The basic provisions set forth herein may be incorporated by reference in any such underwriting agreement relating to a particular issue of Designated Securities (an “Underwriting Agreement”). The Underwriting Agreement, including the provisions incorporated therein by reference, is herein referred to as “this Agreement.” Unless otherwise defined herein, terms defined in the Underwriting Agreement are used herein as defined therein.

The terms and rights of any particular issue of Designated Securities shall be as specified in the Underwriting Agreement relating thereto and (i) if the Designated Securities are equity securities, in or pursuant to the provisions of the Company’s Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”), or (ii) if the Designated Securities are debt securities, in or pursuant to the indenture (the “Indenture”) identified in the Underwriting Agreement. An Underwriting Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted.

This Agreement will become effective with respect to the Designated Securities at a point in time agreed to by the several Underwriters and the Company (the “Pricing Effective Time”), which time shall be specified in the Underwriting Agreement. The Pricing Effective Time shall occur when the Pricing Disclosure Material (as defined in the Underwriting Agreement) shall be available for delivery or communication to purchasers. At the Pricing Effective Time, the several Underwriters propose to offer the Designated Securities for sale upon terms and conditions set forth in the Prospectus (as defined in Section 1(a) hereof) and in the Pricing Disclosure Material.

1. The Company represents and warrants to, and agrees with, each of the Underwriters as of the Pricing Effective Time that:

(a) A registration statement in respect of the Designated Securities has been filed with the Securities and Exchange Commission (the “Commission”); the registration statement has become effective; and no stop order suspending the effectiveness of the registration statement has been issued and no proceeding for that purpose or pursuant to Section 8A of the Securities Act of 1933, as amended (the “Act”) against the Company or related to the offering of the Designated Securities has been initiated or threatened by the Commission. The Company proposes to file pursuant to Rule 424 under the Act a prospectus supplement

specifically relating to the Designated Securities and reflecting the terms of the Designated Securities and plan of distribution arising from the Underwriting Agreement (the "Pricing Supplement") and has previously advised the Underwriters of all information to be set forth therein. The term "Registration Statement" as used with respect to the particular issue of Designated Securities means the registration statement as deemed revised pursuant to Rule 430(B)(f)(1) under the Act on the date of such registration statement's effectiveness for purposes of Section 11 of the Act, as such Section applies to the Company and the Underwriters for the Designated Securities pursuant to Rule 430B(f)(2) under the Act (the "Effective Date"). The term "Basic Prospectus" means the prospectus included in the Registration Statement exclusive of any supplement filed pursuant to Rule 424. The term "Prospectus" means the Basic Prospectus together with the Pricing Supplement, as first filed with the Commission pursuant to Rule 424. The term "Preliminary Prospectus" means a preliminary prospectus supplement, if any, specifically relating to the Designated Securities together with the Basic Prospectus. As used herein, the terms "Registration Statement," "Basic Prospectus," "Prospectus" and "Preliminary Prospectus" shall include in each case the material, if any, incorporated by reference therein.

(b) The documents incorporated by reference in the Pricing Disclosure Material or in the Prospectus, when they were filed with the Commission, conformed in all material respects to the requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission thereunder, and none of the documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus, when said further documents are filed with the Commission, will conform in all material respects to the requirements of the Exchange Act and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Registration Statement, any Permitted Free Writing Prospectus and the Prospectus conform, and any amendments or supplements thereto will conform, in all material respects to the requirements of the Act and, if the Designated Securities are debt securities, the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission under the Act and, if applicable, the Trust Indenture Act; the Registration Statement as of the Effective Date will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (i) the Pricing Disclosure Material does not as of the Pricing Effective Time, (ii) the Prospectus will not, as of the Effective Date, (iii) the Prospectus and any amendment or supplement thereto will not, as of their dates, and (iv) the Prospectus, as it may be amended or supplemented pursuant to Section 4 hereof, as of the Time of Delivery will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they are or were made, not misleading; provided, however, that this representation and warranty shall not apply to: (i) any statements or omissions made in reliance upon and in conformity with any information specified in the Underwriting Agreement as furnished by or on behalf of the Underwriters for use in the Pricing Disclosure Material or the Prospectus for the Designated Securities ("Underwriter

(e) The Company has been duly formed and is validly existing and in good standing under the laws of the State of New York. The Company has full power and authority to conduct its business and, except as described in the Registration Statement, the Pricing Disclosure Material and the Prospectus, possesses all material licenses and approvals necessary for the conduct of its business.

