from an Auction Rate to a Fixed Rate, the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures applicable to the Auction Rate Bonds. If any of the foregoing conditions for a Change in the Interest Rate Mode from a Term Rate to a Fixed Rate is not met, the Trustee shall mail, or cause the Registrar and Paying Agent to mail to the Authority, the Company and the Holders notice thereof in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit D** hereto within three (3) Business Days after the failure to meet any of such conditions.

Section 4.03. Conversion Generally. 1. In the event of a Change in the Interest Rate Mode on less than all the Bonds of a subseries to or from an Auction Rate, the minimum aggregate principal amount of Bonds of a subseries that continue to bear, or are adjusted to bear interest at an Auction Rate for an Auction Rate Period, shall not be less than \$10,000,000 for such Auction Rate Bonds.

2. Upon any Change in the Interest Rate Mode, the Authority and the Trustee, shall take all steps necessary to comply with any agreement entered into with a Securities Depository or its nominee pursuant to Section 2.03(5) with respect to such Change in the Interest Rate Mode, including, without limitation, the purchase and designation of sufficient CUSIP numbers to comply with the requirements of such Securities Depository following any such Change in the Interest Rate Mode.

3. If the interest rate on less than all Bonds of any subseries is to be converted to a new Adjustable Rate pursuant to Section 4.01 or to a Fixed Rate pursuant to Section 4.02, the particular Bonds of such subseries to be converted shall be chosen by the Trustee by lot, or the Trustee shall direct the Registrar and Paying Agent to so choose by lot; provided, however, that the portion of any Bond to be converted shall be in the principal amount of \$100,000 or any integral multiple of such amount during a Commercial Paper Rate Period, a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period, \$25,000 or any integral multiple thereof during an Auction Rate Period, or \$5,000 or any integral multiple thereof at any other time and that, in selecting Bonds for conversion, the Trustee or Registrar and Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such registered Bond in excess of \$100,000 by \$100,000 during a Commercial Paper Rate Period, a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period, \$25,000 during an Auction Rate Period, and \$5,000 at any other time (such amounts being hereinafter referred to as the "applicable units of principal amount"). If it is determined that one or more, but not all of the \$100,000, \$25,000 or \$5,000 units of principal amount represented by any such Bond is to be converted, then upon notice of intention to convert such \$100,000, \$25,000 or \$5,000 unit or units pursuant to Sections 4.01 or 4.02, as the case may be, the Holders of such Bonds shall forthwith surrender such Bonds to the Registrar and Paying Agent for (1) payment of the purchase price (including the premium, if any, and accrued and unpaid interest to the date fixed for conversion) of the \$100,000, \$25,000 or \$5,000 unit or units of principal amount called for conversion and (2) exchange for a new Bond or Bonds of the same subseries in the aggregate principal amount of the balance of the principal of such Bonds not subject to conversion. If the Holders of any such Bond of a denomination greater than \$100,000, \$25,000 or \$5,000 shall fail to present such Bond to the Registrar and Paying Agent, for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for conversion to the extent of the \$100,000, \$25,000 or \$5,000 unit or units of principal amount subject to such conversion (and to that extent only).

4. Notwithstanding anything in this Article IV to the contrary, the Authority may not effect a Change in the Interest Rate Mode pursuant to Section 4.01 or 4.02 if such action would require the payment of a premium as part of the Purchase Price upon purchase of Bonds pursuant to Section 5.04 unless there shall have been deposited the full amount of such premium in trust with the Trustee prior to any notification of a Change in the Interest Rate Mode pursuant to Section 4.01 or 4.02.

Section 5.06. Special Tax Redemption Provisions. 1. During any Semi-annual Rate Period, Term Rate Period or Fixed Rate Period, the Bonds shall be subject to mandatory redemption as a whole (provided, however, that the Bonds shall be redeemed in part if the Company obtains an Opinion of Bond Counsel to the effect that, by redeeming such portion of the Bonds, the interest on the remaining Bonds will not be included for federal income tax purposes in the gross income of any owner of the Bonds (other than an owner who is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a)(1) of the Code)) at any time at a redemption price equal to 100% of the principal amount thereof, together with unpaid interest accrued thereon to the redemption date, if, in a published or private ruling of the Internal Revenue Service or in a final, nonappealable judicial decision by a court of competent jurisdiction (provided that the Company has been afforded the opportunity to

participate at its own expense in the proceeding resulting in such ruling or in the litigation resulting in such decision, as the case may be), it is determined that, as a result of a failure by the Company to observe any covenant, agreement or representation in the Participation Agreement or the Tax Regulatory Agreement, interest on the Bonds is included for federal income tax purposes in the gross income (as defined in Section 61 of the Code) of any owner of a Bond (other than a “substantial user” of the Project or a “related person” within the meaning of Section 147(a)(1) of the Code), and, in such event, the Bonds shall be subject to such mandatory redemption not more than 180 days after receipt by the Trustee of notice of such published or private ruling or judicial decision and a demand for redemption of the Bonds. The occurrence of an event requiring the redemption of the Bonds under this paragraph does not constitute an event of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

2. During any Semi-annual Rate Period, Term Rate Period or Fixed Rate Period, the Bonds may be redeemed in whole or in part at any time at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon to the redemption date, if the Company has determined, on the basis of the advice of Bond Counsel that, as a result of any action taken or expected to be taken, or a failure to take action, a reasonable risk exists that interest on the Bonds will not be excludable from gross income for federal tax purposes. Such conclusion and certification shall be evidenced by delivery to the Trustee of a written certificate of an Authorized Company Representative to the effect that the Company has reached such conclusion, together with a copy of such advice of Bond Counsel. The occurrence of an event permitting the redemption of the Bonds under this paragraph does not constitute an event of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

3. During any Semi-annual Rate Period, Term Rate Period or Fixed Rate Period, the Bonds will also be subject to mandatory redemption at a redemption price equal to one hundred three percent (103%) of the principal amount thereof plus unpaid interest accrued thereon to the redemption date if the Company reasonably concludes and certifies to the Trustee that the business, properties, condition (financial or otherwise), operations or business prospects of the Company will be materially and adversely affected unless the Company takes or omits to take a specified action and that the Company has been advised in writing by Bond Counsel that the specified action or omission would cause the use of the Project to be such that, pursuant to Section 150 of the Code, the Company would not be entitled to deduct the interest on the Bonds for purposes of determining the Company’s federal taxable income, for a period of not less than ninety (90) consecutive or nonconsecutive days during a twelve-month period. Such conclusion and certification shall be evidenced by delivery to the Trustee of a written certificate of an Authorized Company Representative to the effect that the Company has reached such conclusion, together with a certified copy of a resolution of the Board of Trustees of the Company authorizing such certificate and a copy of such advice of Bond Counsel. In the event that the Bonds become subject to redemption as provided in this paragraph, the Bonds will be redeemed in whole unless redemption of a portion of the Bonds outstanding would, in the Opinion of Bond Counsel, have the result that interest payable on the Bonds remaining

outstanding after such redemption would be deductible for purposes of determining the federal taxable income of the Company, and, in such event, the Bonds to be redeemed shall be selected (in the principal amount of \$5,000 or any integral multiple thereof) by lot, in such amount as is necessary to accomplish that result. The occurrence of an event requiring the redemption of the Bonds under this paragraph does not constitute an event of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

Section 5.07. Redemption at Demand of the State of New York. Under the provisions of Section 1864 of the Act, the State of New York may, upon furnishing sufficient funds therefor, require the Authority to redeem, prior to maturity, as a whole, the Bonds on any Interest Payment Date not less than twenty years after the Closing Date at a redemption price of 105% of their face value and accrued interest or at such lesser redemption price as may be provided for a redemption at that time pursuant to Section 5.01 hereof. The Authority shall deposit any such funds received by it with the Trustee. During any period during which no Direct-Pay Credit Facility is in effect, the Trustee shall deposit any such funds in the Bond Fund and, upon notice published in the manner provided in Section 1864 of the Act, shall apply such funds to the redemption of the Bonds. During any period in which a Direct-Pay Credit Facility is in effect, the Trustee shall deposit any such funds received by it in a segregated sub-account in the Bond Fund, and upon notice published in the manner provided in Section 1864 of the Act, shall draw moneys under the related Credit Facility pursuant to Article IX and apply such payment to the redemption of the Bonds at the price and in the manner specified in the preceding sentence. Upon the application of such Credit Facility payments, the Trustee shall pay the funds furnished by the State of New York to the issuer of the Credit Facility with instructions to apply such funds to the reimbursement of the issuer of the Credit Facility for such Credit Facility payment. Upon such redemption and notwithstanding anything to the contrary in this Indenture, the Trustee shall assign the Note relating to the Bonds to or as directed by the Authority.

Section 5.08. Mandatory Tender for Purchase Upon Expiration of any Support Facility or Upon Delivery of an Alternate Support Facility. 1. Except as otherwise set forth in the last sentence of this subsection 1, on the second Business Day next preceding the date of expiration of any Support Facility, the Bonds to which such Support Facility applies shall be subject to mandatory purchase at the Purchase Price, unless on or prior to the 35th day prior to such date of expiration the Company on behalf of the Authority has furnished to the Trustee an extension of such Support Facility. The Bonds shall also be subject to mandatory purchase at the Purchase Price, on the date there is delivered an Alternate Support Facility relating to such Bonds meeting the requirements of Section 6.02. No tender for purchase of any Bonds shall be required pursuant to this Section 5.08 during an Auction Rate Period or a Fixed Rate Period.

2. Notice of the mandatory tender for purchase pursuant to this Section 5.08 shall be given on or prior to the 30th day before the expiration date of the expiring Support Facility or on or prior to the 30th day before the delivery of any Alternate Support Facility, as the case may be, by the Trustee in the name of the Authority (with copies thereof given to the Authority, the Remarketing Agent, the issuer of a Support Facility, the Company and the Registrar and Paying Agent) by first-class mail to the Holders of the Bonds subject to mandatory tender for purchase at their addresses shown on the books of registry. Such notice shall be in

substantially the form attached hereto as, or contain substantially the information contained in, **Exhibit F** hereto.

3. Bonds held by or for the account of the Company or the issuer of a Liquidity Facility are not subject to mandatory tender for purchase pursuant to this Section 5.08.

Section 5.09. Mandatory Tender Upon Occurrence of any Terminating Event. 1. Except as otherwise set forth in the last sentence of this subsection 1, upon the occurrence of any Terminating Event with respect to the Bonds, the Bonds shall be subject to mandatory tender for purchase at the Purchase Price on a Business Day selected by the Trustee; provided, however, that (i) such mandatory tender shall not occur later than the 5th day after receipt of notice of the Terminating Event by the Trustee and (ii) such mandatory tender date shall be a Business Day. Bonds will not be subject to mandatory tender for purchase pursuant to this Section 5.09 during any Auction Rate Period or any Fixed Rate Period.

2. Notice of the mandatory tender for purchase required by this Section 5.09 shall be in substantially the form attached hereto as, or contain substantially the information contained in, **Exhibit F** hereto and shall be given to the Holders of the applicable subseries of Bonds subject to mandatory tender for purchase at their addresses shown on the books of registry on or before the first Business Day after receipt of notice of a Terminating Event from the issuer of the applicable Support Facility by the Trustee, in the name of the Authority, or the Trustee shall cause the Registrar and Paying Agent to give such notice, by first-class mail to the Holders of the Bonds subject to purchase at their address shown on the books of registry (with copies thereof given to the Authority, the applicable Remarketing Agent, the Company and the Registrar and Paying Agent).

3. Bonds held by or for the account of the Company or the issuer of a Liquidity Facility are not subject to mandatory tender for purchase pursuant to this Section 5.09.

Section 5.10. General Provisions Applicable to Mandatory and Optional Tenders for Purchase of Bonds. 1. If interest has been paid on the Bonds, or an amount sufficient to pay interest thereon has been deposited in the Bond Fund, or an amount sufficient to pay accrued interest thereon, if any, has been set aside in the Bond Purchase Fund held under the Bond Purchase Trust Agreement, and the Purchase Price shall be available in the Bond Purchase Fund for payment of Bonds subject to tender for purchase pursuant to Section 5.03, 5.04, 5.08 or 5.09, and if any Holder fails to deliver or does not properly deliver the Bonds to the Registrar and Paying Agent for which a Notice of Election to Tender has been properly filed or which are subject to mandatory tender for purchase on the purchase date therefor, such Bonds shall nevertheless be deemed tendered and purchased on the date established for the purchase thereof, no interest shall accrue on such Bonds from and after the date of purchase and such former Holders shall have no rights hereunder as the registered owners of such Bonds, except the right to receive the Purchase Price of and interest to the purchase date, if any, on such Bonds upon delivery thereof to the Registrar and Paying Agent in accordance with the provisions hereof. The purchaser of any such Bonds remarketed by the Remarketing Agent, or the issuer of any Support Facility, to the extent Bonds are purchased with the proceeds of a draw on, or borrowing or payment under, the Support Facility, shall be treated as the registered owner thereof for all

purposes of the Indenture. The payment of the Purchase Price of Bonds pursuant to Section 5.03 shall be subject to delivery of such Bonds duly endorsed in blank for transfer or accompanied by an instrument of transfer thereof in form satisfactory to the Registrar and Paying Agent executed in blank for transfer at the principal office of the Registrar and Paying Agent at or prior to 10:00 a.m. (11:30 a.m. for Bonds bearing interest at the Weekly Rate and 12:00 noon, for Bonds bearing interest at the Daily Rate) (New York City time), on a specified purchase date. The Registrar and Paying Agent may refuse to make payment with respect to any Bonds tendered for purchase pursuant to Sections 5.03, 5.04, 5.08 or 5.09 not endorsed in blank or for which an instrument of transfer satisfactory to the Registrar and Paying Agent has not been provided.

2. The Purchase Price of Bonds subject to tender for purchase pursuant to Section 5.03, 5.04, 5.08 or 5.09 in an aggregate principal amount of at least one million dollars (\$1,000,000) shall be payable in immediately available funds or by wire transfer upon written notice from the Holder thereof containing the wire transfer address (which shall be in the continental United States) to which such Holder wishes to have such wire directed, if such written notice is received by the Registrar and Paying Agent not less than five (5) days prior to the related purchase date.

3. Bonds subject to mandatory tender for purchase pursuant to Sections 5.08 or 5.09 shall not be remarketed unless and until an Alternate Support Facility meeting the requirements of Section 6.02 of the Indenture is in full force and effect with respect to such Bonds; provided, however, that Bonds may be remarketed and no such Alternate Support Facility is required to be in effect if, at the time the Bonds are sought to be remarketed, such Bonds bear interest at an Auction Rate or a Fixed Rate.

4. In the event Bonds tendered for purchase pursuant to Section 5.03 or 5.04 shall be paid from a drawing under a Liquidity Facility, such Bonds shall not be remarketed unless and until the Trustee or the Registrar and Paying Agent has been notified by the Liquidity Facility Issuer and, upon receipt of such notice, the Trustee or the Registrar and Paying Agent has notified the applicable Remarketing Agent that the amount available for a drawing under such Liquidity Facility has been restored.

Section 5.11. Selection of Bonds to be Redeemed. A redemption of Bonds shall be a redemption of the whole or of any part of the Bonds from any funds available for that purpose in a principal amount equal to an authorized denomination (so long as the principal amount not redeemed is an authorized denomination). If less than all Bonds of any subseries shall be redeemed, the particular Bonds to be redeemed shall be chosen by the Trustee, or the Trustee shall direct the Registrar and Paying Agent to so choose, as hereinafter provided. If less than all the Bonds of any subseries shall be called for redemption under any provision of this Indenture permitting such partial redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected (a) first, from Bonds held or owned by or for the issuer of a Support Facility pursuant to any Support Facility, (b) second, from Bonds for which the Registrar and Paying Agent has received, prior to such selection, a Notice of Election to Tender requiring the Registrar and Paying Agent to purchase such Bonds on the date on which the Bonds being selected are to be redeemed and (c) third, from all other Bonds then Outstanding, by lot by the Trustee or, upon direction of the Trustee, by lot by the Registrar and Paying Agent; provided,

however, that the portion of any Bond to be redeemed shall be in the principal amount of \$100,000 or any integral multiple thereof during a Commercial Paper Rate Period, a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period, \$25,000 or any integral multiple thereof during an Auction Rate Period, or \$5,000 or any integral multiple thereof at any other time and that, in selecting Bonds for redemption, the Trustee or Registrar and Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such registered Bond in excess of \$100,000 by \$100,000 during a Commercial Paper Rate Period, a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period, \$25,000 during an Auction Rate Period, and \$5,000 at any other time (such amounts being hereinafter referred to as the “applicable units of principal amount”). If it is determined that one or more, but not all of the \$100,000, \$25,000 or \$5,000 units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such \$100,000, \$25,000 or \$5,000 unit or units, the Holders of such Bonds shall forthwith surrender such Bonds to the Registrar and Paying Agent for (1) payment of the redemption price (including the redemption premium, if any, and accrued interest to the date fixed for redemption) of the \$100,000, \$25,000 or \$5,000 unit or units of principal amount called for redemption and (2) exchange for a new Bond or Bonds of the same subseries of the aggregate principal amount of the unredeemed balance of the principal of such Bonds. If the Holders of any such Bond of a denomination greater than \$100,000, \$25,000 or \$5,000 shall fail to present such Bond to the Registrar and Paying Agent, for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the \$100,000, \$25,000 or \$5,000 unit or units of principal amount called for redemption (and to that extent only).

Section 5.12. Notice of Redemption. 1. Notice of redemption shall be given by the Trustee by mailing a copy of the redemption notice by first-class mail at least thirty (30) days prior to the date fixed for redemption to the Holders of the Bonds to be redeemed at the addresses shown on the registration books maintained by the Registrar and Paying Agent. A copy of such notice of redemption shall be given by the Trustee to the Support Facility Issuer and the Auction Agent at least thirty (30) days prior to the date fixed for redemption. Any redemption may be conditioned on the receipt of moneys by the Registrar and Paying Agent sufficient to pay the redemption price on the redemption date of Bonds called for redemption, if the notice of redemption so states.