(g) This Agreement has been duly authorized, executed and delivered by the Company.

(h) If the Designated Securities are debt securities, the Indenture has been duly authorized by the Company and qualified under the Trust Indenture Act and, at the Time of Delivery (as defined in Section 3 hereof), will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or effecting creditors’ rights and to general equity principles.

(m) The consolidated financial statements of the Company and its subsidiaries set forth in the Registration Statement, the Pricing Disclosure Material and the Prospectus fairly present the financial condition of the Company and its subsidiaries as of the dates indicated and the results of operations and changes in cash flows for the periods therein specified in conformity with generally accepted accounting principles consistently applied throughout the periods involved (except as otherwise stated therein).

(r) If the Company is Con Edison, each “significant subsidiary” of the Company (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the 1933 Act) (each, a “Subsidiary” and, collectively, the “Subsidiaries”) has been duly organized and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or be in good standing would not result in a Material Adverse Effect. Except as otherwise stated in the Registration Statement and the Prospectus, all of the issued and outstanding capital stock of each Subsidiary has been duly authorized and is validly issued, fully paid and non-assessable and is owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity. None of the outstanding shares of capital stock of any Subsidiary was issued in violation of preemptive or other similar rights of any securityholder of such Subsidiary.

(s) The Company intends to use the net proceeds received by it from the sale of the Designated Securities in the manner specified in the Prospectus under “Use of Proceeds.”

(t) The Company maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorization, (ii) transactions are recorded as necessary to permit preparation of its financial statements in conformity with generally accepted accounting principles and to maintain accountability for its assets, (iii) access to its assets is permitted only in accordance with management’s general or specific authorization and (iv) the recorded accountability for its assets is compared with existing assets at reasonable intervals and

appropriate action is taken with respect to any differences. The Company assessed the effectiveness of its internal control over financial reporting as of the end of the period covered by its most recent Annual Report on Form 10-K filed with the Commission and, based on such assessment, concluded that it had effective internal control over financial reporting. In addition, there was no change in the Company's internal control over financial reporting that occurred during its most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting. The Company is not aware of any material weakness in its internal controls over financial reporting.

(u) The Company maintains disclosure controls and procedures to provide reasonable assurance that the information required to be disclosed by the Company in the reports that it submits to the Commission is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms and such disclosure controls and procedures. The Company evaluated its disclosure controls and procedures as of the end of the period covered by its most recent periodic report filed with the Commission pursuant to Section 13 of the Exchange Act and, based on such evaluation, concluded that the controls and procedures were effective to provide such reasonable assurance.

(v) There is and has been no failure on the part of the Company and to the knowledge of the Company there has been no failure on the part of any of the Company's directors or officers, in their capacities as such, to comply with any provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 relating to loans and Sections 302 and 906 relating to certifications.

(w) The interactive data files in eXtensible Business Reporting Language included as exhibits in documents incorporated by reference in the Pricing Disclosure Material or in the Prospectus, when such incorporated documents were filed with the Commission, conformed in all material respects to the requirements of the Exchange Act and the rules and regulations of the Commission thereunder.

(a) The Company represents and agrees that it has not made and without the consent of the Representatives it will not make any offer relating to the Designated Securities that would constitute a free writing prospectus, other than a Permitted Free Writing Prospectus, as defined below; each Underwriter represents and agrees that, without the consent of the Company and the Representative, it will not make any offer relating to the Designated Securities that would constitute a free writing prospectus, other than a Permitted Free Writing Prospectus or a free writing prospectus that is not required to be filed by the Company pursuant to Rule 433 and any free writing prospectus, including the pricing term sheet for the Designated Securities, the use of which has been consented to by the Company and the Representatives, shall be listed on a schedule attached to the Underwriting Agreement (a "Permitted Free Writing Prospectus").

(b) Unless otherwise provided in the Underwriting Agreement, the Company will prepare a pricing term sheet to be included in the Pricing Disclosure Material as a Permitted Free Writing Prospectus which shall be approved by the Representatives and filed by the Company pursuant to Rule 433(d) under the 1933 Act within the time period prescribed by such Rule.

(c) The Company has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus including timely Commission filing and legending.

(e) The Company agrees that if there occurs an event or development as a result of which the Pricing Disclosure Material would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances then prevailing, not misleading, the Company will notify the Representatives so that any use of the Pricing Disclosure Material may cease until it is amended or supplemented.