2. The Registrar and Paying Agent shall not be required to transfer or exchange Bonds during any period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption and ending at the close of business on the day fixed for redemption; provided, however, that the foregoing shall not apply during a Daily Rate Period, a Weekly Rate Period, a Commercial Paper Rate Period or an Auction Rate Period.

3. Each notice of redemption shall state: (i) the full title of the Bonds, the redemption date, the place of redemption and the redemption price payable upon such redemption; (ii) that the interest on the Bonds, or on the principal amount thereof to be redeemed, shall cease to accrue from and after such redemption date and (iii) that on said date there will become due and payable on the Bonds the principal amount thereof to be redeemed and the interest accrued on such principal amount to the redemption date, if any, and the

premium, if any, thereon. Each notice of redemption mailed to the Holder of the Bonds shall, if less than the entire principal sum thereof is to be redeemed, also state the principal amount thereof and the distinctive numbers of the Bonds to be redeemed and that such Bonds must be surrendered to the Trustee in exchange for the payment of the principal amount thereof to be redeemed and the issuance of a new Bond of the same subseries equaling in principal amount that portion of the principal sum not to be redeemed of the Bonds to be surrendered. The failure to give notice to any Holder of a Bond or any defects in such notice shall not affect the proceedings for the redemption of the Bonds for which notice has been properly given.

Section 5.13. Bonds Purchased for Account of Liquidity Facility Issuer. Bonds subject to purchase pursuant to Section 5.03, 5.04, 5.08 or 5.09 shall be deemed to be purchased by the Company except to the extent the Liquidity Facility expressly provides that the Bonds are to be purchased by the issuer of the Liquidity Facility in which event such Bonds shall be deemed to be purchased by the issuer of the Liquidity Facility in a principal amount equal to the amount of a draw on, or borrowing or payment under, the Liquidity Facility for the payment of Bonds subject to purchase, upon the deposit with the Registrar and Paying Agent of the proceeds of such draw on, or borrowing or payment under, the Liquidity Facility in an amount equal to the principal of such Bonds plus accrued interest thereon to the purchase date, and such Bonds shall not be deemed paid and shall remain outstanding hereunder until the issuer of the Liquidity Facility has been reimbursed for such draws on, or borrowings or payments under, the Liquidity Facility to pay such principal and interest. Unless the issuer of any Liquidity Facility shall otherwise direct, any Bonds purchased by the issuer of the Liquidity Facility shall be immediately registered in the name of the Company except to the extent the Liquidity Facility expressly provides that the Bonds are to be purchased by the issuer of the Liquidity Facility in which event such Bonds shall be registered in the name of the issuer of the Liquidity Facility as a Holder and the issuer of the Liquidity Facility shall have all rights of a Holder of Bonds under this Indenture.

Section 5.14. Effect of Redemption. If the Bonds have been duly called for redemption and notice of the redemption thereof has been duly given or provided for as hereinbefore provided and if moneys for the payment of the Bonds (or of the principal amount thereof to be redeemed) and the interest to accrue to the redemption date on the Bonds (or of the principal amount thereof to be redeemed), if any, and the premium, if any, thereon are held for the purpose of such payment by the Trustee, then the Bonds (or the principal amount thereof to be redeemed) shall on the redemption date designated in such notice, become due and payable and interest on the Bonds (or the principal amount thereof to be redeemed) so called for redemption shall cease to accrue from such date and the Holder thereof shall thereafter have no rights hereunder as the Holder of such Bonds (or the principal amount thereof to be redeemed) except to receive the principal amount thereof and premium (if any) thereon and interest to the redemption date.

Section 5.15. Cancellation of Redeemed Bonds. Any Bonds surrendered or redeemed pursuant to the provisions of this Article shall be cancelled by the Registrar and Paying Agent.

ARTICLE VI

SUPPORT FACILITY

Section 6.01. Support Facility - General. (1) Pursuant to the Participation Agreement, the Company has agreed not to request that the interest rate mode applicable to the Bonds be adjusted to an Adjustable Rate or a Fixed Rate unless on the effective date of the applicable Change in the Interest Rate Mode the Bonds to be converted shall be rated at least "A" by S&P or "A2" by Moody's or "A" by Fitch or an equivalent rating by any nationally recognized rating agency. Subject to the requirements of the Participation Agreement, such rating of the Bonds may, but is not required to, be achieved by obtaining a Support Facility which meets the requirements of this Article VI. The Company has further agreed to maintain a Liquidity Facility meeting the requirements of the Participation Agreement with respect to the Bonds at all times, except with respect to Bonds bearing interest at an Auction Rate, a Fixed Rate or a Term Rate for a Calculation Period in excess of thirteen months. A Liquidity Facility also must be in effect on or prior to the effective date of any Change in the Interest Rate Mode from an Auction Rate to another Adjustable Rate (other than a Change in the Interest Rate Mode to an Auction Rate or to a Term Rate Period in excess of thirteen months). The Trustee shall be furnished with a certified copy of any Support Facility obtained pursuant to this Section 6.01.

Any Support Facility Issuer not located in New York State shall provide the Trustee with a list of holidays on which it is closed through the next succeeding January 1 at the beginning of the term of such Support Facility and by January 1 of each year thereafter.

(2) Notwithstanding any other provision in this Indenture, upon the occurrence of an Event of Default and so long as no Support Facility Issuer Default has occurred and is continuing, then, in all such events, the Credit Facility Issuer shall be deemed to be the sole Holder of the Bonds the payment of which such Credit Facility supports when the approval, consent, direction or any other action of the Holders of such Bonds is required or may be exercised under this Indenture (except with respect to approvals, consents, directions or other actions requiring the consent of all Holders set forth in Section 14.02 and Section 14.07), including, without limitation, (i) the right to control and direct the declaration of principal of and accrued interest on all the Bonds then Outstanding to be due and payable immediately pursuant to Section 12.03, and (ii) the right to rescind and annul any such declaration in clause (i) of this paragraph and its consequences pursuant to Section 12.03.

(3) The Trustee shall not make a draw or borrowing under the Initial Support Facility to pay principal of, premium, if any, or interest on Bonds or to pay the Purchase Price of Bonds that bear interest at an Auction Rate, a Commercial Paper Rate, a Semi-annual Rate, a Term Rate or a Fixed Rate.

(4) The Trustee shall deliver to the Company written notice of any draw on or borrowing or payment under a Support Facility.

Section 6.02. Alternate Support Facility. (1) At any time, the Authority may, at the request of the Company, provide for the delivery to the Trustee of an Alternate Support

Facility for a subseries of Bonds. The termination date of such Alternate Support Facility shall be a date not earlier than 364 days from its date of issuance, and may be subject to earlier termination upon the occurrence of (i) a Terminating Event or another event of default under the related reimbursement agreement or other corresponding agreement relating to such Alternate Support Facility, (ii) the issuance of a subsequent Alternate Support Facility for the applicable subseries of Bonds, (iii) payment in full of the Outstanding Bonds or (iv) a Change in the Interest Rate Mode of the applicable subseries of Bonds. Any such Alternate Support Facility shall specifically allow, in the case of the occurrence of any event or events which under the terms of such Alternate Support Facility or any agreement providing for the issuance thereof would cause the termination or expiration of such Alternate Support Facility, for the mandatory tender of the applicable Bonds pursuant to Section 5.09 with a draw on or borrowing or payment under such Alternate Support Facility prior to such termination or expiration. On or prior to the date of the delivery of an Alternate Support Facility to the Trustee, the Company shall furnish to the Trustee on behalf of the Authority (a) an Opinion of Bond Counsel stating that the delivery of such Alternate Support Facility to the Trustee is authorized under this Indenture and complies with the terms hereof and (b) confirmation from S&P, if the Bonds are then rated by S&P, from Moody's, if the Bonds are then rated by Moody's, from Fitch, if the Bonds are then rated by Fitch, or another rating agency, if the Bonds are then rated by such rating agency, to the effect that such rating agency has reviewed the proposed Alternate Support Facility and that the substitution of the proposed Alternate Support Facility for the Support Facility will not, by itself, result in a reduction or withdrawal of its long or short-term rating of the applicable Bonds below the rating category of S&P, Moody's or Fitch or such other rating agency, as the case may be, then in effect with respect to such Bonds. Nothing contained herein shall prevent the Authority, at the request of the Company, from delivering an Alternate Support Facility in substitution for a Support Facility which will result in a decline in the short-term or long-term rating or both assigned to the applicable Bonds by Moody's, S&P or Fitch or such other rating agency as a result of the Alternate Support Facility; provided, that the Opinion of Bond Counsel referred to in the preceding sentence is obtained; provided that such opinion shall also be to the effect that delivery of such Alternate Support Facility will not adversely affect the exclusion from gross income of interest on the applicable Bonds for federal income tax purposes.

(2) On the date there is delivered an Alternate Support Facility, all Bonds of the applicable subseries that are Outstanding are subject to mandatory tender for purchase pursuant to Section 5.08. The Authority, or the Company on behalf of the Authority, shall deliver notice to the Trustee of the substitution of an Alternate Support Facility at least forty-five (45) days before the date of substitution. The Trustee shall deliver notice to the registered owners of the substitution at least thirty (30) days before the date of substitution.

Section 6.03. Trustee not Responsible for Enforcement of Support Facility. The Trustee shall have no responsibility with respect to the enforcement of any Support Facility obtained hereunder.

Section 6.04. Qualification of Support Facility Issuer's Right to Consent. A Support Facility Issuer's right to consent or direct action pursuant to the provisions of this Indenture shall not exist when a Support Facility Issuer Default has occurred and is continuing.

ARTICLE VII

GENERAL TERMS AND PROVISIONS OF BONDS

Section 7.01. Execution and Authentication of Bonds. The Bonds shall be executed on behalf of the Authority by the manual or facsimile signature of its Chair, Vice-Chair, President, Treasurer or any Vice President and shall be sealed with the seal of the Authority, or in lieu thereof shall bear a lithographed, engraved or otherwise reproduced facsimile of such seal attested by the manual or facsimile signature of its Vice President, Treasurer, Secretary or an Assistant Secretary.

Bonds bearing the manual signature of the officer of the Authority authorized to execute such Bonds in office on the date of such manual signing thereof and Bonds bearing the facsimile signature of the officer of the Authority authorized to execute such Bonds in office on the date of the reproducing of such facsimile signature on such Bonds, shall be valid and binding obligations in accordance with their terms, notwithstanding that before the delivery thereof and payment therefor the person whose signature appears thereon shall have ceased to be such officer.

Only Bonds having endorsed thereon a certificate of authentication substantially in the form set forth in Article XVI, duly executed by the Trustee shall be entitled to any right or benefit under this Indenture. No Bonds shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Trustee, and such certificate of the Trustee upon a Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture and that the Holder thereof is entitled to the benefits of this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Trustee.

Section 7.02. Books of Registry. The Registrar and Paying Agent shall keep or cause to be kept at its principal office books (herein referred to as the "books of registry" or "registration books") for the registration and transfer of the Bonds. Upon presentation at its principal office for such purpose the Registrar and Paying Agent, under such reasonable regulations as it may prescribe, shall register or transfer, or cause to be registered or transferred, on said books of registry, the Bonds as hereinafter set forth. The books of registry shall at all times during business hours be open for inspection by the Authority, the Company and the Trustee or their duly authorized agents or representatives.

Section 7.03. Transfer, Registration and Exchange of Bonds. The transfer of the Bonds may be registered only upon the books of registry required to be kept pursuant to Section 7.02 upon surrender thereof to the Registrar and Paying Agent, together with an assignment duly executed by the Holder thereof or his or her duly authorized agent and accompanied by a guarantee of signature, each in such form as shall be satisfactory to the Registrar and Paying Agent. Upon any such registration of transfer the Authority shall execute and the Trustee shall authenticate and deliver in exchange for such Bonds a new Bond or Bonds registered in the name of the transferee or transferees for a like aggregate principal amount, of any denomination or

denominations authorized by this Indenture. No transfer of any Bond shall be effective until entered on the books of registry.

Any Bond surrendered in any such registration of transfer shall forthwith be cancelled by the Trustee. Any Bonds registered and transferred to a new Holder pursuant to this Section shall be delivered to the Holder at the principal office of the Registrar and Paying Agent or sent by first-class mail to the Holder at his or her request, risk and expense.

Bonds, upon surrender thereof at the principal corporate trust office of the Registrar and Paying Agent, together with an assignment duly executed by the Holder or his or her authorized agent and accompanied by a guarantee of signature, each in such form as shall be satisfactory to the Registrar and Paying Agent, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of Bonds of any denomination or denominations authorized by this Indenture and in the same form as the Bonds surrendered for exchange. All Bonds so surrendered pursuant to this Section shall be cancelled by the Trustee.

Any Bonds to be delivered to the Holder upon any such exchange shall be delivered to the Holder at the principal office of the Registrar and Paying Agent or sent by first-class mail to the Holder thereof at his or her request, risk and expense.

Any taxes or other governmental charges required to be paid with respect to the registration of transfer or exchange of the Bonds shall be paid by the Holder requesting registration of such transfer or exchange, as a condition precedent to the exercise of such privilege. The Authority or the Registrar and Paying Agent, or both, may charge the Company for every registration of transfer or exchange sufficient to reimburse it for any and all costs required to be paid in respect thereof.

Section 7.04. Mutilated, Lost, Stolen, or Destroyed Bonds. In the event any Bond shall be lost, stolen, destroyed, wholly or in part, or so defaced as to impair its value to the Holder, the Trustee shall, upon compliance with the terms provided by law, authenticate and deliver a new Bond of like subseries or series, date and tenor in exchange or replacement therefor against delivery for cancellation of such mutilated Bond, or in lieu of and in replacement of a destroyed, stolen or lost Bond, and upon payment by the Holder of the reasonable expenses of the Registrar and Paying Agent and the Authority and the reasonable charges of the Trustee and Registrar and Paying Agent in connection therewith and, in the event that the Bond is destroyed, stolen or lost, the Holder's filing with the Registrar and Paying Agent of evidence satisfactory to it that the Bond was destroyed, stolen or lost, of the Holder's ownership thereof, and furnishing the Registrar and Paying Agent such security and indemnity as is satisfactory to it which shall name the Authority as an additional indemnified party. Any replacement Bond issued under the provisions of this Section in exchange or substitution for the defaced, mutilated or partly destroyed Bond or in substitution for the allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Indenture as was the original Bond in lieu of which such replacement Bond is issued. Each such replacement Bond shall be prepared in substantially the same manner as the original.

Notwithstanding the foregoing provisions of this Section, if the lost, stolen, destroyed, defaced or mutilated Bond has matured or been called for redemption and the date fixed for redemption thereof has arrived, at the option of the Authority, payment of the amount due thereon may be made without the issuance of any replacement Bond upon receipt of like evidence, indemnity, security and payment of expenses and the surrender for cancellation of the defaced or mutilated or partly destroyed Bond and upon such other conditions as the Trustee may prescribe.

Except as provided in this sentence and as permitted in the following paragraph, any replacement Bond shall be in the form of the Bond being replaced, and be dated the date of its issuance and bear such number as shall be assigned thereto by the Registrar and Paying Agent, with such subseries designation, if any, as may be deemed appropriate by the Registrar and Paying Agent. The Registrar and Paying Agent shall make an appropriate notation in the books of registry that a replacement Bond has been issued in exchange or substitution for the defaced, mutilated, lost, stolen, or wholly or partly destroyed Bond.

There may be imprinted or affixed on the face and the panel portion of any duplicate Bond a mark to identify such Bond as a replacement Bond.

Prior to arranging for the preparation or printing of a replacement Bond, the Trustee and the Registrar and Paying Agent may require a deposit by the Holder to secure the Trustee, the Registrar and Paying Agent and the Authority for costs and expenses incurred by them in the preparation, printing, execution and issuance of such replacement Bond.

Any amount of such deposit received by the Registrar and Paying Agent in excess of the amount required to reimburse the Registrar and Paying Agent, the Trustee or the Authority for costs and expenses shall be returned to the party which made the deposit.

Any defaced, mutilated or partly destroyed Bond surrendered to the Registrar and Paying Agent in substitution for a new Bond pursuant to this Section shall be cancelled by the Trustee.

Section 7.05. Temporary Bonds. Pending the preparation of definitive Bonds, interim receipts or certificates (herein referred to as “temporary Bonds”) may initially be issued, exchangeable for definitive Bonds when the latter are ready for delivery. Such temporary Bonds may be printed, lithographed or typewritten, shall be of such denomination or denominations as may be determined by the Authority and may contain such references to any of the provisions of this Indenture as may be appropriate. If temporary Bonds are issued, the Authority will cause to be furnished duly executed definitive Bonds without delay, and thereupon the temporary Bonds may be surrendered for cancellation at the principal office of the Trustee in exchange for definitive Bonds and without charge for such exchange, and the Registrar and Paying Agent shall deliver in exchange for such temporary Bonds so surrendered an equal aggregate principal amount of definitive duly executed Bonds, of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds.

Nothing in this Indenture shall prevent the Authority from delivering, and the Authority is hereby expressly permitted to deliver, Auction Rate Bonds in typewritten form to the Securities Depository as registered owner thereof.

Section 7.06. Disposition of Bonds. Any Bond surrendered to the Registrar and Paying Agent for payment shall be cancelled upon such payment by the Trustee. The Trustee shall dispose of any cancelled Bond which has been paid and which bears any date two (2) years prior to the date of disposition in accordance with the Trustee's procedures in effect for the disposition of cancelled securities as of the date of such disposition. When the Trustee shall dispose of any Bond, it shall deliver a certificate of such disposition to the Authority and the Company.

The designation of each fund and account set forth above shall include the term "Consolidated Edison Company of New York, Inc. Series 2005A," which term shall precede the designation as set forth above. Such fund and each such account is, however, sometimes referred to herein as set forth above.

Separate funds and accounts shall be maintained, pursuant to the provisions of this Article IX, for subseries of Bonds that bear interest at interest rate modes not covered by a Liquidity Facility.

(b) The Bond Fund and the accounts therein shall be held in the custody of the Trustee. All moneys required to be deposited with or paid to the Trustee under any provision of this Indenture shall be held by the Trustee in trust and applied only in accordance with the provisions of this Indenture and shall be trust funds for the purposes specified in this Indenture.

Section 9.02. Deposit of Note Payments. The Trustee shall deposit the Note Payments or other money set forth below in the Bond Fund and credit the Accounts set forth below in the order set forth below:

The Company shall pursuant to Sections 4.02, 4.03 and 4.04 of the Participation Agreement deposit, or cause to be deposited, the following in immediately available funds with the Trustee as the Note Payments become due or are declared to be immediately due and payable under the Participation Agreement and the Note unless sufficient amounts are then available in such Accounts to make the required payments therefrom:

(a) No later than 12:00 noon (New York City time) on the Business Day next preceding each Interest Payment Date, into the Bond Fund for credit to the Interest Account an aggregate amount of funds available on the next Business Day in The City of New York equal to the aggregate amount required for the payment of the interest payable on the Bonds, on such Interest Payment Date.

In the event a Direct-Pay Credit Facility is in place, amounts required to be deposited in the Bond Fund for credit to the Interest Account shall be derived solely from the following sources of funds in the priority indicated and shall be so deposited and credited to the Interest Account on the date indicated:

(I) First, on each Interest Payment Date, the proceeds of a draw, borrowing or payment under the Direct-Pay Credit Facility in respect of interest payable on such Interest Payment Date; and

(II) Second, on each Interest Payment Date, any other moneys provided by the Company pursuant to the preceding paragraph for such purpose.

The Trustee shall deposit the proceeds of a draw, borrowing or payment under a Direct-Pay Credit Facility in a segregated sub-account of the Interest Account in the Bond Fund and such proceeds shall not be commingled with moneys in any other Account or sub-account or derived from any other source.

(b) (i) During an Auction Rate Period, no later than 12:00 noon (New York City time) on the second Business Day next preceding each Auction Date, into the Bond Fund for credit to the Redemption Account an aggregate amount of funds available on the next Business Day in The City of New York equal to the aggregate amount required to pay the principal of and premium, if any, and accrued interest on any Auction Rate Bonds, called for redemption; provided, however if the scheduled date of such deposit to the Redemption Account by the Company is not a Business Day then the date for such deposit to the Redemption Account by the Company shall be the first Business Day immediately preceding the scheduled date of such deposit to the Redemption Account by the Company.

(ii) Other than during an Auction Rate Period, on the last Business Day prior to the day on which any redemption is to occur or on the last Business Day prior to the Stated Maturity, into the Bond Fund for credit to the Redemption Account or the Principal Account, as appropriate, the amount required to pay principal of and premium, if any, and accrued interest on any Bonds called for redemption or at the Stated Maturity, the amount required to pay the principal of the Bonds.

In the event a Direct-Pay Credit Facility is in place, amounts required to be deposited in the Bond Fund for credit to the Redemption Account or the Principal Account, as appropriate, shall be derived solely from the following sources of funds in the priority indicated and shall be so deposited and credited in the Redemption Account or the Principal Account, as appropriate, on the date indicated:

(I) First, on the date any redemption is scheduled to occur and on the Stated Maturity, the proceeds of a draw, borrowing or payment under the Direct-Pay Credit Facility in respect of the amounts described in the preceding paragraph; and

(II) Second, on the date any redemption is scheduled to occur and on the Stated Maturity, any other moneys provided by the Company pursuant to the preceding paragraph for such purpose.

The Trustee shall deposit the proceeds of a draw, borrowing or payment under a Direct-Pay Credit Facility in a segregated sub-account of the Redemption Account or Principal Account, as the case may be, in the Bond Fund and such proceeds shall not be commingled with moneys in any other Account or sub-account or derived from any other source.

If other moneys are received by the Trustee as advance payments of Note Payments to be applied to the redemption of all or a portion of the Bonds, such moneys shall be deposited in the Bond Fund for credit to the Redemption Account therein.

(c) Immediately following the declaration of principal of and accrued interest on the Bonds then Outstanding to be immediately due and payable pursuant to Section 12.03, into the Bond Fund for credit to the Acceleration Account, the amount required to pay principal of and accrued interest on such Bonds.

In the event a Direct-Pay Credit Facility is in place, amounts required to be deposited in the Bond Fund for credit to the Acceleration Account shall be derived solely from the following sources of funds in the priority indicated and shall immediately be so deposited and credited in the Acceleration Account:

(I) First, the proceeds of a draw, borrowing or payment under the Direct-Pay Credit Facility in respect of principal of and accrued interest on the Bonds; and

(II) Second, any other moneys provided by the Company pursuant to the preceding paragraph for such purpose.

The Trustee shall deposit the proceeds of a draw, borrowing or payment under a Direct-Pay Credit Facility in a segregated sub-account of the Acceleration Account in the Bond Fund and such proceeds shall not be commingled with moneys in any other Account or sub-account or derived from any other source.

Notwithstanding anything in this Section 9.02 to the contrary, the Trustee may not draw under a Direct-Pay Credit Facility to pay amounts due in respect of (i) Bonds held by the Support Facility Issuer, the Authority or the Company, or (ii) Bonds not covered by the Direct-Pay Credit Facility.

Section 9.03. Application of Moneys in the Bond Fund and the Bond Purchase Fund. 1. The Bond Fund shall be used for the purpose of making scheduled payments of principal of and interest on the Bonds, of making payments of principal of and premium, if any, and accrued interest on Bonds then subject to redemption in the manner herein provided and of making payments of principal of and accrued interest on the Bonds then Outstanding that have been declared to be immediately due and payable pursuant to Section 12.03. The moneys in the Bond Fund shall be applied as follows:

(a) Interest Account. Subject to the succeeding sentence, on each Interest Payment Date, the Trustee shall apply the amount of moneys then credited to the Interest Account equal to the interest then payable on the Bonds to the payment of such interest on such Interest Payment Date. In the event a Direct-Pay Credit Facility is in place, the Trustee shall request a draw, borrowing or payment under the Direct-Pay Credit Facility in accordance with the terms thereof in an amount equal to the amount required to pay the interest payable on the Outstanding Bonds on such Interest Payment Date and shall notify the Company of the amount and date of such request. If sufficient funds are not available under Section 9.02(a)(I) to pay such interest, the Trustee shall apply funds, if any, available pursuant to Section 9.02(a)(II), to the extent necessary, to such payment of interest. If the interest on the Bonds has been paid in full when due and all payments required under the Direct-Pay Credit Facility have been made, the Trustee shall apply remaining funds, if any, available pursuant to Section 9.02(a)(II) in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer.

(b) Principal Account. Subject to the succeeding sentence, on the Stated Maturity, the Trustee shall apply the amount of moneys then credited to the Principal Account equal to the principal amount of Bonds then payable to the payment of such principal on such date. In the event a Direct-Pay Credit Facility is in place, the Trustee shall request a draw, borrowing or payment under the Direct-Pay Credit Facility in accordance with the terms thereof in the amount required, to pay such principal amount and shall notify the Company of the amount and date of such request. If sufficient funds are not available under Section 9.02(b)(I) to pay such principal, the Trustee shall apply funds, if any, available pursuant to Section 9.02(b)(II), to the extent necessary, to such payment. If the principal of the Bonds has been paid in full when due and all payments required under the Direct-Pay Credit Facility have been made, the Trustee shall apply remaining funds, if any, available pursuant to Section 9.02(b)(II) in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer.

(c) Redemption Account. The Trustee shall redeem on the date set for the redemption thereof, as provided in Article V of this Indenture, a principal amount of Bonds then subject to redemption. Subject to the following sentence, the Trustee shall apply an amount credited to the Redemption Account equal to the principal amount and premium, if any, of Bonds then subject to redemption, together with accrued interest thereon to the redemption date, to the payment of such Bonds on the redemption date from funds described in Section 9.02(b).

In the event a Direct-Pay Credit Facility is in place, the Trustee shall request a draw under the Direct-Pay Credit Facility in accordance with the terms thereof, in an amount equal to the amount required to pay the principal amount and premium, if any, of Bonds then to be redeemed, together with accrued interest thereon to the date set for redemption and shall notify the Company of the date and amount of such request. If sufficient amounts to make such payment are not available under Section 9.02(b)(I), the Trustee shall apply amounts, if any, available pursuant to Section 9.02 (b)(II), to the extent necessary, to such payment. Such redemption shall be made pursuant to the provisions of Article V. If the redemption price of the

Bonds equal to the principal amount of Bonds then to be redeemed, together with premium, if any, and accrued interest thereon has been paid in full on the redemption date and all payments required under the Direct-Pay Credit Facility have been made, the Trustee shall apply remaining funds, if any, available pursuant to Section 9.02(b)(II) in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer.

Upon the retirement of any portion of the Bonds by redemption pursuant to the provisions of this Section 9.03, the Trustee shall file with the Authority and the Company a statement stating the amounts of the Bonds so redeemed and setting forth the date of their redemption and the amount paid as principal, premium and interest thereon. The expenses in connection with the redemption of the Bonds shall be paid by the Company as Additional Payments.

All moneys in the Redemption Account on the last Business Day prior to the Stated Maturity shall be transferred to the Principal Account.

(d) Acceleration Account. The Trustee shall immediately apply an amount credited to the Acceleration Account equal to the principal amount of and accrued interest on the Bonds then Outstanding that have been declared to be immediately due and payable pursuant to Section 12.03 from funds described in Section 9.02(c).

In the event a Direct-Pay Credit Facility is in place, the Trustee shall request a draw under the Direct-Pay Credit Facility in accordance with the terms thereof, in an amount equal to the amount required to pay the principal amount of and accrued interest of the Bonds then Outstanding that have been declared to be immediately due and payable pursuant to Section 12.03 and shall notify the Company of the date and amount of such request. If sufficient amounts to make such payment are not available under Section 9.02(c)(I), the Trustee shall apply amounts, if any, available pursuant to Section 9.02(c)(II), to the extent necessary, to such payment. If the principal of and interest on the Bonds has been paid in full after such Bonds have been declared to be immediately due and payable and all payments required under the Direct-Pay Credit Facility have been made, the Trustee shall apply remaining funds, if any, available pursuant to Section 9.02(c)(II) in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer.

2. Bond Purchase Fund. Pursuant to Section 4.02(d) of the Participation Agreement, the Company has agreed that the Company shall, to the extent not paid from a draw or payment under a Liquidity Facility, provide funds to the Trustee for payment to, or provide funds directly to, the Registrar and Paying Agent for deposit in the Bond Purchase Fund and credit to the Company Account therein established under the Bond Purchase Trust Agreement to be applied to the payment of the Purchase Price of any Bond pursuant to the Bond Purchase Trust Agreement to the extent not otherwise provided from the sources described in the Bond Purchase Trust Agreement.

In the event sufficient funds are not available under Section 2.03(a)(i) of the Bond Purchase Trust Agreement to pay such Purchase Price on the date of purchase of any Bonds pursuant to Section 5.03, 5.04, 5.08 or 5.09 hereof, the Registrar and Paying Agent on or prior to the time specified in the Bond Purchase Trust Agreement shall direct the Trustee to request a draw or payment under the Liquidity Facility in accordance with the terms thereof in the amount required, together with amounts, if any, available under Section 2.03(a)(i) of the Bond Purchase Trust Agreement, to pay the Purchase Price of such Bonds on such date of purchase. The Trustee shall on or prior to the time specified in the Bond Purchase Trust Agreement request such draw or payment under the Liquidity Facility in accordance with the terms thereof and shall on or prior to the time specified in the Bond Purchase Trust Agreement transfer the proceeds of such draw or payment to the Registrar and Paying Agent, who shall cause the proceeds of such draw or payment to be deposited in the Bond Purchase Fund under the Bond Purchase Trust Agreement and credited to the Liquidity Facility Proceeds Account therein. The Registrar and Paying Agent shall notify the Company of the amount and date of such request. The Registrar and Paying Agent shall promptly notify the Company in the event that it has not received any amounts requested under a Support Facility prior to the time specified in the Bond Purchase Trust Agreement on any date a Purchase Price is due.

The Remarketing Agent for a subseries of Bonds shall notify the Registrar and Paying Agent and the Trustee, at or prior to 11:00 a.m. (New York City time) on a specified purchase date, of the amount of the proceeds of the related remarketing, and shall specify whether remarketing proceeds (excluding any such proceeds from the Company, the Authority or an affiliate of either) equal to the full amount of the Purchase Price payable on such purchase date are held by such Remarketing Agent and will be available on such purchase date for the payment of such Purchase Price, and, if the amount of such remarketing proceeds that will be available on such purchase date for the payment of such Purchase Price shall not be equal to the full amount of the Purchase Price payable on such purchase date, such notice shall specify the amount of the deficiency. By 11:30 a.m. (New York City time) on such purchase date, the Remarketing Agent shall pay to the Registrar and Paying Agent, for deposit in the Bond Purchase Fund and credit to the Remarketing Proceeds Account, an aggregate amount of such remarketing proceeds equal to the amount stated in such notice to be available on such purchase date for the payment of such Purchase Price.

Notwithstanding anything in this Section 9.03 to the contrary, the Trustee may not draw under a Direct-Pay Credit Facility to pay amounts due in respect of (i) Bonds held by the Support Facility Issuer, the Authority or the Company, or (ii) Bonds not covered by the Direct-Pay Credit Facility.

Section 9.04. Investment of Funds. Moneys in the Bond Fund and the accounts in such fund shall be invested and reinvested by the Trustee, at the written direction of the Company, so long as the Company is not in default hereunder or under the Participation Agreement, to the extent reasonable and practicable in Investment Securities selected by the Company and maturing in the amounts and at the times as determined by the Company so that the payments required to be made from such funds and accounts may be made when due and subsequent to the occurrence of an Event of Default hereunder or under the Participation Agreement, the Trustee shall hold moneys in the Bond Fund uninvested. Investment earnings

shall be considered on deposit in any Fund or Account as of the date they are actually received by the Trustee. Notwithstanding the foregoing, so long as a Direct-Pay Credit Facility is in effect, moneys in the Bond Fund, except for proceeds of refunding bonds, shall be held uninvested.

Moneys on deposit in the Project Fund shall be invested and reinvested by the Trustee at the express direction of the Company, promptly confirmed in writing (which may be provided by telecopy), so long as the Company is not in default under the Participation Agreement, to the extent reasonable and practicable, in Investment Securities maturing in such amounts and at such times as it is anticipated by the Company that such moneys will be required to pay the redemption price of the Prior Bonds.

The Trustee, with the consent of the Company, shall be authorized to sell any investment when necessary to make the payments to be made from the funds and accounts therein. All earnings on and income from moneys in said funds and accounts (other than the Project Fund) created hereby shall be considered to be Revenues and shall be held in the respective account in the Bond Fund for use and application as are all other moneys deposited in such accounts. The Trustee shall, in the statement required by Section 11.07, set forth the Investment Securities held separately in, and the earnings realized on investment for, each fund and account hereunder. The Trustee shall not be liable for any depreciation in the value of the Investment Securities acquired hereunder or any loss suffered in connection with any investment of funds made by it in accordance herewith, including, without limitation, any loss suffered in connection with the sale of any investment pursuant hereto.

The Trustee may make any such investments through its own investment department upon written direction of the Company.

All Investment Securities shall constitute a part of the respective fund and accounts therein from which the investment in Investment Securities was made.

ARTICLE X

PARTICULAR COVENANTS OF THE AUTHORITY

Section 10.01. Payment of Principal of and Interest and Redemption Premium on Bonds. The Authority will promptly pay solely from the Note Payments and other moneys held by the Trustee and available therefor, the principal of, and the interest on, every Bond issued under and secured by the Indenture and any premium required to be paid for the retirement of said Bonds by redemption, at the places, on the dates and in the manner specified in this Indenture and in said Bonds according to the true intent and meaning thereof, subject, however, to the provisions of Section 2.02.3.

Section 10.02. Performance of Covenants. The Authority will faithfully perform at all times all covenants, undertakings, stipulations and provisions contained in the Indenture, in any and every Bond and in all proceedings of the Authority pertaining thereto.

Section 10.03. Further Instruments. The Authority will from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the purpose of the Indenture; provided, however, that no such instruments or actions shall pledge the credit of the Authority or the State of New York or the taxing power of the State of New York or otherwise be inconsistent with the provisions of Section 2.02.3.

Section 10.04. Inspection of Project Books. All books and documents in the possession of the Authority relating to the Project or the Participation Agreement shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 10.05. No Extension of Time of Payment of Interest. In order to prevent any accumulation of claims for interest after maturity, the Authority will not directly or indirectly extend or assent to the extension of the time of payment of any claims for interest on, any of the Bonds and will not directly or indirectly be a party to or approve any such arrangement by purchasing such claims for interest or in any other manner. In case any such claim for interest shall be extended in violation hereof, such claim for interest shall not be entitled, in case of any default hereunder, to the benefit or security of the Indenture except subject to the prior payment in full of the principal of, and premium, if any, on, all Bonds issued and outstanding hereunder, and of all claims for interest which shall not have been so extended or funded.

Section 10.06. Trustee's, Auction Agent's, Remarketing Agent's, Broker-Dealers' Registrar and Paying Agent's and Indexing Agent's Fees, Charges and Expenses. Pursuant to the provisions of Section 4.02 of the Participation Agreement, the Company has agreed to pay the fees and the expenses (including, in the case of the Trustee, the Registrar and Paying Agent and the Remarketing Agents, the reasonable fees and expenses of counsel and accountants) of the Trustee, the Registrar and Paying Agent, Indexing Agent, Remarketing Agents and in the case of Auction Rate Bonds, the Auction Agent and Broker-Dealers, in the amounts set forth

more fully therein, and the Authority shall have no liability for the payment of any fees or expenses of the Trustee, the Registrar and Paying Agent, Indexing Agent, Remarketing Agents and in the case of Auction Rate Bonds, the Auction Agent and Broker-Dealers.

Section 10.07. Agreement of the State of New York. In accordance with the provisions of subdivision 11 of Section 1860 of the Act, the Authority, on behalf of the State of New York, does hereby pledge to and agree with the Bondholders that the State of New York will not limit or alter the rights and powers vested by the Act in the Authority to fulfill the terms of any contract made with Bondholders, or in any way impair the rights and remedies of such Bondholders, until the Bonds, together with the premium and interest thereon, with (to the extent permitted by law) interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such Bondholders, are fully met and discharged.