(h) The Company shall have furnished or caused to be furnished to the Representative at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representative as to the accuracy of the representations and warranties of the Company herein at and as of the Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Time of Delivery, and as to the matters set forth in subsections (a) (the statement that no stop order or proceeding for that purpose, or under Section 8A, has been “threatened” by the Commission may be qualified by the phrase “to the best of our knowledge,” (e) and (f) (item (ii) may be qualified by the phrase “to the best of our knowledge”) of this Section 6; and

(b) Each Underwriter, severally and not jointly, will indemnify the Company, its directors and officers and each person, if any, who controls the Company, within the meaning of Section 15 of the Act (the “Company Indemnified Parties”) and hold it harmless against any losses, claims, damages or liabilities to which such Company Indemnified Party may become

subject, under the Act or otherwise, insofar as the losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or allegedly untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, any Permitted Free Writing Prospectus, the Prospectus or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that said untrue statement or allegedly untrue statement or omission or alleged omission was made in any Preliminary Prospectus, the Registration Statement, any Permitted Free Writing Prospectus, the Prospectus or any amendment or supplement thereto, in reliance upon and in conformity with Underwriter Information; and will reimburse any Company Indemnified Party for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) of this Section 7 of notice of the commencement of any action, the indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under said subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any indemnified party other than under said subsection and to the extent it is not materially prejudiced as a result thereof. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to the indemnified party, and, after notice from the indemnifying party to the indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to the indemnified party under said subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by the indemnified party, in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of its counsel shall be at the expense of the indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the contrary, (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to the indemnified party or (iii) the named parties in any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would, in the reasonable judgment of the indemnified party, be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceeding, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all indemnified parties, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for the Underwriter Indemnified Parties shall be designated in writing by the Representatives and any such separate firm for the Company Indemnified Parties shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold an indemnified party harmless under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of said losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which said loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by the indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and Underwriters of the Designated Securities on the other in connection with the statements or omissions that resulted in said losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by the indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that said Underwriter has otherwise been required to pay by reason of said untrue or allegedly untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of the fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint. The foregoing provisions regarding contribution shall apply except as otherwise required by applicable law.

(e) The obligations of the Company under this Section 7 shall be in addition to any liability that the Company may otherwise have and the obligations of the Underwriters under this Section 7 shall be in addition to any liability that the respective Underwriters may otherwise have.

8. If, at the Time of Delivery, any one or more of the Underwriters shall default in its obligation to purchase any of the Designated Securities, and the aggregate principal amount or aggregate number of shares (as the case may be) of the Designated Securities set forth opposite the name or names of the defaulting Underwriter or Underwriters in Schedule I to the Underwriting Agreement is not more than one-tenth of the aggregate principal amount or aggregate number of shares (as the case may be) of the Designated Securities, the other Underwriters shall be obligated severally in the proportions that the principal amount or number of shares (as the case may be) of Designated Securities set forth opposite their respective names in Schedule I to the Underwriting Agreement bears to the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities set forth opposite the names of all the non-defaulting Underwriters, or in such other proportions as the Underwriters may agree, to purchase the Designated Securities as to which the defaulting Underwriter or Underwriters so defaulted on that date; provided that in no event shall the principal amount or number of shares (as the case may be) of Designated Securities that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 8 by an amount in excess of one-ninth of the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities without the written consent of that Underwriter. If any Underwriter or Underwriters shall default in its or their obligation to purchase Designated Securities and the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities set forth opposite the name or names of the defaulting Underwriter or Underwriters in Schedule I to the Underwriting Agreement is more than one-tenth of the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities, and arrangements satisfactory to the Underwriters and the Company for the purchase of said Designated Securities are not made within 36 hours after the default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Sections 5 and 7 hereof. In any such case, either the Underwriters or the Company shall have the right to postpone the Time of Delivery, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of said Underwriter under this Agreement.

9. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any control person of any Underwriter, or the Company, or any officer or Director or Trustee or control person of the Company, and shall survive delivery of and payment for the Designated Securities and any termination of this Agreement.

10. If any condition specified in Section 6 of this Agreement shall not have been fulfilled when and as required to be fulfilled thereunder, then this Agreement may be terminated by the Representative upon notice to the Company.

11. If this Agreement shall be terminated pursuant to Section 8 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities except as provided in Section 5 and Section 7 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters for all out-of-pocket expenses, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Designated Securities. Unless the cause for non-delivery shall be a matter within the reasonable control of the Company, the Company shall be under no further liability to any Underwriter with respect to the Designated Securities except as provided in Section 5 and Section 7 hereof.

12. In all dealings under this Agreement, the Company shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representative.

13. All statements, requests, notices and agreements under this Agreement shall be in writing, or, if promptly confirmed in writing, by telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted, and if to the Underwriters shall be sufficient in all respects if delivered or sent by registered mail to the Representative at the address specified for the Representative in the Underwriting Agreement; and if to the Company shall be sufficient in all respects if delivered or sent by registered mail to the address of the Company set forth in the Registration Statement, Attention: Secretary.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 7 and 9 hereof, the officers, directors and Trustees of the Company and each person, if any, who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Designated Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. The Company acknowledges and agrees that (i) the purchase and sale of the Designated Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

16. Time shall be of the essence of this Agreement. As used herein the term “business day” shall mean any day when the Commission’s office in Washington, D.C. is open for business.

17. This Agreement shall be construed in accordance with the laws of the State of New York.

18. This Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument. The words “execution,” “executed,” “signed,” “signature,” and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile, email or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and AdobeSign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

19. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

20. (i) In the event that the Underwriter that is a Covered Entity (as defined below) becomes subject to a proceeding under a U.S. Special Resolution Regime (as defined below), the transfer from the Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States. (ii) In the event that the Underwriter that is a Covered Entity or a BHC Act Affiliate (as defined below) of the Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights (as defined below) under this Agreement that may be exercised against the Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

As used in this Section 20:

“BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

“Covered Entity” means any of the following:

- (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC., a New York corporation (hereinafter called the “Company”, which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to the registered holder named above or registered assigns, on the maturity date stated above, unless redeemed prior thereto as hereinafter provided, the principal sum stated above and to pay interest thereon from May 9, 2024, or from the most recent interest payment date to which interest has been duly paid or provided for, initially on November 15, 2024, and thereafter semi-annually on May 15 and November 15 each year, at the interest rate stated above, until the date on which payment of such principal sum has been made or duly provided for. The interest so payable on any interest payment date will be paid to the person in whose name this Debenture is registered at the close of business on the record date for the applicable interest payment date, which will be (i) the business day immediately preceding such interest payment date so long as all of the Debentures (as defined below) remain in book-entry only form or (ii) the fifteenth day, whether or not a business day, of the calendar month next preceding such interest payment date if any of the Debentures do not remain in book-entry form, in each case, except as otherwise provided in the Indenture.

The principal of this Debenture, when due and payable, shall, upon presentation and surrender hereof, be paid at The Bank of New York Mellon, 2001 Bryan Street, 10th Floor, Dallas, Texas 75201, or at the office of any paying agent subsequently appointed pursuant to the Indenture. The interest on this Debenture, when due and payable, shall be paid at The Bank of New York Mellon or at the office of any paying agent subsequently appointed pursuant to the Indenture, or at the option of the Company, by check mailed to the address of the registered holder hereof or registered assigns as such address shall appear in the Security Register. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

This Debenture is one of a duly authorized series of an issue of unsecured debt securities of the Company designated as its 5.375% Debentures, Series 2024 A (the “Debentures”), issued and to be issued under an Indenture dated as of December 1, 1990, between the Company and The Bank of New York Mellon (formerly known as The Bank of New York (successor to JPMorgan Chase Bank, N.A. (formerly known as JPMorgan Chase Bank (formerly known as The Chase Manhattan Bank (successor to The Chase Manhattan Bank (National Association)))))), as Trustee (hereinafter called the “Trustee”, which term includes any successor trustee under the Indenture), as amended and supplemented by the First Supplemental Indenture, dated as of March 6, 1996, and the Second Supplemental Indenture, dated as of June 23, 2005 (the Indenture, as so amended and supplemented is hereinafter called the “Indenture”). The Debentures shall be issued in an initial aggregate principal amount of \$400,000,000. The Company may at any time, without the consent of the holders of the Debentures, issue additional Debentures that will be part of the same series of debt securities as, rank equally and ratably with, and have the same interest rate, maturity and other terms (except for the issue date, the issue price and, if applicable, the initial interest accrual date and the first interest payment date) as, the Debentures initially issued. Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the holders of the Debentures, and the terms on which the Debentures are, and are to be, authenticated and delivered.