Section 10.08. Recording and Filing. Pursuant to the Participation Agreement, the Company covenants that it will cause all financing statements related to this Indenture and all supplements thereto and the Participation Agreement and all supplements thereto, as well as such other security agreements, financing statements and all supplements thereto and other instruments as may be required from time to time to be kept, to be recorded and filed in such manner and in such places as may from time to time be required by law in order to preserve and protect fully the security of Holders and the rights of the Trustee hereunder, and to take or cause to be taken any and all other action necessary to perfect the security interest created by this Indenture. The Company is obligated under Section 5.08 of the Participation Agreement to file all such financing statements and other security agreements. The Trustee is hereby authorized to file all financing statements in the event that the Company does not file them.

Section 10.09. Rights Under the Participation Agreement and the Note. The Participation Agreement, a duly executed counterpart of which has been filed with the Trustee, sets forth the covenants and obligations of the Authority and the Company and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Company thereunder. Subsequent to the issuance of Bonds and prior to their payment in full or provision for payment thereof in accordance with the provisions hereof, neither the Participation Agreement nor the Note may be effectively amended, changed, modified, altered or terminated except in accordance with the provisions of Article XIV hereof. The Authority agrees that the Trustee, in its name or in the name of the Authority, may enforce all rights of the Authority and all obligations of the Company under and pursuant to the Participation Agreement and the Note for and on behalf of the Holders, whether or not the Authority is in default hereunder. The Note heretofore delivered to the Trustee evidences the obligations of the Company to make certain specified payments under the Participation Agreement. Nothing herein contained shall be construed to prevent the Authority from enforcing directly any or all of its rights to administrative compensation or indemnification under the Participation Agreement.

ARTICLE XI

CONCERNING THE TRUSTEE; APPOINTMENT OF REGISTRAR AND PAYING AGENT, REMARKETING AGENT, AUCTION AGENT AND INDEXING AGENT

Section 11.01. Appointment of Trustee. The Bank of New York is hereby appointed the Trustee hereunder and by the execution of this Indenture accepts such appointment and without further act, deed or conveyance, shall be fully vested with all the estate, properties, rights, powers, trusts, duties and obligations of the Trustee hereunder.

The Trustee shall set up suitable accounts for the deposit of the Note Payments and for the payment of the Bonds and the interest thereon and for all other payments provided or required by this Indenture, including, without limiting the generality of any of the foregoing, setting up of the Funds created by Articles VIII and IX.

Section 11.02. Indemnification of Trustee as Condition for Remedial Action. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Trustee shall be reimbursed from the Additional Payments required to be made pursuant to the Participation Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements incurred in connection therewith. If the Company shall fail to make such reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference over the Bonds; provided, however, that the proceeds of a Support Facility or of remarketing of Bonds shall be applied solely as set forth elsewhere herein and in such Support Facility and shall not be applied to the reimbursement set forth in this Section 11.02. Notwithstanding the foregoing, the Trustee shall make all payments of principal of and premium, if any, and interest on the Bonds then Outstanding when due, when called for redemption or when declared to be immediately due and payable pursuant to this Indenture and of the Purchase Price of the Bonds in accordance with this Indenture.

Section 11.03. Trustee Not Liable for Failure of the Authority or Company to Act. The Trustee shall not be liable or responsible because of the failure of the Authority or the Company or any of their employees or agents to make any collections or deposits or to perform any act herein required of the Authority or the Company. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Indenture. The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 11.04. Certain Duties and Responsibilities of the Trustee. (a) Except during the continuance of an Event of Default specified in Section 12.01 of which the Trustee has been notified or is deemed to have notice as provided in Section 11.08,

(1) the Trustee shall undertake to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(b) In case an Event of Default specified in Section 12.01 has occurred and is continuing of which the Trustee has been notified or is deemed to have notice as provided in Section 11.08, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in such exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) None of the provisions of this Indenture shall be construed to relieve the Trustee from liability for negligent action, negligent failure to act, or willful misconduct, except that

(1) this subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it shall be proved that the Trustee was negligent;

(3) in the absence of bad faith on its part, the Trustee shall be protected and shall incur no liability in acting or proceeding or in not acting or not proceeding upon any resolution, order, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher requisition, bond or other paper or document which the Trustee shall believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements;

(4) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the provisions of this Indenture; and

(5) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Notwithstanding anything contained elsewhere in this Indenture, the Trustee shall have the right to reasonably require, in respect of the payment or withdrawal of any moneys or the taking of any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that required by the terms hereof as a condition of such action by the Trustee.

Every successor Trustee appointed pursuant to this Section shall be a trust company or bank in good standing located in or incorporated under the laws of the State of New York, duly authorized to exercise trust powers and subject to examination by Federal or State authority, having a reported capital and surplus of not less than \$75,000,000.

Section 12.03. Declaration of Principal and Interest As Due. Notwithstanding the pendency of a mandatory tender under Section 5.09, upon the occurrence of an Event of Default specified in clause (c) or (d) of Section 12.01 of which the Trustee has been notified by the Support Facility Issuer, then the Trustee shall upon the written request or direction of such Support Facility Issuer, unless a Support Facility Issuer Default has occurred and is continuing, declare the principal of and accrued interest on all the Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and upon such declaration the same shall become due and be immediately due and payable. Upon the occurrence and continuation of any Event of Default, except for an Event of Default specified in clause (c) or (d) of Section 12.01, of which the Trustee has been notified or is deemed to have notice as provided in Section 11.08, then and in every case the Trustee by a notice in writing to the Authority, the Company and (to addresses then specified by the Authority) the Governor, the Comptroller and the Attorney General of the State of New York may with the written consent of the Credit Facility Issuer, (such consent, however, not being required if a Support Facility Issuer Default has occurred and is continuing) if any, and upon the written request or direction of the Credit Facility Issuer, if any, so long as no Support Facility Issuer Default has occurred and is continuing, or, if a Credit Facility is not in effect or a Support Facility Issuer Default has occurred and is continuing, upon the written request or direction of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding (determined in accordance with the provisions of Section 13.03) shall, declare the principal of and accrued interest on all the Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and upon such declaration the same shall become due and be immediately due and payable, anything contained in the Bonds or in this Indenture to the contrary notwithstanding. If, however, at any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such

Event of Default, or before the completion of the enforcement of any other remedy under this Indenture, moneys shall have accumulated in the Bond Fund sufficient to pay the principal of and any premium (or redemption price) on all Bonds (or portions of the principal amount thereof) then or theretofore required to be redeemed pursuant to any provisions of this Indenture (excluding principal not then due except by reason of the aforesaid declaration) and all arrears of interest and interest then due, if any, upon Bonds then Outstanding and if the fees, compensation, expenses, disbursements, advances and liabilities of the Trustee and all other amounts then payable by the Company under the Participation Agreement and the Note shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee, and every other Event of Default known to the Trustee in the observance or performance of any covenant, condition or agreement contained in the Bonds or in this Indenture (other than default in the payment of the principal of such Bonds then due only because of a declaration under this Section) shall have been remedied to the satisfaction of the Trustee or the Company shall be taking, or shall be causing to be taken, appropriate action in good faith to effect its cure, and all Events of Default have been rescinded and annulled by the Trustee (or in the case of an Event of Default specified in clause (c) or (d) of Section 12.01, by any Support Facility Issuer), and to the extent a Support Facility is in effect, the issuer of such Support Facility has delivered to the Trustee a written notice to the effect that any amounts drawn, borrowed or paid under such Support Facility to pay accrued interest on the Bonds have been reinstated in the amount of such draw, borrowing or payment, then and in every such case the Trustee may, with the written consent of the Support Facility Issuer, if any, unless a Support Facility Issuer Default has occurred and is continuing, and upon the written request or direction of the Support Facility Issuer, if any, unless a Support Facility Issuer Default has occurred and is continuing, or, if a Support Facility is not in effect or a Support Facility Issuer Default has occurred and is continuing upon the written request or direction of the Holders of not less than a majority in aggregate principal amount of the Bonds (determined in accordance with the provisions of Section 13.03) then Outstanding shall, by written notice to the Authority, rescind and annul such declaration and its consequences; provided, however, that notwithstanding any such rescission and annulment during an Auction Rate Period, the Bonds shall continue to bear interest at the Overdue Rate for the applicable period of time determined pursuant to Article III. No such rescission or annulment pursuant to the next preceding sentence shall extend to or affect any subsequent default or impair any right consequent thereto.

Section 12.04. Action by Trustee Upon Occurrence of Event of Default. Upon the occurrence and continuation of an Event of Default the Trustee (i) for and on behalf of the Holders of the Bonds, shall have the same rights hereunder which are possessed by any Holders of the Bonds; (ii) shall be authorized to proceed, in its own name and as trustee of an express trust; (iii) may pursue any available remedy by action at law or suit in equity to enforce the payment of the principal of and interest and premium, if any, on the Bonds; (iv) may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of such Trustee and of the Bondholders allowed in any judicial proceedings relative to the Company, its creditors, its property or the Bonds; and (v) may, and upon the written request or direction of the Credit Facility Issuer, so long as no Support Facility Issuer Default has occurred and is continuing, or of Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding (determined in accordance with the provisions of Section 13.03),

with the prior written consent of the Credit Facility Issuer, unless a Support Facility Issuer Default has occurred and is continuing, shall proceed to protect and enforce all rights of the Holders and the Trustee under and as permitted by this Indenture and the laws of the State of New York, by such means or appropriate judicial proceedings as shall be suitable or deemed by it most effective in the premises, including the appointment of temporary trustees and any actions, suits or special proceedings at law or in equity or in bankruptcy or by proceedings in the office of any board or officer having jurisdiction, or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture, or in aid of execution of any power granted in this Indenture or to enforce any other legal or equitable right or remedy vested in the Holders of the Bonds or the Trustee by this Indenture or by such laws, or for the appointment of a receiver. All rights of action (including the right to file proofs of claim) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name and as trustee of an express trust without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery or judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

In the enforcement of any remedy under this Indenture the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts, then or during any Event of Default becoming, and at any time remaining, due from the Company and unpaid under the Participation Agreement and the Note for principal, premium, interest or otherwise under any of the provisions of this Indenture or of the Bonds, with interest on overdue payments if such interest then is permitted by the laws of the State of New York, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders, and to recover and enforce judgment or decree against the Company which is in default of its respective obligations under the Participation Agreement and the Note, but solely as provided herein and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable. Any such judgment shall be recovered by the Trustee, in its own name and as trustee of an express trust.

Section 12.05. Powers of Trustee With Respect to Participation Agreement and Other Agreements. If the payments required to be paid to the Trustee under the Participation Agreement and the Note or other agreement pledged and assigned hereunder, as the case may be, are not paid when due or upon the happening and continuance of an Event of Default set forth in clause (a) or (b) of Section 12.01, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of all payments due and unpaid under the Participation Agreement and the Note or other agreement, as the case may be, and required to be paid to the Trustee and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or the obligor under any other agreement, as the case may be, and collect in the manner provided by law out of the property of the Company or such obligor wherever situated, the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company under the Participation Agreement or an obligor under any other agreement pledged and assigned hereunder, as the case may be, under the Federal Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company under the Participation Agreement and the Note or an obligor under any other agreement pledged and assigned hereunder, as the case may be, the Trustee, regardless of whether the principal of the Bonds shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the power vested in it by this Indenture, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid under the Participation Agreement and the Note by the Company or under such other agreement by such obligor, as the case may be, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith) and of the Holders allowed in any such judicial proceedings relative to the Company or other obligor, as the case may be, or to the creditors or property of the Company or other obligor, as the case may be, and to collect and receive any moneys or other property payable or deliverable on such claims, and to distribute in accordance with the provisions hereof all amounts received with respect to the claims of the Holders and of the Trustee on their behalf, and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Trustee.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holders any plan of reorganization, arrangement, adjustment or composition of the Authority or the Company affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders in any such proceeding. In the event of any such reorganization, arrangement, adjustment, composition or liquidation, the Credit Facility Issuer shall have the right to vote on behalf of all Holders who hold such Bonds unless a Support Facility Issuer Default has occurred and is continuing.

The provisions of this Section shall not be construed as in any way limiting the powers of the Trustee, with respect to defaults by the Authority or by the Company under the Participation Agreement and the Note, or an obligor under any other agreement pledged and assigned hereunder, as the case may be, whether such powers be expressly or implicitly granted to the Trustee elsewhere in this Indenture or in the Participation Agreement or the Note or other agreement, as the case may be, or as a denial that the Trustee has any such other powers, but the powers granted to the Trustee by this Section shall be supplemental, additional and cumulative to all other powers possessed by the Trustee with respect to defaults under this Indenture or under the Participation Agreement, the Note or other agreement pledged and assigned hereunder, as the case may be.

Section 12.06. Disposition of Moneys in Event of Insufficiencies in Funds and Accounts. All moneys (other than proceeds of any Support Facility) received by the Trustee pursuant to any right given or action taken under the provisions of this Article, after payment of

the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, fees and advances incurred or made by the Trustee hereunder, shall be deposited in the Bond Fund. If at any time the moneys in the Bond Fund shall not be sufficient to pay the interest or principal or premium, if any (or the redemption price), of the Bonds as the same become due and payable (whether at maturity or upon proceedings for the redemption thereof or by acceleration or otherwise), the moneys in such fund, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article XII or otherwise, shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 12.03, all such moneys shall be applied:

First: to the payment to the persons entitled thereto of all installments of interest then due, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: to the payment of the premium, if any, on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of this Indenture.

(b) If the principal of all the Bonds shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 12.03, all such moneys shall be applied to the payment of the principal and interest then due and unpaid, with interest on such principal as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all the Bonds shall have been declared due and payable pursuant to the provisions of Section 12.03, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of such Section 12.03, then, subject to the provisions of subparagraph (b) above of this paragraph in the event that the principal of all the Bonds shall later become due and payable or be declared due and payable pursuant to the provisions of Section 12.03, the moneys then held in the Bond Fund shall be applied to the payment of the principal of and premium (or redemption price) on all matured Bonds and all Bonds (or portions of the principal amount thereof) then or theretofore required to be redeemed pursuant to any provisions of this Indenture (excluding principal not then due except by reason of such declaration) and all arrears of interest and interest then due, if any, upon all Bonds then Outstanding, and any moneys thereafter deposited in the Bond Fund shall be applied in accordance with the provisions of Article IX.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of subparagraphs (a) and (b) of this Section, (i) such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; (ii) the deposit of such moneys, in trust for the proper purpose, shall constitute proper application by the Trustee; and (iii) the Trustee shall incur no liability whatsoever to the Authority, to any Holder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to the Holder of any unpaid Bond until such Bond shall be surrendered to the Trustee for appropriate endorsement, or for cancellation if fully paid.

Section 12.07. Effect of Delay or Omission; Waiver of Default; Direction of Remedial Proceedings by the Holders. No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein.

Anything in this Indenture to the contrary notwithstanding, but subject to Section 6.01(2), the Holders of not less than a majority in principal amount of the Bonds at the time Outstanding (determined in accordance with the provisions of Section 13.03) with, so long as no Support Facility Issuer Default has occurred and is continuing, the prior written consent of the Credit Facility Issuer, shall be authorized and empowered and have the right, by an instrument or concurrent instruments in writing delivered to the Trustee on behalf of the Holders of the Bonds then Outstanding to consent to the waiver of any Event of Default or its consequences, and the Trustee shall waive any Event of Default and its consequences upon the written request of the Holders of such majority with the prior written consent of the Credit Facility Issuer, so long as no Support Facility Issuer Default has occurred and is continuing; provided, however, that there shall not be waived (i) any default in payment of principal or premium when due or (ii) any default in payment when due of interest unless, in either case, prior to such waiver all arrears in principal, premium, if any, and interest, with additional interest, to the extent permitted by law, at the rate then borne by the Bonds (which, in the case of a Payment Default with respect to Auction Rate Bonds shall be the Overdue Rate), and all fees and expenses of the Trustee shall have been paid or provided for; provided, however, that notwithstanding any such waiver, any Auction Rate Bonds shall continue to bear interest at the Overdue Rate until such Payment Default is cured. No such waiver shall extend to or affect any other existing or subsequent default or Event of Default or impair any rights or remedies consequent thereon.

Anything in this Indenture to the contrary notwithstanding, the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds at the time Outstanding

(determined in accordance with the provisions of Section 13.03) with, so long as no Support Facility Issuer Default has occurred and is continuing, the prior written consent of the Credit Facility Issuer, shall be authorized and empowered and have the right, by an instrument or concurrent instruments in writing delivered to the Trustee to direct the time and method of conducting any proceeding for any remedy to be taken by the Trustee or available to the Trustee or available to the Holders of the Bonds, or exercising any trust or power conferred upon the Trustee hereunder provided: (1) such direction shall not be in conflict with any rule of law or with this Indenture or expose the Trustee to personal liability, or be unduly prejudicial to Holders not joining therein, and (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 12.08. Suits or Actions by Holders; Any Holder May Enforce Overdue Payment of His or Her Bond or Interest Thereon. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder or for any other remedy hereunder unless there shall have occurred an Event of Default of which the Trustee has been notified or is deemed to have notice as provided in Section 11.08, and such Holder previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding, with the consent of the Credit Facility Issuer, so long as no Support Facility Issuer Default has occurred and is continuing, shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a period of sixty (60) days either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceeding in its or their name, the Trustee shall have been indemnified by Holders against the costs, expenses and liabilities to be incurred in compliance with such request, and shall not have received an inconsistent direction from the Credit Facility Issuer, unless a Support Facility Issuer Default has occurred and is continuing, or from the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds and the Trustee shall have refused or neglected to comply with such request within a reasonable time. It is understood and intended that no one or more Holders of the Bonds hereby secured shall have any right in any manner whatever by the action of such Holder or Holders to affect, disturb or prejudice the security of this Indenture, or to enforce any right hereunder except in the manner herein provided; that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Holders of such Outstanding Bonds; and that any individual rights of action or other right given to one or more of such Holders by law are restricted by this Indenture to the rights and remedies herein provided. Notwithstanding the foregoing and subject to Section 11.02, the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Bond to receive payment of the principal of, premium, if any, and interest on such Bond, on or after the respective due dates expressed in such Bond, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the

consent of such Holder, except that no Holder of any such Bond shall have the right to institute any such suit, if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver, or loss of the lien of this Indenture.

Section 12.09. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, any Credit Facility Issuer or the Holders of the Bonds is intended to be exclusive of any other remedy so conferred or reserved or to be exclusive of other remedies now or hereafter existing at law or in equity or by statute, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder to the Trustee, any Credit Facility Issuer or to the Holders of the Bonds or now or hereafter existing at law or in equity or by statute. Every such right, power and remedy given hereunder or by law or in equity or by statute may be exercised from time to time and as often as may be deemed expedient.

Section 12.10. Effect of Abandonment of Proceedings on Default. In case any proceeding taken by the Trustee or the Holders of the Bonds on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 12.11. Interest on Overdue Amounts. To the extent permitted by law all amounts which are due and payable but which have not been so paid under this Indenture shall bear interest at the then current rate of interest on the Bonds until paid; provided, however, that upon the occurrence of a Payment Default during any Auction Rate Period all amounts which are due and owing but unpaid hereunder shall bear interest at the Overdue Rate until paid.

ARTICLE XIII

**EXECUTION OF INSTRUMENTS BY BONDHOLDERS AND
OWNERSHIP OF BONDS; EXCLUSION OF BONDS
OWNED BY THE AUTHORITY OR THE COMPANY**

Section 13.01. Execution of Requests, Directions and Consents and Other Instruments and Proof of Same; Ownership of Bonds and Proof of Same. Any request, direction, consent or other instrument required by this Indenture to be signed or executed by Holders of Bonds may be signed or executed by such Holders in person or by agent or agents duly appointed in writing, and may be in any number of concurrent writings of substantially similar tenor. Proof of the execution of any such request, direction, consent or other instrument or of a writing appointing any such agent, and of the holding or ownership of Bonds, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee hereunder with regard to any action taken by it under such request, direction, consent or other instrument or of a writing appointing any such agent, if made in the following manner:

- (a) the fact and date of the execution by any person of any such request, direction, consent or other instrument in writing may be proved in any reasonable manner which the Trustee deems sufficient;
- (b) the ownership of Bonds shall be proved by the books of registry kept under the provisions of this Indenture.

Any request, direction, consent or vote of the Holder of any Bond shall bind and be conclusive upon the Holder of such Bond giving such request, direction or consent or casting such vote and upon every future Holder of the same Bond in respect of anything done or suffered to be done by the Trustee or otherwise, or by the Holders of other Bonds, in pursuance of such request, direction, consent or vote, and whether or not such future Holder has knowledge of or information as to such request, direction, consent or vote; provided that any request, direction, consent or vote of the Holder of a Bond required by any of the provisions hereof may be revoked by the Holder giving such request, direction, consent or vote or by a subsequent Holder if such revocation in writing is filed with the Trustee, prior to the time when the request, direction, consent or vote of the percentage of the Holders of the Bonds required by such provision shall have been given and action taken by the Trustee or otherwise, or by the Holders of other Bonds, under authority of such request, direction, consent or vote.

The payment of or on account of principal to or upon the order of the person in whose name the Bonds shall at the time be registered on said books of registry and the payment of interest to or upon the order of any person in whose name the Bonds shall at the time be registered on said books of registry, shall be valid and effectual fully to satisfy and discharge all liability hereunder or upon the Bonds to the extent of the sum or sums so paid.

The Authority at the request of the Company may establish a record date for the taking of any action by the Holders.

Section 13.02. Meetings of Holders. The Trustee or the Holders of not less than twenty percent (20%) in principal amount of the Bonds then Outstanding may at any time call a meeting of the Holders of the Bonds for the purpose of the consenting to, the approving, the requesting, or the directing by the Holders of the Bonds of any action required to be consented to or approved by them hereunder or which they may request or direct hereunder to be taken, or for the making by the Holders of any appointments they may make hereunder, or for the purpose of taking any other action which the Holders may take hereunder, or for any other purpose concerning the payment and security of the Bonds hereunder. Every such meeting shall be held at such place in The City of New York, State of New York, as may be specified in the notice calling such meeting. Written notice of such meeting, stating the place and time of the meeting and in general terms the business to be submitted, shall be mailed to the Holders whose names and addresses then appear upon the books of registry by the Registrar and Paying Agent or the Holders calling such meeting, not less than twenty (20) days nor more than sixty (60) days before such meeting. Any meeting of Holders shall, however, be valid without notice if the Holders of all Bonds then Outstanding are present in person or by proxy or if notice is waived before or within thirty (30) days after the meeting by those not so present.

Attendance and voting by Holders at meetings thereof may be in person or by proxy. Holders of Bonds may, by an instrument in writing under their hands, appoint any person or persons, with full power of substitution, as their proxy to attend and vote at any meeting for them.

Persons named by the Trustee, or elected by the Holders of a majority in principal amount of the Bonds represented at the meeting in person or by proxy in the event the Trustee is not represented at such meeting, shall act as temporary chairman and temporary secretary of any meeting of Holders. A permanent chairman and a permanent secretary of such meeting shall be elected by the Holders of a majority in principal amount of the Bonds represented at such meeting in person or by proxy. The permanent chairman of the meeting shall appoint two (2) inspectors of votes who shall count all votes cast at such meeting, except votes on the election of chairman and secretary as aforesaid, and who shall make and file with the secretary of the meeting and the Trustee their verified report of all such votes cast at the meeting.

The Holders of not less than the principal amount of the Bonds required by the provisions hereof to consent to, approve, request or direct any action to be taken at a meeting of Holders, or required by the provisions hereof to make any appointments to be made at such meeting, or required by the provisions hereof to take any other action to be taken at such meeting, must be present at such meeting in person or by proxy in order to constitute a quorum for the transaction of such business. Less than a quorum, however, shall have power to adjourn the meeting from time to time without notice of such adjournment other than the announcement thereof at the meeting; provided, however, that if such meeting is adjourned by less than a quorum for more than ten (10) days, notice of such adjournment shall be given by the Trustee at least five (5) days prior to the adjourned date of the meeting.

Any Holder of a Bond shall be entitled in person or by proxy to attend and vote at such meeting as Holder of the Bond or Bonds registered in his or her name without producing

such Bond or Bonds. Such persons and their proxies shall, if required, produce such proof of personal identity as shall be satisfactory to the Secretary of the meeting.

All proxies presented at such meeting shall be delivered to the Inspector of Votes and filed with the Secretary of the meeting. The right of a proxy for a Holder to attend the meeting and act and vote thereat may be proved (subject to the Trustee's right to require additional proof) by a written proxy executed by such Holder as aforesaid.

The officers or nominees of the Trustee may be present or represented at such meeting and take part therein, but shall not be entitled to vote thereat, except for such officers or nominees who are Holders or proxies for Holders (including the Trustee).

The vote at any such meeting of the Holder of any Bond, or his or her proxy, entitled to vote thereat shall be binding upon such Holder and upon every subsequent Holder of such Bond (whether or not such subsequent Holder has notice thereof).

Section 13.03. Exclusion of Bonds Held by or for the Authority, the Company and of Bonds No Longer Deemed Outstanding Hereunder. In determining whether the Holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent, vote or waiver under this Indenture, any Bonds which are owned by or on behalf of or for the account of the Authority, the Company and, except for the purposes of Section 15.01, any Bonds which are deemed no longer Outstanding hereunder shall be disregarded and not included for the purpose of any such determination, and such Bonds shall not be entitled to vote upon, consent to or concur in any action provided in this Indenture, except that for the purposes of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent, vote or waiver only Bonds which a Responsible Officer of the Trustee knows are owned as aforesaid shall be disregarded. The Trustee may require each Holder of a Bond or Bonds, before such Holder's demand, request, direction, consent, vote or waiver shall be deemed effective, to reveal if the Bonds as to which such demand, request, direction, consent, vote or waiver is made, granted, cast or given are disqualified as provided in this Section.

ARTICLE XIV

**AMENDING AND SUPPLEMENTING THE INDENTURE,
THE PARTICIPATION AGREEMENT, THE REMARKETING AGREEMENT,
AUCTION AGENCY AGREEMENT, BROKER-DEALER AGREEMENTS,
BOND PURCHASE TRUST AGREEMENT**

Section 14.01. Amending and Supplementing Indenture Without Consent of Holders. The Authority and the Trustee, from time to time and at any time and without the consent or concurrence of any Holder, may enter into a Supplemental Indenture, (i) to make any changes, supplements, amendments or deletions to this Indenture that may be required to permit the Indenture to be qualified under the Trust Indenture Act of 1939 of the United States of America or (ii) for any one or more of the following purposes:

(a) (x) to make any changes or corrections in this Indenture or any Supplemental Indenture as to which the Authority shall have been advised by counsel that the same are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Indenture or Supplemental Indenture, or (y) to insert in this Indenture such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable if such provisions shall not materially and adversely affect the rights of the Holders;

(b) to add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds;

(c) to surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Indenture;

(d) to confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Indenture or any Supplemental Indenture;

(e) to grant to or confer upon the Holders any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them, or to grant to or to confer upon the Trustee for the benefit of the Holders any additional rights, duties, remedies, power or authority;

(f) to provide for the issuance of Bonds in book entry or coupon form, if at the time permitted by applicable law;

(g) to provide for the substitution of rating agencies;

(h) to provide for any new administrative or procedural provisions made necessary or desirable by the issuance of a Support Facility or an Alternate Support Facility, other credit, liquidity or support facility, including, but not limited to, any amendment necessary to obtain a rating on the Bonds based upon such facility; and

(i) to modify, amend or supplement the Indenture in such manner as to permit the qualification of the Bonds for deposit with a Securities Depository, and, in connection therewith, if they so determine, to add to the Indenture, such other terms, conditions and provisions as may be required to permit such qualification.

No Supplemental Indenture shall be entered into unless in the Opinion of Bond Counsel which shall be delivered to the Trustee (which opinion may be combined with the opinion required by Section 14.04) the execution of such Supplemental Indenture is permitted by the foregoing provisions of this Section and the provisions of such Supplemental Indenture do not materially and adversely affect the rights of the Holders of the Bonds and the Trustee may rely on any such opinion.

Section 14.02. Amending and Supplementing Indenture with Consent of Holders. With the consent of the Holders of a majority in principal amount of the Bonds then Outstanding (determined in accordance with the provisions of Section 13.03), the Authority and the Trustee, with the consent of the Support Facility Issuer (so long as no Support Facility Issuer Default has occurred and is continuing), from time to time and at any time may enter into a Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture, or modifying or amending the rights and obligations of the Authority hereunder, or modifying or amending in any manner the rights of the Holders; provided that, without the specific consent of the Holders of all Bonds Outstanding which would be affected thereby and the Support Facility Issuer, so long as no Support Facility Issuer Default has occurred and is continuing, no Supplemental Indenture amending or supplementing the provisions hereof shall: (a) change the fixed maturity date for the payment of the principal of any Bond, or the dates for the payment of interest thereon or the terms of the purchase or redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the method of calculating the same except as otherwise provided in this Indenture; or (b) reduce the aforesaid percentage of Bonds, the Holders of which are required to consent to any Supplemental Indenture amending or supplementing the provisions of this Indenture; or (c) give to any Bond any preference over any other Bond secured hereby; or (d) authorize the creation of any pledge of payments under the Participation Agreement or Note Payments prior or superior to the pledge of a lien and charge thereon assigned herein for the payment of the Bonds; or (e) effect any change in the purchase or redemption provisions relating to the Bonds; or (f) deprive any Holders in any material respect of the security afforded by this Indenture. A supplement or amendment of the provisions of Article IX hereof with respect to the Bond Fund or any other Funds or Accounts established thereby shall not be deemed a change in the terms of payment; provided that no such supplement or amendment shall, except upon the consent of the Holders of all Bonds Outstanding affected thereby, reduce the amount or amounts required to be deposited in the Bond Fund. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Holders of the execution of any Supplemental Indenture authorized by the provisions of Section 14.01.

The proof of the giving of any consent by any Holder required by this Section and of the holding of the Bonds for the purpose of giving consents shall be made in accordance with the provisions of Article XIII. It shall not be necessary that the consent of the Holders approve the particular form of wording of the proposed supplemental amendment or supplement, but it

shall be sufficient if such consent approves the substance of the proposed amendment or supplement. After the Holders of the required percentage of Bonds shall have filed their consents to the amending or supplementing hereof pursuant to this Section, the Authority shall mail a copy of notice of such consent, postage prepaid, to each Holder at his or her address as it appears upon the books of registry and to the Trustee. Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amending or supplementing of this Indenture authorized by this Section. A record of the consents shall be filed with the Trustee, and shall be proof of the matters therein stated until the contrary is proved. No action or proceeding to set aside or invalidate such Supplemental Indenture or any of the proceedings for its adoption shall be instituted or maintained unless such action or proceeding is commenced within sixty (60) days after the mailing of the notice required by this paragraph.

Notwithstanding anything in this Indenture to the contrary, the consent of the Holders of the required amount of Bonds shall be deemed given with respect to a Supplemental Indenture if:

(a) (i) the Supplemental Indenture takes effect on a date on which all of the Bonds that are affected by such Supplemental Indenture are subject to mandatory tender for purchase in accordance with this Indenture, (ii) any supplement or amendment effected thereby is consented to in writing by the Remarketing Agent, if any, for such Bonds on or prior to such effective date and is disclosed in the official statement or other disclosure document pursuant to which such Bonds are remarketed and (iii) the Bonds so tendered are purchased;

(b) (i) not less than thirty (30) days before the effective date of the Supplemental Indenture, the Trustee sends a notice of the proposed supplement or amendment to the Holders of the Bonds that are affected by such Supplemental Indenture and the Holders of such Bonds have the right to tender their Bonds for purchase pursuant to Section 5.03 hereof before such effective date, (ii) the Remarketing Agent for such Bonds consents in writing to the proposed supplement or amendment on or prior to such effective date and (iii) the Bonds so tendered are purchased; or

(c) (i) not less than thirty (30) days before the Auction Date for the Auction Period during which any supplement or amendment to this Indenture shall become effective, the Trustee sends a notice of the proposed supplement or amendment to the Holders of the Auction Rate Bonds that are affected by such supplement or amendment, (ii) the Auction Rate determined for such Auction Rate Bonds at the Auction immediately preceding the effective date of the supplement or amendment is a Winning Bid Rate, and (iii) any supplement or amendment effected thereby is consented to in writing by the Broker-Dealer(s) for such Bonds on or prior to such effective date and is disclosed in the official statement or other disclosure document delivered by the Broker-Dealer(s) to Potential Holders prior to the Auction immediately preceding such effective date; provided, however, that, notwithstanding anything to the contrary in this Indenture, any Auction Rate Bonds that are not the subject of a specific Hold Order or Bid shall be deemed to be subject to a Sell Order at the Auction immediately preceding such effective date.

Section 14.03. Notation upon Bonds; New Bonds Issued upon Amendments. The Bonds delivered after the effective date of any action taken as provided in this Article, if any, may and shall if required by the Trustee bear a notation as to such action, by endorsement or otherwise and in form approved by the Authority. In that case, upon demand of any Holder at such effective date and upon presentation of Bonds at the principal office of the Trustee or other transfer agent or registrar hereunder for such Bonds, and at such additional offices, if any, as the Authority may select and designate for that purpose, a suitable notation shall be made on the Bonds.

Section 14.04. Effectiveness of Supplemental Indentures. Upon the execution pursuant to this Article by the Authority and the Trustee of any Supplemental Indenture amending or supplementing the provisions of this Indenture and the delivery to the Trustee of an Opinion of Bond Counsel that such Supplemental Indenture is permitted by the provisions of this Article XIV and has been duly executed in accordance with the provisions hereof and applicable law and that the provisions thereof are valid (upon which opinion the Trustee, subject to the provisions of Section 11.04, shall be fully protected in relying), or upon such later date as may be specified in such Supplemental Indenture, (i) this Indenture and the Bonds shall be modified and amended in accordance with such Supplemental Indenture; (ii) the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Authority, the Trustee, and the Holders shall thereafter be determined, exercised and enforced under this Indenture subject in all respects to such supplements and amendments; and (iii) all of the terms and conditions of any such Supplemental Indenture shall be a part of the terms and conditions of the Bonds and of this Indenture for any and all purposes.

Section 14.05. Supplemental Indenture Affecting Support Facility Provider. No Supplemental Indenture, or change or amendment to or deletion of any provision in the Indenture, affecting the rights or obligations of the Support Facility Issuer which takes effect while any Support Facility is in effect may, so long as no Support Facility Issuer Default shall have occurred and be continuing in respect to the Support Facility Issuer, be entered into by the Authority and the Trustee or be consented to by the Holders without written consent of each Support Facility Issuer.

Section 14.06. Supplemental Participation Agreements Not Requiring the Consent of the Holders. The Authority and the Company may, with the written consent of the Trustee but without notice to or consent of any Holder, from time to time and at any time, agree to such supplemental agreements supplementing the Participation Agreement or amendments to the Participation Agreement as shall not be inconsistent with the terms and provisions of the Participation Agreement or this Indenture and, in the opinion of the Authority, shall not be detrimental to the interests of the Holders (which Supplemental Participation Agreements shall thereafter form a part of the Participation Agreement):

- (a) to cure any ambiguity or formal defect or omission in the Participation Agreement or in any supplemental agreement;

(b) to grant to or confer upon the Trustee for the benefit of the Holders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Holders or the Trustee;

(c) to provide for any new administrative, security or procedural provisions necessitated by the issuance of an Alternate Support Facility; or

(d) to provide for or add any further changes or corrections that are necessary or desirable to comply with any Supplemental Indenture entered into pursuant to Section 14.01;

provided that no such Supplemental Participation Agreement which takes effect while a Credit Facility is in effect shall, so long as no Support Facility Issuer Default has occurred and is continuing, be effective prior to the receipt by such parties of the written consent of each Credit Facility Issuer.