Prior to February 15, 2034, which is referred to as the “Par Call Date”, the Company may redeem the Debentures at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1)(a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Debentures matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points, less (b) interest accrued to the date of redemption; and (2) 100% of the principal amount of the Debentures to be redeemed, plus, in either case, accrued and unpaid interest thereon to, but not including, the redemption date.

On or after the Par Call Date, the Company may redeem the Debentures, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Debentures being redeemed plus accrued and unpaid interest thereon to, but not including, the redemption date.

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted each business day by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields—one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life—and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error. The Company will notify the Trustee of the redemption price promptly after the calculation thereof, and the Trustee may rely upon the redemption price contained in any such notice and the Trustee shall not be responsible for, or be liable in connection with, the calculation of such redemption price (or any component thereof) or for determining whether manifest error has occurred.

The Company will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each registered holder of Debentures to be redeemed.

Unless the Company defaults in payment of the redemption price, on or after the redemption date interest will cease to accrue on the Debentures or portions thereof called for redemption.

If an Event of Default (as defined in the Indenture) shall have occurred and be continuing with respect to the Debentures, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with such effect and subject to the conditions provided in the Indenture. Any such declaration may be rescinded by holders of a majority in principal amount of the outstanding Debentures if all Events of Default with respect to the Debentures (other than the non-payment of principal of the Debentures which shall have become due by such declaration) shall have been remedied.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Debentures at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to the Indenture or to any supplemental indenture with respect to the Debentures, or modifying in any manner the rights of the holders of the Debentures; provided, however, that no such supplemental indenture shall (i) extend the maturity of any Debenture, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or make the principal thereof, or interest thereon, payable in any coin or currency other than that provided in the Debentures without the consent of the holder of each Debenture so affected, or (ii) reduce the aforesaid principal amount of Debentures, the holders of which are required to consent to any such supplemental indenture without the consent of the holders of all Debentures then outstanding.

The Debentures are issuable as registered Debentures only, in the denomination of \$2,000 and any integral multiples of \$1,000 approved by the Company, such approval to be evidenced by the execution thereof.

This Debenture is transferable by the registered holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose, but only in the manner, subject to the limitations and upon payment of any tax or governmental charge for which the Company may require reimbursement as provided in the Indenture, and upon surrender and cancellation of this Debenture. Upon any registration of transfer, a new registered Debenture or Debentures, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefor.

The Company, the Trustee, any paying agent and any Security registrar may deem and treat the registered holder hereof as the absolute owner of this Debenture (whether or not this Debenture shall be overdue and notwithstanding any notations of ownership or other writing hereon made by anyone other than the Security registrar) for the purpose of receiving payment of or on account of the principal hereof and interest due hereon as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Security registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Debenture, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Trustees, as such, of the Company, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Debenture shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York.

All terms used in this Debenture which are defined in the Indenture and not defined herein shall have the meanings assigned to them in the Indenture.

This Debenture shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this Debenture to be signed by the manual or facsimile signatures of the Senior Vice President and Chief Financial Officer and the Vice President and Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

(formerly known as JPMorgan Chase Bank (formerly known as The Chase Manhattan Bank (successor to The Chase Manhattan Bank (National Association)))))), as Trustee (hereinafter called the “Trustee”, which term includes any successor trustee under the Indenture), as amended and supplemented by the First Supplemental Indenture, dated as of March 6, 1996, and the Second Supplemental Indenture, dated as of June 23, 2005 (the Indenture, as so amended and supplemented is hereinafter called the “Indenture”). The Debentures shall be issued in an initial aggregate principal amount of \$1,000,000,000. The Company may at any time, without the consent of the holders of the Debentures, issue additional Debentures that will be part of the same series of debt securities as, rank equally and ratably with, and have the same interest rate, maturity and other terms (except for the issue date, the issue price and, if applicable, the initial interest accrual date and the first interest payment date) as, the Debentures initially issued. Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the holders of the Debentures, and the terms on which the Debentures are, and are to be, authenticated and delivered.

Prior to November 15, 2053, which is referred to as the “Par Call Date”, the Company may redeem the Debentures at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1)(a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Debentures matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, less (b) interest accrued to the date of redemption; and (2) 100% of the principal amount of the Debentures to be redeemed, plus, in either case, accrued and unpaid interest thereon to, but not including, the redemption date.

On or after the Par Call Date, the Company may redeem the Debentures, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Debentures being redeemed plus accrued and unpaid interest thereon to, but not including, the redemption date.