Section 14.07. Notice and Consent for Supplemental Participation Agreements Requiring the Consent of the Holders. Except for Supplemental Participation Agreements or amendments provided for in Section 14.06, neither the Authority nor the Trustee shall agree or consent, as the case may be, to any Supplemental Participation Agreement or amendment to the Participation Agreement unless notice of the proposed execution of such Supplemental Participation Agreement or amendment shall have been given and the Holders, and, so long as no Support Facility Issuer Default has occurred and is continuing, the Support Facility Issuer shall have consented to and approved the execution thereof in the same manner and form as provided for in Section 14.02 in the case of Supplemental Indentures; provided that no such Supplemental Participation Agreement which materially and adversely affects any issuer of a Support Facility (so long as such Support Facility is in effect) shall be effective prior to the receipt by such parties of the written consent of the issuer of such Support Facility, so long as no Support Facility Issuer Default has occurred and is continuing.

Notwithstanding anything in this Indenture to the contrary, the consent of the Holders of the required amount of Bonds shall be deemed given with respect to any Supplemental Participation Agreement or amendment to the Participation Agreement if:

(a) (i) the Supplemental Participation Agreement or amendment to the Participation Agreement takes effect on a date on which all of the Bonds that are affected by such Supplemental Participation Agreement or amendment to the Participation Agreement are subject to mandatory tender for purchase in accordance with this Indenture, (ii) any supplement or amendment effected thereby is consented to in writing by the Remarketing Agent, if any, for such Bonds on or prior to such effective date and disclosed in the official statement or other disclosure document pursuant to which such Bonds are remarketed and (iii) the Bonds so tendered are purchased;

(b) (i) not less than thirty (30) days before the effective date of the Supplemental Participation Agreement or amendment to the Participation Agreement, the Trustee sends a notice of the proposed supplement or amendment to the Holders of the Bonds that are affected by such supplement or amendment and the Holders of such Bonds have the right

to tender their Bonds for purchase pursuant to Section 5.03 hereof before such effective date, (ii) the Remarketing Agent for such Bonds consents in writing to the proposed supplement or amendment on or prior to such effective date and (iii) the Bonds so tendered are purchased; or

(c) (i) not less than thirty (30) days before the Auction Date for the Auction Period during which any supplement or amendment to the Participation Agreement shall become effective, the Trustee sends a notice of the proposed supplement or amendment to the Holders of the Auction Rate Bonds that are affected by such supplement or amendment, (ii) the Auction Rate determined for such Auction Rate Bonds at the Auction immediately preceding the effective date of the supplement or amendment is a Winning Bid Rate, and (iii) any supplement or amendment effected thereby is consented to in writing by the Broker-Dealer(s) for such Bonds on or prior to such effective date and is disclosed in the official statement or other disclosure document delivered by the Broker-Dealer(s) to Potential Holders prior to the Auction immediately preceding such effective date; provided, however, that, notwithstanding anything to the contrary in this Indenture, any Auction Rate Bonds that are not the subject of a specific Hold Order or Bid shall be deemed to be subject to a Sell Order at the Auction immediately preceding such effective date.

Section 14.08. Effectiveness of Supplemental Participation Agreement. Upon the execution pursuant to this Article and of applicable law by the Authority and the Company of any Supplemental Participation Agreement amending or supplementing the provisions of the Participation Agreement and the delivery to the Trustee of an Opinion of Bond Counsel that such Supplemental Participation Agreement is in due form, has been duly executed in accordance with the provisions hereof and applicable law and that the provisions thereof are valid (upon which opinion the Trustee, subject to the provisions of Section 11.04, shall be fully protected in relying), or upon such later date as may be specified in such Supplemental Participation Agreement, (i) the Participation Agreement shall be modified and amended in accordance with such Supplemental Participation Agreement; (ii) the respective rights, limitations of rights, obligations, duties and immunities thereunder of the Authority and the Company shall thereafter be determined, exercised and enforced thereunder subject in all respects to such supplements and amendments; and (iii) all of the terms and conditions of any such Supplemental Participation Agreement shall be a part of the terms and conditions thereof for any and all purposes.

Section 14.09. Amending and Supplementing the Remarketing Agreement, Auction Agency Agreement, Broker-Dealer Agreements or Bond Purchase Trust Agreement. Amendments of or supplements to the Remarketing Agreement, the Auction Agency Agreement, any Broker-Dealer Agreement or the Bond Purchase Trust Agreement shall be made only in accordance with the terms thereof.

Section 14.10. Supplemental Participation Agreement Affecting Support Facility Provider. No Supplemental Participation Agreement or amendments to the Participation Agreement affecting the rights or obligations of the Support Facility Issuer which take effect while any Support Facility is in effect may, so long as no Support Facility Issuer Default has occurred and is continuing, be entered into by the Authority and the Company or be consented to by the Holders without written consent of each Support Facility Issuer.

ARTICLE XV

DEFEASANCE; MONEYS HELD FOR PAYMENT OF
DEFEASED BONDS

Section 15.01. Discharge of Liens and Pledges; Bonds No Longer Deemed to be Outstanding Hereunder. Bonds purchased pursuant to Section 5.03, 5.04, 5.08 or 5.09 shall continue to be Outstanding hereunder until such Bonds shall be cancelled in accordance with Section 5.15 or paid at maturity or redeemed pursuant to Article V or otherwise defeased. The obligations of the Authority under this Indenture and the liens, pledges, charges, trusts, covenants and agreements of the Authority, herein made or provided for, shall be, subject to the terms of Section 15.02, fully discharged and satisfied as to the Bonds or portion thereof and the Bonds shall no longer be deemed to be Outstanding hereunder:

(a) when the Bonds shall have been cancelled, or shall have been surrendered for cancellation and are subject to cancellation, or shall have been redeemed by the Trustee from moneys held by it under this Indenture, or

(b) if the Bonds have not been cancelled or so surrendered for cancellation or subject to cancellation, or so redeemed, when (1) payment of the principal of and premium, if any, on the Bonds, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise) and of any Purchase Price which is or may become due on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust, and irrevocably appropriating and setting aside exclusively for such payments (A) moneys sufficient to make such payment, or (B) Governmental Obligations maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient and timely moneys to make such payments when due, or (C) a combination of both such moneys and Governmental Obligations, whichever the Authority deems to be in its best interest, (2) there shall have been delivered to the Trustee (x) a letter addressed to the Trustee from a nationally recognized firm of independent public accountants verifying the mathematical accuracy of the sufficiency of the deposit made pursuant to (1)(ii) above, (y) an Opinion of Bond Counsel to the effect that upon the provision of payment on the Bonds as described in (1)(ii) above, the Bonds are no longer deemed to be Outstanding under the Indenture and (z) in the case of Bonds bearing interest at a Daily Rate, a Weekly Rate, an Auction Rate, a Monthly Rate and a Semi-annual Rate, written confirmation from S&P, if the Bonds are then rated by S&P, to the effect that the deposit made pursuant to (1)(ii) above will not, by itself, result in a reduction or withdrawal of its short-term or long-term rating of the Bonds below the rating category of S&P then in effect with respect to the Bonds.

In addition, all necessary and proper fees, compensation and expenses of the Authority, Trustee and Registrar and Paying Agent pertaining to such Bonds shall have been paid or the payment thereof provided to the satisfaction of the Trustee.

At such time as the Bonds shall be deemed to be no longer Outstanding hereunder, as aforesaid, such Bonds shall cease to accrue interest from the due date thereof

(whether such due date occurs by reason of maturity, or upon redemption or prepayment or otherwise) and, except for the purposes of any such payment from such moneys or Governmental Obligations and except, in the case of Auction Rate Bonds, to the extent provided in the definition of Outstanding in Article I shall no longer be secured by or entitled to the benefits of this Indenture.

Any such moneys so deposited with the Trustee as provided in this Section may at the written direction of the Company also be invested and reinvested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited shall be paid to the Company or if any Bonds are then Outstanding, be deposited in the Bond Fund and credited to the Principal Account as and when realized and collected, for use and application as are other moneys credited to such Account.

Anything in Article XV to the contrary notwithstanding, if moneys or Governmental Obligations have been deposited or set aside with the Trustee pursuant to this Section for the payment of the Bonds, the Bonds shall be deemed to have been paid in full. No amendment to the provisions of this Article shall be made without the consent of the Holders of the Bonds affected thereby.

The Trustee shall promptly surrender any Support Facility (if appropriate for the type of instrument or instruments then serving as Support Facility) to the issuer of such Support Facility for cancellation or shall otherwise take appropriate action to terminate the Support Facility following any such defeasance.

Section 15.02. Release of Indenture, Termination of Right, Title and Interest of Trustee. When the Bonds shall be deemed to be paid in accordance with the provisions of Section 15.01, then and in the case all right, title and interest of the Trustee under this Indenture shall thereupon cease, determine and become void, and the Trustee in such case shall release this Indenture, shall execute such documents to evidence such release as may be reasonably required by the Authority and furnish the Authority with the same, and shall turn over to the Company any surplus moneys and balances remaining in any of the Funds and Accounts created in or held under this Indenture, other than moneys and Governmental Obligations held by it pursuant to Section 15.01 or the provisions of Section 15.03 for the redemption, payment or prepayment of the Bonds; otherwise, this Indenture shall be, continue and remain in full force and effect.

Notwithstanding the satisfaction and discharge of this Indenture, the rights of the Trustee and the Registrar and Paying Agent under Sections 11.02, 11.06 and 11.17 shall survive defeasance of the Bonds hereunder.

Section 15.03. Bonds Not Presented for Payment When Due; Moneys Held for the Bonds after Due Date of Bonds. Subject to the provisions of the next sentence of this paragraph, if the Bonds shall not be presented for payment when the principal thereof shall become due, whether at maturity or at the date fixed for the redemption thereof, or otherwise, and if moneys or Governmental Obligations shall at such due date be held by the Trustee in trust for that

purpose sufficient and available to pay the principal of and premium, if any, on the Bonds, together with all interest due on such principal to the due date thereof or to the date fixed for redemption thereof, all liability of the Authority and the Company for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold said moneys or Governmental Obligations without liability to the Holders for interest thereon, in trust for the benefit of the Holders, which thereafter shall be restricted exclusively to said moneys or Governmental Obligations for any claim of whatever nature on its part on or with respect to the Bonds, including for any claim for the payment thereof. Notwithstanding anything to the contrary in Section 9.04, any moneys or Governmental Obligations held by the Trustee for the Holders after the principal of and premium, if any, and interest on the Bonds or any portion thereof with respect to which such moneys or Governmental Obligations have been so set aside has become due and payable (whether at maturity or upon redemption or prepayment or otherwise) shall be either held uninvested as cash or at the written direction of the Company invested and reinvested in Governmental Obligations which mature on the next Business Day. Any such moneys or Governmental Obligations held by the Trustee for the Holders after the principal of and premium, if any, and interest on the Bonds or any portion thereof with respect to which such moneys or Governmental Obligations have been so set aside has become due and payable (whether at maturity or upon redemption or prepayment or otherwise) shall be deemed abandoned property when such moneys or Governmental Obligations shall have remained unpaid or undelivered to the Holder or Holders entitled thereto for three years from the date the principal of and premium, if any, and interest on the Bonds or any portion thereof has become due and payable and shall be subject to the laws of the State of New York relating to disposition of unclaimed property.

from the date of authentication hereof, or if such date shall not be an Interest Payment Date from the next preceding Interest Payment Date or, if the date of authentication is after the Record Date next preceding the next succeeding Interest Payment Date, from the next succeeding Interest Payment Date until the payment of such principal amount in full, at the rate of interest per annum specified above, such interest being payable on each Interest Payment Date in each year, by check mailed to the registered owner hereof at his or her address as it appears on the registration books kept by the Registrar and Paying Agent pursuant to the Indenture hereinafter mentioned; provided, that (i) while the Securities Depository is the registered owner of the Bonds, all payments of principal of and premium, if any, and interest on the Bonds shall be paid to the Securities Depository by wire transfer, (ii) prior to and including any Fixed Rate Conversion Date, interest on the Bonds shall be payable, at the option of any registered owner of at least one million dollars (\$1,000,000) in aggregate principal amount of the Bonds, by wire transfer upon written notice received by the Registrar and Paying Agent from such registered owner at least five days prior to the Record Date, containing the wire transfer address (which shall be in the continental United States) to which such registered owner wishes to have such wire directed, and (iii) during a Commercial Paper Rate Period, interest on this Bond shall be payable only upon presentation and surrender hereof to the Registrar and Paying Agent upon purchase thereof pursuant to the Indenture, and if such presentation and surrender is made by 2:00 p.m. (New York City time) such payment shall be by wire transfer. If interest is in default it shall be paid to the person in whose name this Bond is registered as of a special record date as set forth in the Indenture. Except as set forth above, principal of and premium, if any, on this Bond are payable at the principal office of The Bank of New York, in New York, New York, as Registrar and Paying Agent of the Bonds. Principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

This Bond is one of a duly authorized issue of Bonds of the Authority designated as “Facilities Revenue Bonds, Series 2005A (Consolidated Edison Company of New York, Inc. Project)”, issued in the aggregate principal amount of One Hundred Twenty-Six Million, Three Hundred Thousand Dollars (\$126,300,000), referred to herein as the “Bonds.” In order to distinguish between Bonds which are subject to different interest rate determination methods and other features and to distinguish the portion of the Bonds to be remarketed by any particular Remarketing Agent, the Bonds may be designated and redesignated from time to time by the Authority in such a way as to identify one or more subseries of the Bonds pursuant to Article II of the Indenture. Pursuant to the Indenture, the Series 2005A Bonds are being issued in three subseries, designated Subseries 2005A-1, Subseries 2005A-2 and Subseries 2005A-3, in principal amounts of \$42,100,000, \$42,100,000 and \$42,100,000, respectively. This Bond and the issue of which it is one are authorized to be issued and are issued under, pursuant to and in full compliance with the Constitution and statutes of the State of New York, including particularly the New York State Energy Research and Development Authority Act, Title 9 of Article 8 of the Public Authorities Law of the State of New York, as amended (the “Act”), a resolution of the Authority adopted on April 11, 2005 and a Trust Indenture dated as of May 1, 2005 between the Authority and The Bank of New York, as Trustee (herein, as it may be amended from time to time, called the “Indenture”). The Bonds are issued for the purpose of refunding certain outstanding bonds of the Authority issued in order to provide funds for the refunding of certain obligations of the Authority originally issued to finance a portion of the cost of acquisition, construction and installation of certain facilities of Consolidated Edison Company of New York, Inc. (the “Company”) for the local furnishing of electric energy within the

Company's service area in The City of New York and the County of Westchester, New York (all of said facilities being referred to herein as the "Project") pursuant to a Participation Agreement, dated as of May 1, 2005, between the Authority and the Company (hereinafter, as it may be amended or supplemented from time to time, called the "Participation Agreement"). Under the Participation Agreement and the promissory note delivered to the Trustee (the "Note"), the Company is required to make payments to the Trustee for deposit to the Bond Fund established pursuant to the Indenture in an amount sufficient to pay principal of and premium, if any, and interest on the Bonds when due. The Participation Agreement also imposes on the Company certain obligations respecting the use and operation of the Project. A copy of the Participation Agreement is on file at the principal office of the Trustee, and reference is hereby directed to the Participation Agreement for the provisions thereof.

The terms and provisions pertaining to Bonds bearing an Auction Rate are set forth in separate bond certificates.

A copy of the Indenture is on file at the principal office of the Trustee. Reference is hereby directed to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds; the collection and disposition of revenues; a description of the nature and extent of the security for the Bonds, the funds and moneys pledged for the payment of the principal of and premium, if any, and interest on the Bonds; the nature and extent and manner of enforcement of the pledge; the rights and remedies of the registered owners of Bonds with respect thereto; the conditions for and the permissible extent of alteration, supplement and amendment of the Indenture or Participation Agreement; the terms and conditions upon which this Bond and the issue of which it is one are issued; the rights, duties and obligations of the Authority and the Trustee thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity, purchase or redemption of this issue and pursuant to which this Bond thereafter will no longer be secured by the Indenture, or be deemed to be outstanding thereunder, if sufficient moneys or certain specified securities shall have been deposited with the Trustee and held in trust solely for the payment thereof; and for all other terms and provisions thereof. The provisions of the Act and the Indenture shall be a contract with the registered owner of this Bond, and the duties of the Authority and any employee thereof under said Act and the Indenture shall be enforceable by the registered owner hereof, by mandamus or other appropriate suit, action or proceeding, in any court of competent jurisdiction in the State of New York.

The Bonds are not general obligations of the Authority, and shall not constitute indebtedness of or a charge against the general credit of the Authority or give rise to any pecuniary liability of the Authority. The liability of the Authority under the Bonds shall be enforceable only to the extent provided in the Indenture, and the Bonds shall be payable solely from the moneys and revenues received from the payments made by the Company pursuant to the Participation Agreement and the Note, or the income from the temporary investment thereof, and from amounts held under the Indenture including the proceeds of a Direct-Pay Credit Facility, if any, and not from any other fund or source. Pursuant to the Indenture, the Authority has pledged and assigned to the Trustee its right, title and interest (with certain exceptions) in and to the Note and the Participation Agreement to secure the payment of the principal of and premium, if any, and interest on the Bonds. The Bonds are and shall be secured by a prior and paramount lien and charge on said moneys and revenues. The Bonds shall not be a debt of the

State of New York, and the State of New York shall not be liable thereon. The Bonds are payable solely from the moneys and revenues pledged under the Indenture to the payment thereof. Neither the Authority nor the State of New York is obligated to provide for the payment of the Purchase Price of tendered Bonds or payment of principal, premium, if any, or interest on the Bonds.

This Bond shall not be entitled to any security, right or benefit under the Indenture or become valid or obligatory for any purpose until it shall have been authenticated by the Trustee by its execution of the certificate of authentication endorsed hereon.

No covenant or agreement contained in this Bond or the Indenture shall be deemed to be a covenant or agreement of any member, agent or employee of the Authority in his or her individual capacity, and neither the members of the Authority nor any officer thereof executing this Bond shall be liable personally on this Bond or be subject to any personal liability or accountability by reason of the issuance of this Bond.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State of New York and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond and the issue of which this Bond is a part, do exist, have happened and have been performed in due time, form and manner as required by such Constitution, laws and the Indenture; that the amount of this Bond and the issue of which this Bond is a part does not exceed any constitutional or statutory limitations of indebtedness; and that provision has been made for the payment of the principal of and premium, if any, and interest on this Bond and the series of which it is a part as provided in the Indenture.

EXCEPT AS OTHERWISE PROVIDED IN SECTION 2.03 OF THE INDENTURE, THIS GLOBAL BOND MAY BE TRANSFERRED, IN WHOLE BUT NOT IN PART, ONLY TO A NOMINEE OF THE SECURITIES DEPOSITORY OR TO A SUCCESSOR SECURITIES DEPOSITORY OR TO A NOMINEE OF A SUCCESSOR SECURITIES DEPOSITORY.

Interest Rate Provisions

The Bonds will bear interest at one of the following interest rates: a "Commercial Paper Rate", an "Auction Rate", a "Daily Rate," a "Weekly Rate," a "Monthly Rate," a "Semi-annual Rate", a "Term Rate" (each of the foregoing referred to as an "Adjustable Rate") or a "Fixed Rate". Except with respect to the Weekly Rate for the initial Calculation Period which shall be 3.00%, each Adjustable Rate other than an Auction Rate shall be an adjustable rate which, with respect to the first day of each Calculation Period applicable to such Adjustable Rate, shall be equal to the rate or rates of interest per annum established and certified to the Trustee by the Remarketing Agent no later than 12:00 noon (New York City time) on and as of the Determination Date as the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary on and as of the date of such certification to remarket Bonds in a secondary market transaction at a price equal to the principal amount thereof plus accrued interest thereon, if any, except as otherwise provided in the Indenture; provided that such rate of interest shall not exceed the lesser of (i) the lesser of 15% or the maximum interest rate

payable under the Support Facility then in effect and (ii) 110% of the rate index for such rate on the applicable Determination Date. Anything in the Indenture to the contrary notwithstanding, in no event shall the interest rate borne by any Bond exceed the maximum rate allowable by applicable law. The term "Business Day" means any day other than a Saturday, Sunday or other day on which the New York Stock Exchange or banks are authorized or obligated by law or executive order to close in New York, New York, or any city in which is located the principal corporate trust office of the Trustee or the office of an issuer of a Support Facility, at which demands for a draw on, or borrowing or payment under, the Support Facility will be made.

During any Commercial Paper Rate Period, at or prior to 12:00 noon (New York City time) on each Determination Date, the Remarketing Agent shall establish Calculation Periods and related Commercial Paper Rates. In determining Calculation Periods, the Remarketing Agent shall take into account certain factors set forth in the Indenture. The Remarketing Agent shall select the Calculation Periods and the applicable Commercial Paper Rates that, together with all other Calculation Periods and related Commercial Paper Rates, in the sole judgment of the Remarketing Agent, will result in the lowest overall borrowing cost on the Bonds or are otherwise in the best financial interests of the Company, as determined in consultation with the Company. Any Calculation Period established under the Indenture may not extend beyond the second Business Day next preceding the expiration date of the Support Facility or the day prior to the maturity date of the Bonds. The Authority, at the request of the Company, may place limitations upon the establishment of the Calculation Periods in accordance with the Indenture.

The term "Calculation Period" means (a) during any Commercial Paper Rate Period, following a Change in the Interest Rate Mode to a Commercial Paper Rate Period, the period from and including the effective date of the Change in the Interest Rate Mode to a Commercial Paper Rate Period to but not including any day not more than 270 days thereafter which is a day immediately preceding a Business Day established by the Remarketing Agent pursuant to the Indenture and, thereafter, any Calculation Period established by the Remarketing Agent pursuant to the Indenture which shall end on a day not later than 270 days from the commencement thereof; (b) during any Daily Rate Period, the period from and including a Business Day to but not including the next succeeding Business Day; (c) during the first Weekly Rate Period, the period from and including the date of issuance of the Bonds to and including the following Tuesday, and thereafter the period from and including Wednesday of each week to and including the following Tuesday and during any other Weekly Rate Period following a Change in the Interest Rate Mode to a Weekly Rate, the period from and including the effective date of the Change in the Interest Rate Mode to and including the following Tuesday, and, thereafter, the period from and including Wednesday of each week to and including the following Tuesday; (d) during any Monthly Rate Period, following a Change in the Interest Rate Mode to a Monthly Rate, the period from and including the effective date of the Change in the Interest Rate Mode to but excluding the first Business Day of the following month, and thereafter, each period from and including the first Business Day of the month to but excluding the first Business Day of the following month; (e) during any Semi-annual Rate Period, following a Change in the Interest Rate Mode to a Semi-annual Rate, the period from and including the effective date of the Change in the Interest Rate Mode to but excluding the next succeeding Interest Payment Date and, thereafter, each period from and including the day following the end of the last Calculation Period to but excluding the next succeeding Interest Payment Date; (f) during any Term Rate

Period, any period of not less than 365 days from and including the effective date of the Change in the Interest Rate Mode to a Term Rate to and including any day (established by the Authority at the request of the Company pursuant to the Indenture) not later than the day prior to the Stated Maturity; and (g) during any Fixed Rate Period following a Change in the Interest Rate Mode to a Fixed Rate, the period from and including the effective date of the Change in the Interest Rate Mode through the day immediately preceding the Stated Maturity.

The term "Interest Payment Date" means (a) during each Commercial Paper Rate Period, the Business Day immediately succeeding the last day of any Calculation Period; (b) during each Daily Rate Period, the first Business Day of each month thereof; (c) (i) during the initial Weekly Rate Period, on June 1, 2005 and on the first Business Day of each month thereafter, and (ii) during each Weekly Rate Period other than the initial Weekly Rate Period, on the first Business Day of each month thereof; (d) during each Monthly Rate Period, the first Business Day of each month thereof; (e) during each Semi-annual Rate Period, (i) the first Business Day of the sixth calendar month following the month in which the first day of such Semi-annual Rate Period occurred, (ii) each anniversary of the date so determined, and (iii) each anniversary of the first day of the first month of such Semi-annual Rate Period; (f) during each Term Rate Period, the November 1 or May 1 next succeeding the first day of a Calculation Period and each November 1 or May 1 thereafter; provided, however, that if the November 1 or May 1 next succeeding the first day of a Calculation Period occurs less than twenty-one (21) days after the first day of such Calculation Period, the first Interest Payment Date shall be the second such date following the first day of such Calculation Period; (g) the November 1 or May 1 next succeeding a Fixed Rate Conversion Date and each November 1 or May 1 thereafter; provided, however, that if the November 1 or May 1 next succeeding a Fixed Rate Conversion Date occurs less than twenty-one (21) days after such Fixed Rate Conversion Date, the first Interest Payment Date shall be the second such date following the first day of the Fixed Rate Period; (h) a Fixed Rate Conversion Date; (i) any day on which Bonds are subject to mandatory tender for purchase or redemption in whole pursuant to the Indenture; and (j) the Stated Maturity; provided, however, that if any such date determined in any of the foregoing clauses is not a Business Day, the Interest Payment Date shall be the next succeeding day which is a Business Day.

While the Bonds bear interest at a Commercial Paper Rate, a Daily Rate, a Weekly Rate, a Monthly Rate or a Semi-annual Rate, interest accrued on such Bonds shall be computed on the basis of a 365 or 366-day year, as applicable, for the number of days actually elapsed. While the Bonds bear interest at a Term Rate or a Fixed Rate, interest accrued on such Bonds shall be computed on the basis of a 360-day year, consisting of twelve (12) thirty (30) day months.

As used herein, the term "Record Date" means (a) with respect to each Interest Payment Date during a Commercial Paper Rate Period, a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period, the Business Day next preceding such Interest Payment Date; (b) with respect to each Interest Payment Date during a Semi-annual Rate Period or a Term Rate Period, the fifteenth day of the calendar month next preceding such Interest Payment Date; and (c) with respect to each Interest Payment Date during a Fixed Rate Period, the fifteenth day of the month next preceding such Interest Payment Date, or, if such day is not a Business Day, the next preceding Business Day.

As used herein, the term "Remarketing Agent" shall mean Citigroup Global Markets Inc. with respect to the Subseries 2005A-1 Bonds, J.P. Morgan Securities Inc. with respect to the Subseries 2005A-2 Bonds, and Morgan Stanley & Co. Incorporated with respect to the Subseries 2005A-3 Bonds or their respective successors or assigns or such other Remarketing Agents or their respective successors or assigns as shall be appointed from time to time pursuant to the Indenture and the Remarketing Agreement.

The Bonds shall cease to bear interest at the Adjustable Rate then borne by the Bonds and shall bear interest at such different Adjustable Rate or Fixed Rate as shall be specified by the Authority, at the written request of the Company.

If any condition to any Change in the Interest Rate Mode is not met on any date, then the Bonds shall continue to bear interest at the Adjustable Rate then borne by the Bonds and be subject to all provisions of the Indenture applicable thereto while the Bonds bear interest at such Adjustable Rate. Notwithstanding the failure to meet such conditions, the Bonds shall remain subject to mandatory tender for purchase in accordance with the Indenture.

Fixed Rate. On a Fixed Rate Conversion Date, the Bonds shall cease to bear interest at the Adjustable Rate then borne by the Bonds and shall bear interest at a Fixed Rate upon the election by the Authority, at the written request of the Company, to exercise its Option to Convert. Fixed Rate means the rate of interest per annum established and certified to the Trustee by the Remarketing Agent no later than 12:00 noon (New York City time) on and as of such date as the minimum rate of interest per annum which, in the opinion of the Remarketing Agent, would be necessary on and as of such date to remarket the Bonds in a secondary market transaction at a price equal to 100% of the outstanding principal amount thereof; provided that such rate of interest shall not exceed the lesser of (i) the lesser of 15% or the maximum interest rate payable under the Support Facility then in effect and (ii) 110% of the Fixed Rate Index on and as of such date. A Fixed Rate shall be established in accordance with the terms and subject to the conditions set forth in the Indenture. Anything in the Indenture to the contrary notwithstanding, in no event shall the interest rate borne by any Bond exceed the maximum rate allowable by applicable law.

Redemption Provisions

Optional Redemption. The Bonds shall be subject to redemption at the option of the Authority upon the request of the Company:

(a) During any Commercial Paper Rate Period, the Bonds shall be subject to redemption on each Interest Payment Date, as a whole or in part, at the principal amount thereof, at a redemption price equal to 100% of the principal amount.

(b) During any Daily Rate Period, the Bonds shall be subject to redemption on any Business Day, as a whole or in part, at the principal amount thereof, plus accrued and unpaid interest to the date fixed for redemption, if any.

(c) During any Weekly Rate Period, the Bonds shall be subject to redemption on any Business Day, as a whole or in part, at the principal amount thereof, plus accrued and unpaid interest to the date fixed for redemption, if any.

(d) During any Monthly Rate Period, the Bonds shall be subject to redemption on each Interest Payment Date, as a whole or in part, at the principal amount thereof.

(e) During any Semi-annual Rate Period, the Bonds shall be subject to redemption on each Interest Payment Date, as a whole or in part, at the principal amount thereof.

(f) During any Term Rate or Fixed Rate Period, the Bonds shall be subject to redemption in whole or in part at any time as follows: after the No-Call Period shown below, which shall begin on the first day of the Calculation Period applicable to such Bonds or on a Fixed Rate Conversion Date, as the case may be, and end on the enumerated anniversary thereof, at a redemption price equal, initially, to the principal amount thereof, plus a premium equal to the percentage of the principal amount to be redeemed shown in the Initial Premium column, plus accrued and unpaid interest if paid on a Business Day other than an Interest Payment Date. The premium percentage, if any, shall decline by the percentage shown in the Reduction in Premium column on each anniversary of the date on which such Bonds are first redeemable until the Bonds shall be redeemable without premium.

If upon establishment of a Term Rate Period or a Fixed Rate Period, as the case may be, the applicable Remarketing Agent certifies to the Trustee, Bond Counsel and the Authority in writing that the foregoing schedule is not consistent with then-prevailing market conditions, the Authority at the request of the Company may revise the foregoing Initial Premium, Reductions in Premium and No-Call Periods with respect to Bonds for which a Term Rate Period or Fixed Rate Period is then being established without the approval of the Holders to reflect then-prevailing market conditions, upon receipt of an Opinion of Bond Counsel to the effect that any revisions pursuant to this paragraph, either by itself or in conjunction with the establishment of a Calculation Period for a Term Rate Period or a Fixed Rate Period, as the case may be, are made in accordance with the Indenture, is permitted under the Act and will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Extraordinary Optional Redemption. During any Term Rate Period or Fixed Rate Period, the Bonds are also subject to redemption prior to maturity in whole at any time at the option of the Authority, exercised at the direction of the Company, upon notice given as provided in the Indenture, at a redemption price equal to the principal amount thereof, together with unpaid interest accrued thereon to the date fixed for redemption, in any of the following events:

- (1) All or substantially all of the Project shall have been damaged or destroyed or title to, or the temporary use of, all or a substantial portion of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority, or person, firm or corporation acting under governmental authority, as in each case renders the Project unsatisfactory to the Company for its intended use;
- (2) Unreasonable burdens or excessive liabilities shall have been imposed upon the Authority or the Company with respect to all or substantially all of the Project, including without limitation the imposition of federal, state or other ad valorem property, income or other taxes other than ad valorem taxes in effect on the date of original issuance of the Bonds levied upon privately owned property used for the same general purpose as the Project; or
- (3) Any court or regulatory or administrative body shall enter or adopt, or fail to enter or adopt, a judgment, order, approval, decree, rule or regulation, as a result of which the Company elects to cease operation of all or substantially all of the Project.

Special Tax Redemption Provisions. 1. During any Semi-annual Rate Period, Term Rate Period, or Fixed Rate Period, the Bonds shall be subject to mandatory redemption as a whole (provided, however, that the Bonds shall be redeemed in part if the Company obtains an opinion of Bond Counsel to the effect that, by redeeming such portion of the Bonds, the interest on the remaining Bonds will not be included for federal income tax purposes in the gross income of any owner of the Bonds (other than an owner who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a)(1) of the Code)) at any time at a redemption price equal to 100% of the principal amount thereof, together with unpaid interest accrued thereon to the redemption date, if, in a published or private ruling of the Internal Revenue Service or in a final, nonappealable judicial decision by a court of competent jurisdiction (provided that the Company has been afforded the opportunity to participate at its own expense in the proceeding resulting in such ruling or in the litigation resulting in such decision, as the case may be), it is determined that, as a result of a failure by the Company to observe any covenant, agreement or representation in the Participation Agreement or the Tax Regulatory Agreement, interest on the Bonds is included for federal income tax purposes in the gross income (as defined in Section 61 of the Code) of any owner of a Bond (other than a “substantial user” of the Project or a “related person” within the meaning of Section 147(a)(1) of the Code), and, in such event, the Bonds shall be subject to such mandatory redemption not more than one hundred eighty (180) days after receipt by the Trustee of notice of such published or private ruling or judicial decision and a demand for redemption of the Bonds. The occurrence of an event requiring the redemption of the Bonds under this paragraph does not constitute an event

of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

2. During any Semi-annual Rate Period, Term Rate Period, or Fixed Rate Period, the Bonds may be redeemed in whole or in part at any time at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon to the redemption date, if the Company has determined, on the basis of the advice of Bond Counsel that, as a result of any action taken or expected to be taken, or a failure to take action, a reasonable risk exists that interest on the Bonds will not be excludable from gross income for federal tax purposes. Such conclusion and certification shall be evidenced by delivery to the Trustee of a written certificate of an Authorized Company Representative to the effect that the Company has reached such conclusion, together with a copy of such advice of Bond Counsel. The occurrence of an event permitting the redemption of the Bonds under this paragraph does not constitute an event of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

3. During any Semi-annual Rate Period, Term Rate Period, or Fixed Rate Period, the Bonds will also be subject to mandatory redemption at a redemption price equal to one hundred three percent (103%) of the principal amount thereof plus unpaid interest accrued thereon to the redemption date if the Company reasonably concludes and certifies to the Trustee that the business, properties, condition (financial or otherwise), operations or business prospects of the Company will be materially and adversely affected unless the Company takes or omits to take a specified action and that the Company has been advised in writing by Bond Counsel that the specified action or omission would cause the use of the Project to be such that, pursuant to Section 150 of the Code, the Company would not be entitled to deduct the interest on the Bonds for purposes of determining the Company's federal taxable income, for a period of not less than ninety (90) consecutive or nonconsecutive days during a twelve-month period. Such conclusion and certification shall be evidenced by delivery to the Trustee of a written certificate of an Authorized Company Representative to the effect that the Company has reached such conclusion, together with a certified copy of a resolution of the Board of Trustees of the Company authorizing such certificate and a copy of such advice of Bond Counsel. In the event that the Bonds become subject to redemption as provided in this paragraph, the Bonds will be redeemed in whole unless redemption of a portion of the Bonds outstanding would, in the opinion of Bond Counsel, have the result that interest payable on the Bonds remaining outstanding after such redemption would be deductible for purposes of determining the federal taxable income of the Company, and, in such event, the Bonds to be redeemed shall be selected (in the principal amount of \$5,000 or any integral multiple thereof) by lot, in such amount as is necessary to accomplish that result. The occurrence of an event requiring the redemption of the Bonds under this paragraph does not constitute an event of default under the Note or under the Indenture and the sole obligation in such event shall be for the Company to prepay the Note in an amount sufficient to redeem the Bonds to the extent required by this paragraph.

Mandatory Redemption Upon State Furnishing Funds. Under the provisions of Section 1864 of the Act, the State of New York may, upon furnishing sufficient funds therefor, require the Authority to redeem, prior to maturity, as a whole, the Bonds on any Interest Payment

Date not less than twenty years after their date of original issuance at a redemption price of 105% of their face value and accrued interest or at such lesser redemption price as may be applicable to an optional redemption at that time.

Purchase Upon Election of Holder. During any Daily Rate Period or Weekly Rate Period, any Bond or portion thereof in a principal amount equal to an authorized denomination (so long as the principal amount not purchased is an authorized denomination) shall be purchased on the demand of the registered owner thereof, on any Business Day at the Purchase Price, upon delivery to the Registrar and Paying Agent and the Remarketing Agent at their respective principal offices, by the close of business on any Business Day of a Notice of Election to Tender (the substance of which notice must also be given telephonically to the Remarketing Agent prior to or simultaneously with such notice). The date on which such Bond shall be purchased at the request of the registered owner, (i) if the Bond then bears interest at a Daily Rate, shall be the date of delivery of such notice if such notice is delivered to the Registrar and Paying Agent and the Remarketing Agent by 10:00 a.m. (New York City time) on such date or may be any Business Day thereafter, and (ii) if the Bond then bears interest at a Weekly Rate, shall be a Business Day not prior to the 7th day next succeeding the date of the delivery of such notice to the Registrar and Paying Agent and the Remarketing Agent.