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted each business day by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields—one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life—and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error. The Company will notify the Trustee of the redemption price promptly after the calculation thereof, and the Trustee may rely upon the redemption price contained in any such notice and the Trustee shall not be responsible for, or be liable in connection with, the calculation of such redemption price (or any component thereof) or for determining whether manifest error has occurred.

The Company will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each registered holder of Debentures to be redeemed.

Unless the Company defaults in payment of the redemption price, on or after the redemption date interest will cease to accrue on the Debentures or portions thereof called for redemption.

If an Event of Default (as defined in the Indenture) shall have occurred and be continuing with respect to the Debentures, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with such effect and subject to the conditions provided in the Indenture. Any such declaration may be rescinded by holders of a majority in principal amount of the outstanding Debentures if all Events of Default with respect to the Debentures (other than the non-payment of principal of the Debentures which shall have become due by such declaration) shall have been remedied.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Debentures at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to the Indenture or to any supplemental indenture with respect to the Debentures, or modifying in any manner the rights of the holders of the Debentures; provided, however, that no such supplemental indenture shall (i) extend the maturity of any Debenture, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or make the principal thereof, or interest thereon, payable in any coin or currency other than that provided in the Debentures without the consent of the holder of each Debenture so affected, or (ii) reduce the aforesaid principal amount of Debentures, the holders of which are required to consent to any such supplemental indenture without the consent of the holders of all Debentures then outstanding.

The Debentures are issuable as registered Debentures only, in the denomination of \$2,000 and any integral multiples of \$1,000 approved by the Company, such approval to be evidenced by the execution thereof.

This Debenture is transferable by the registered holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose, but only in the manner, subject to the limitations and upon payment of any tax or governmental charge for which the Company may require reimbursement as provided in the Indenture, and upon surrender and cancellation of this Debenture. Upon any registration of transfer, a new registered Debenture or Debentures, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefor.

The Company, the Trustee, any paying agent and any Security registrar may deem and treat the registered holder hereof as the absolute owner of this Debenture (whether or not this Debenture shall be overdue and notwithstanding any notations of ownership or other writing hereon made by anyone other than the Security registrar) for the purpose of receiving payment of or on account of the principal hereof and interest due hereon as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Security registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Debenture, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Trustees, as such, of the Company, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Debenture shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York.

All terms used in this Debenture which are defined in the Indenture and not defined herein shall have the meanings assigned to them in the Indenture.

This Debenture shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this Debenture to be signed by the manual or facsimile signatures of the Senior Vice President and Chief Financial Officer and the Vice President and Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

Re: Securities Registered Under the Securities Act of 1933

I am Senior Vice President and General Counsel of Consolidated Edison Company of New York, Inc. (“Con Edison of New York”). I and other members of Con Edison of New York’s Law Department have represented Con Edison of New York in connection with the issuance and sale of \$400,000,000 aggregate principal amount of Con Edison of New York’s 5.375% Debentures, Series 2024 A and \$1,000,000,000 aggregate principal amount of Con Edison of New York’s 5.70% Debentures, Series 2024 B (collectively, the “Debentures”). The Debentures were registered under the Securities Act of 1933, as amended, pursuant to a Registration Statement on Form S-3 (No. 333-258512, the “Registration Statement”). The Debentures were issued under the Indenture, dated as of December 1, 1990, between Con Edison of New York and The Bank of New York Mellon (formerly known as The Bank of New York; successor to JPMorgan Chase Bank, N.A.; formerly known as JPMorgan Chase Bank; formerly known as The Chase Manhattan Bank; successor to The Chase Manhattan Bank (National Association)), as Trustee, as amended and supplemented by a First Supplemental Indenture, dated as of March 6, 1996 and a Second Supplemental Indenture, dated as of June 23, 2005 (the Indenture, as so amended and supplemented, is herein referred to as the “Indenture”).

We have examined such documents as we have deemed necessary for the purpose of this opinion letter, including (a) the Restated Certificate of Incorporation and the By-Laws of Con Edison of New York; (b) the Indenture; and (c) minutes of meetings of the Board of Trustees and the Finance Committee of the Board of Trustees of Con Edison of New York.

It is my opinion that the Debentures are the legal, valid and binding obligations of Con Edison of New York in accordance with their terms.

I do not express any opinion herein concerning any law other than the law of the State of New York and the federal laws of the United States.

I consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to me under the caption "Legal Matters" in the prospectus constituting a part of the Registration Statement. However, in giving such consent, I do not thereby admit that I come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations thereunder.

Very truly yours,

/s/ Deneen Donnley