During any Monthly Rate Period or Semi-annual Rate Period, this Bond or portion hereof in a principal amount equal to an authorized denomination (so long as the principal amount not purchased is an authorized denomination) shall be purchased on the demand of the registered owner thereof on the first Business Day following each Calculation Period at the Purchase Price, upon delivery to the Registrar and Paying Agent and the applicable Remarketing Agent, at their respective principal offices of a Notice of Election to Tender (the substance of which notice must also be given telephonically to the Remarketing Agent prior to or simultaneously with the delivery of such notice) on or prior to a Business Day which is not less than ten (10) days, in the case of Bonds bearing interest at a Semi-annual Rate, or seven (7) days, in the case of Bonds bearing interest at a Monthly Rate, prior to the proposed date of purchase.

Mandatory Tender for Purchase Upon a Change in the Interest Rate Mode. Upon a Change in the Interest Rate Mode, the Bonds shall be subject to mandatory tender for purchase in accordance with the Indenture, on the effective date of such Change in the Interest Rate Mode at the Purchase Price.

Mandatory Tender for Purchase on Business Day following Calculation Periods. Bonds bearing a Commercial Paper Rate or a Term Rate shall be subject to mandatory tender for purchase in accordance with the Indenture on the Business Day immediately following each Calculation Period at a price equal to the Purchase Price.

Mandatory Tender For Purchase Upon Expiration of any Support Facility or Upon Delivery of an Alternate Support Facility. On the second Business Day next preceding the date of expiration of any Support Facility, the Bonds shall be subject to mandatory purchase at the Purchase Price, unless on or prior to the 35th day prior to such date of expiration the Company on behalf of the Authority has furnished to the Trustee an agreement to extend such Support Facility. The Bonds shall also be subject to mandatory purchase at the Purchase Price, on the date there is delivered an Alternate Support Facility meeting the requirements of the Indenture.

No tender for purchase of any Bonds shall be required if a Fixed Rate Conversion Date shall have occurred with respect to such Bonds or if such Bonds have been converted to bear interest at an Auction Rate on a date prior to such date of expiration.

Mandatory Tender Upon Occurrence of any Terminating Event. Upon the occurrence of any Terminating Event, the Bonds shall be subject to mandatory tender for purchase at the Purchase Price on a Business Day selected by the Trustee; provided, however, that (i) such mandatory tender shall not occur later than the 5th day after the receipt of notice thereof by the Trustee, and (ii) such mandatory tender date shall be a Business Day. The Bonds will not be subject to such mandatory tender for purchase during any Auction Rate Period or any Fixed Rate Period.

Procedure for Redemption. In the event any of the Bonds are called for redemption, the Trustee shall give notice, of the redemption of such Bonds in accordance with the Indenture.

Except as set forth above, principal of and premium, if any, on this Bond are payable at the corporate trust office of The Bank of New York, in New York, New York, as Registrar and Paying Agent of the Bonds. Principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

This Bond is one of a duly authorized issue of Bonds of the Authority designated as “Facilities Revenue Bonds, Series 2005A (Consolidated Edison Company of New York, Inc. Project)”, issued in the aggregate principal amount of One Hundred Twenty-Six Million, Three Hundred Thousand Dollars (\$126,300,000), referred to herein as the “Bonds.” In order to distinguish between Bonds which are subject to different interest rate determination methods and other features and to distinguish the portion of the Bonds to be remarketed by any particular Remarketing Agent, the Bonds may be designated and redesignated from time to time by the Authority in such a way as to identify one or more subseries of the Bonds pursuant to Article II of the Indenture. Pursuant to the Indenture, the Series 2005A Bonds are being issued in three subseries, designated Subseries 2005A-1, Subseries 2005A-2 and Subseries 2005A-3, in principal amounts of \$42,100,000, \$42,100,000 and \$42,100,000, respectively. This Bond and the issue of which it is one are authorized to be issued and are issued under, pursuant to and in full compliance with the Constitution and statutes of the State of New York, including particularly the New York State Energy Research and Development Authority Act, Title 9 of Article 8 of the Public Authorities Law of the State of New York, as amended (the “Act”), a resolution of the Authority adopted on April 11, 2005 and a Trust Indenture dated as of May 1, 2005 between the Authority and The Bank of New York, as Trustee (herein, as it may be amended from time to time, called the “Indenture”). The Bonds are issued for the purpose of refunding certain outstanding bonds of the Authority issued in order to provide funds for the refunding of certain obligations of the Authority originally issued to finance a portion of the cost of acquisition, construction and installation of certain facilities of Consolidated Edison Company of New York, Inc. (the “Company”) for the local furnishing of electric energy within the Company’s service area in The City of New York and the County of Westchester, New York (all of said facilities being referred to herein as the “Project”) pursuant to a Participation Agreement, dated as of May 1, 2005, between the Authority and the Company (hereinafter, as it may be amended or supplemented from time to time, called the “Participation Agreement”). Under the Participation Agreement and the promissory note delivered to the Trustee (the “Note”), the Company is required to make payments to the Trustee for deposit to the Bond Fund established pursuant to the Indenture in an amount sufficient to pay the portion of principal of and premium, if any, and interest on the Bonds when due. The Participation Agreement also imposes on the Company certain obligations respecting the use and operation of the Project. A copy of the

Participation Agreement is on file at the principal office of the Trustee, and reference is hereby directed to the Participation Agreement for the provisions thereof.

The terms and provisions pertaining to Bonds bearing a Fixed Rate or another Adjustable Rate are set forth in separate bond certificates.

A copy of the Indenture is on file at the principal office of the Trustee. Reference is hereby directed to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds; the collection and disposition of revenues; a description of the nature and extent of the security for the Bonds, the funds and moneys pledged for the payment of the premium, if any, and interest on and the principal of the Bonds; the nature and extent and manner of enforcement of the pledge; the rights and remedies of the registered owners of Bonds with respect thereto; the conditions for and the permissible extent of alteration, supplement and amendment of the Indenture or Participation Agreement; the terms and conditions upon which this Bond and the issue of which it is one are issued; the rights, duties and obligations of the Authority and the Trustee thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity, purchase or redemption of this issue and pursuant to which this Bond thereafter will no longer be secured by the Indenture, or be deemed to be outstanding thereunder, if sufficient moneys or certain specified securities shall have been deposited with the Trustee and held in trust solely for the payment thereof; and for all other terms and provisions thereof. The provisions of the Act and the Indenture shall be a contract with the registered owner of this Bond, and the duties of the Authority and any employee thereof under said Act and the Indenture shall be enforceable by the registered owner hereof, by mandamus or other appropriate suit, action or proceeding, in any court of competent jurisdiction in the State of New York.

The Bonds are not general obligations of the Authority, and shall not constitute indebtedness of or a charge against the general credit of the Authority or give rise to any pecuniary liability of the Authority. The liability of the Authority under the Bonds shall be enforceable only to the extent provided in the Indenture, and the Bonds shall be payable solely from the money and revenues received from the payments made by the Company pursuant to the Participation Agreement and the Note or the income from the temporary investment thereof, and from amounts held under the Indenture including the proceeds of a Direct-Pay Credit Facility, if any, and not from any other fund or source. Pursuant to the Indenture, the Authority has pledged and assigned to the Trustee its right, title and interest (with certain exceptions) in and to the Participation Agreement and the Note to secure the payment of the principal of and premium, if any, and interest on the Bonds. The Bonds are and shall be secured by a prior and paramount lien and charge on said moneys and revenues. The Bonds shall not be a debt of the State of New York and the State of New York shall not be liable thereon. The Bonds are payable solely from the moneys and revenues pledged under the Indenture to the payment thereof. Neither the Authority nor the State of New York is obligated to provide for the payment of the Purchase Price of tendered Bonds or payment of principal, premium, if any, or interest on the Bonds.

This Bond shall not be entitled to any security, right or benefit under the Indenture or become valid or obligatory for any purpose until it shall have been authenticated by the Trustee by its execution of the certificate of authentication endorsed hereon.

No covenant or agreement contained in this Bond or the Indenture shall be deemed to be a covenant or agreement of any member, agent or employee of the Authority in his or her individual capacity, and neither the members of the Authority nor any officer thereof executing this Bond shall be liable personally on this Bond or be subject to any personal liability or accountability by reason of the issuance of this Bond.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State of New York and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond and the issue of which this Bond is a part, do exist, have happened and have been performed in due time, form and manner as required by such Constitution, laws and the Indenture; that the amount of this Bond and the issue of which this Bond is a part does not exceed any constitutional or statutory limitations of indebtedness; and that provision has been made for the payment of the principal of and premium, if any, and interest on this Bond and the series of which it is a part as provided in the Indenture.

EXCEPT AS OTHERWISE PROVIDED IN SECTION 2.03 OF THE INDENTURE, THIS GLOBAL BOND MAY BE TRANSFERRED, IN WHOLE BUT NOT IN PART, ONLY TO A NOMINEE OF THE SECURITIES DEPOSITORY OR TO A SUCCESSOR SECURITIES DEPOSITORY OR TO A NOMINEE OF A SUCCESSOR SECURITIES DEPOSITORY.

Interest Rate Provisions

THE AUCTION PERIOD, THE AUCTION RATE, THE SELECTION OF THE METHOD OF DETERMINING THE AUCTION RATE AND DATES OF PAYMENT OF INTEREST ON THE BONDS AND THE AUCTION PROCEDURES RELATED THERETO WILL BE DETERMINED UPON THE TERMS AND CONDITIONS, INCLUDING REQUIRED NOTICES THEREOF TO THE OWNERS, DESCRIBED IN THE INDENTURE, TO WHICH PROVISIONS SPECIFIC REFERENCE IS HEREBY MADE AND ALL OF WHICH PROVISIONS ARE HEREBY SPECIFICALLY INCORPORATED HEREIN BY REFERENCE.

During any Auction Rate Period, the Bonds shall bear interest at the Auction Rate determined as set forth in the Indenture. The initial Auction Period for each subseries of the Bonds immediately after any Change in the Interest Rate Mode to an Auction Rate, shall be a period from and including the effective date of such Change in the Interest Rate Mode to and including the initial Auction Date which shall be determined by the Authority, with notice to the Trustee, on or prior to the effective date of the Change in the Interest Rate Mode. The Auction Rate for any initial Auction Period immediately after any Change in the Interest Rate Mode to an Auction Rate, shall be the rate of interest per annum determined by the Remarketing Agent, with notice to the Trustee, the Authority, the Registrar and Paying Agent and the Company, on a date not later than the effective date of such Change in the Interest Rate Mode as the minimum rate of interest which, in the opinion of the Remarketing Agent, would be necessary as of such date to market Auction Rate Bonds in a secondary market transaction at a price equal to the principal amount thereof, provided that such interest rate shall not exceed the Maximum Allowed Rate. For any other Auction Period, the Auction Rate shall be the rate of interest per annum that results

from implementation of the Auction Procedures. The Auction Procedures are set forth in Article III of the Indenture. If on any Auction Date, the Auction Agent shall fail to determine, or for any reason fail to timely provide, a rate of interest pursuant to the Auction Procedures, the Auction Rate for the next succeeding Auction Period shall be extended at the same rate and such Auction Period and each succeeding Auction Period shall be a seven-day Auction Period until an Auction Period for which the Auction Agent shall determine and timely provide the rate of interest pursuant to the Auction Procedures; provided, that, after three such periods during which such failure occurs, the Auction Rate shall become the Maximum Auction Rate until an Auction Period for which the Auction Agent shall determine and timely provide the rate of interest pursuant to the Auction Procedures. Determination of an Auction Rate pursuant to the Auction Procedures shall be suspended upon a Change in the Interest Rate Mode or the occurrence of a Payment Default. The Auction Rate for any Auction Period or remaining portion thereof following the occurrence of a Payment Default shall be equal to the Overdue Rate as determined on and as of the immediately preceding Auction Date. Upon the occurrence of a Payment Default that has not been waived or cured on or prior to any Auction Date, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Auction Rate for the next succeeding Auction Period shall equal the Overdue Rate on and as of such Auction Date. In the event of the suspension of the Auction Procedures due to a Payment Default, the Auction Procedures shall resume two (2) Business Days after the date on which the Auction Agent receives notice from the Trustee that the Payment Default has been cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter. The Overdue Rate shall be determined by the Trustee on each succeeding Auction Date.

The Bonds may also bear interest at one of the following interest rates at the times and in the manner set forth in the Indenture: a “Commercial Paper Rate,” a “Daily Rate,” a “Weekly Rate,” a “Monthly Rate,” a “Semi-annual Rate”, a “Term Rate” or a “Fixed Rate”.

Redemption Provisions

Optional Redemption. The Bonds shall be subject to redemption, at the option of the Authority upon the request of the Company, on the Business Day immediately succeeding each Auction Date, as a whole or in part, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the date fixed for redemption.

Mandatory Redemption Upon State Furnishing Funds. Under the provisions of Section 1864 of the Act, the State of New York may, upon furnishing sufficient funds therefor, require the Authority to redeem, prior to maturity, as a whole, the Bonds on any Interest Payment Date not less than twenty years after their date of original issuance at a redemption price of 105% of their face value and accrued interest or at such lesser redemption price as may be applicable to an optional redemption at that time.

Procedure for Redemption. In the event any of the Bonds are called for redemption, the Trustee shall give notice of the redemption of such Bonds in accordance with the Indenture.

Notice of redemption shall be given by mailing a copy of the redemption notice by first-class mail at least thirty (30) days prior to the date fixed for redemption to the registered owners of such Bonds to be redeemed at the addresses shown on the registration books maintained by the Registrar and Paying Agent; provided, however, that failure to give notice to any Holder of a Bond or any defects in such notice shall not affect the proceedings for the redemption of the Bonds for which notice has been properly given. Any redemption may be conditioned on the receipt of moneys by the Registrar and Paying Agent sufficient to pay the redemption price on the Redemption Date of Bonds called for redemption, if the notice of redemption so states.

Mandatory Tender for Purchase Upon a Change in the Interest Rate Mode . Upon a Change in the Interest Rate Mode, the Bonds shall be subject to mandatory tender for purchase in accordance with the Indenture, on the effective date of such Change in the Interest Rate Mode at the Purchase Price.

General Provisions Applicable to Mandatory Tenders for Purchase of Bonds. If interest has been paid on the Bonds, or an amount sufficient to pay interest thereon has been deposited in the Bond Fund, or an amount sufficient to pay accrued interest thereon, if any, has been set aside in the Bond Purchase Fund held under the Bond Purchase Trust Agreement, and the Purchase Price shall be available under the Bond Purchase Fund for payment of Bonds subject to tender for purchase in accordance with the Indenture and if a registered owner fails to deliver or does not properly deliver such Bonds to the Registrar and Paying Agent on the purchase date therefor, such Bonds shall nevertheless be deemed tendered and purchased on the date established for the purchase thereof, no interest shall accrue on such Bonds from and after the date of purchase and such former registered owners shall have no rights under the Indenture as the registered owners of such Bonds, except the right to receive the Purchase Price of and interest to the purchase date, if any, on such Bonds upon delivery thereof to the Registrar and Paying Agent in accordance with the provisions of the Indenture. The purchaser of any such Bonds remarketed by the Remarketing Agent, or the issuer of any Support Facility, to the extent Bonds are purchased with the proceeds of a draw on, or borrowing or payment under, the Support Facility, shall be treated as the registered owner thereof for all purposes of the Indenture. The payment of the Purchase Price of the Bonds tendered shall be subject to delivery of such Bonds duly endorsed in blank for transfer or accompanied by an instrument of transfer thereof in form satisfactory to the Registrar and Paying Agent executed in blank for transfer at the principal office of the Registrar and Paying Agent at or prior to 10:00 a.m. (New York City time), on a specified purchase date. The Registrar and Paying Agent may refuse to make payment with respect to any Bonds tendered for purchase pursuant to the Indenture not endorsed in blank or for which an instrument of transfer satisfactory to the Registrar and Paying Agent has not been provided.

The Purchase Price of Bonds subject to tender for purchase pursuant to the Indenture in an aggregate principal amount of at least one million dollars (\$1,000,000) shall be payable in immediately available funds or by wire transfer upon written notice from the registered owner thereof containing the wire transfer address (which shall be in the continental United States) to which such registered owner wishes to have such wire directed, if such written notice is received by the Registrar and Paying Agent not less than five (5) days prior to the related purchase date.

Registered owners of Auction Rate Bonds subject to mandatory tender for purchase upon a Change in the Interest Rate Mode shall have no right to retain such Bonds and shall be required to tender such Auction Rate Bonds on the date established for the mandatory tender for purchase thereof.

The transfer of the Bonds may be registered only upon the books of registry required to be kept pursuant to the Indenture upon surrender thereof to the Registrar and Paying Agent, together with an assignment duly executed by the Holder thereof or his or her duly authorized agent and accompanied by a guarantee of signature, each in such form as shall be satisfactory to the Registrar and Paying Agent. Upon any such registration of transfer the Authority shall execute and the Trustee shall authenticate and deliver in exchange for such Bonds a new Bond or Bonds of the same subseries registered in the name of the transferee or transferees for a like aggregate principal amount, of any denomination or denominations authorized by this Indenture. No transfer of any Bond shall be effective until entered on the books of registry.

All terms used herein which are defined in the Indenture and not otherwise defined herein shall have the respective meanings set forth in the Indenture.

This Bond shall be governed by and construed in accordance with laws of the State of New York.

IN WITNESS WHEREOF, the Authority has caused this Bond to be signed in its name and on its behalf by the manual or facsimile signature of its President, Vice President or Treasurer and its seal or a facsimile thereof to be impressed, imprinted or otherwise reproduced hereon and attested by the manual or facsimile signature of its Secretary or an Assistant Secretary, as of the date set forth in the Certificate of Authentication.
